## Commodore's Briefings

The annual spring clean-up at the Club went well. We had enough volunteers so the majority of the work was done by 1 p.m. Unfortunately the weather did not cooperate so the exterior plantings have been delayed to a later day.

An interesting fact that you might be interested in knowing. Our real estate taxes this year amount to about \$10,000.00. Believe it or not this represents approximately 20% of the income derived from our yearly dues. We do not want to raise the dues so you can see why the club needs to generate income in excess of our dues. This is done via club rentals, fundraisers and the new venture of the

Friday evening food and beverage service.

PC Jack Attkisson graciously agreed to serve as coordinator in obtaining volunteers to serve as "Officer of the Day" during Saturdays and Sundays. This person would be available to assist Paul in solving any situations that may arise. You do not have to be at the club, just be on the island and available by two-way radio. Please contact Jack to place your name on the volunteer list. Any questions, please call me.

See you at the Club for the Memorial Service and Eye Opener.

## Club Implements Strategic Planning Process

At the January 20, 2001 board meeting our Board of Trustees gave unanimous approval for our Club to begin Long Range Strategic Planning. Strategic Planning is a process designed to identify our Club's Mission and Objectives and then develop plans to work toward our objectives through a focused planning process.

The Strategic Planning Process begins with an intensive all day planning session involving approximately fifteen club members and employees. It is critical that the group is diverse and collectively has a thorough understanding of the history, strengths and weaknesses of the club.

We are seeking volunteers who would be willing to commit their time and talent to this priority planning effort. Obviously, we have limited positions on the initial planning team; however, everyone who volunteers will have an opportunity for meaningful participation in the process. In addition to the initial planning team task teams are needed to develop action plans in identified areas of focus. DO NOT let this opportunity to help our Club excel pass you by. To join the planning effort call the Club at 419/285-4505 or send e-mail to: Fredd302@cs.com. Give your NAME and state one of the following:

Yes I want to be part of the planning process and I AM available October 6, 2001.

OR

Yes I want to be part of the planning process and I AM NOT available October 6, 2001.

## Ad-Vice

Please send your hotel reservations to me by June 10th so we can secure the rooms. 330/492-7524 (H), 216/991-7600 (O), 216/991-7739 (fax) or jklain01@aol.com.

## Rear View

The Memorial Service and Eye Opener are this weekend and I hope you have made your reservations. The June social schedule for the Club is looking good. Beginning in June, remember to stop by the Club on Friday nights for snacks and supper. A light menu of sandwiches, salads and snacks will be offered on three Fridays and a dinner with a choice from 3 or 4 entrees will be offered once a month.

On June 2nd, there is a Welcome Back party at the Club. And let's support the Swim/Sail Program's Spaghetti Dinner on June 16th.

I look forward to seeing all of you at the Club.
