Remember a loved one or commemorate your connection to PIBYC. Each brick is only \$100 and you may specify the location. The memorial brick walkway extends along the front patio down to the street. Commodore's Briefing

On May 27th our **Memorial Service** honored members who passed during the last year. This year a color guard joined the memorial. The service began with a cannon salute and placing of the ceremonial wreath. Club officers, past and present, were introduced followed with a

prayer by Fleet Chaplain Maylou Ramsbottom. RC Vivien Dennerll led the Pledge of Allegiance. Club members who had passed were each recognized with a hand salute, ringing of the bell, and dropping of a rose into the bay. A personal recognition for three fallen members from the Walbridge National Guard post was done by me. The ceremony closed with a prayer, a 21 gun salute by the color guard from PIB American Legion Post 542, and lowering of the flag by PC Robert Bahney III coordinated with a heart moving rendition of taps by bugler PC Robert Bahney Jr. There was not a dry eye at this event! A very moving ceremony for all!

The **Eye Opener** following was a great success. Woody, as always, did a great job with the meal! Bloody Mary's and Mimosas were a hit for breakfast.

On Saturday, June 9th, we hosted a party for the **Toledo Yacht Club Mills Race** participants. As the 2012 race destination, we are very appreciative having this come back to PIBYC after 31 years! A special thank you goes to TYC 2012 Commodore Jim Balogh for considering PIBYC. Our volunteers did a great job! We owe you for your hard work! Over 500 people attend this event. Barb Chrysler, PIBYC Manager, did an excellent job orchestrating this event "Take a Bow" Barb!

The next day 145 people attended a Woody special breakfast! This included Mimosas for all! I still can't believe the club handled that many for breakfast! After breakfast race awards were given out by the Mills Race officials.

Again a hand goes out to those who volunteered! There were so many volunteers supporting PIBYC that both days went smoothly. As a result of our accomplishments, we will host the Mills Race for 2013 and beyond!

"We have met the enemy and they are ours."

by Oliver Hazard Perry.

The Bicentennial occurs in 2012 and 2013. This celebrates the War of 1812. Please see the Bicentennial agenda in this newsletter. I also recommend you view the web site www.battleoflakeerie-bicentennial.com. There are specials available such as registering your boat for \$75. Registering as a Fleet Member comes with a bicentennial burgee and decal. Also see the website for other particulars, such as becoming a member of an American Tall Ship for the reenactment of the battle. A *great* opportunity for all! Should you need more information, contact "**The Perry Group Bicentennial Committee**" at 216-586-9299.

On July 4th we will be hosting individuals who have been inducted as citizen. This event will be held prior to our Freedom party. Please come by to welcome these new citizens to America. See your bridge dressed in white!

Don Gokee, Commodore

Vice Commodore's Corner

Our yacht club welcomed the month of June with a flurry of activity! On Saturday June 9th, around 500 hungry sailors were served a great lunch prepared by club manager Barb Chrysler, Chef Woody, and staff. Many members volunteered to set

up, serve, and clean-up. Each deserves to "Take a Bow" for all they did to make this a successful event. The breakfast served on Sunday had a great turnout, followed by the **Car Parade After-Party** in the afternoon. What a weekend! The rest of the month is filled with other exciting events. Jeff and Heather Stewart are hosting a **Fish Fest** on Saturday June 30th. I think the walleye supply in Lake Erie has been seriously depleted by Captain Jeff. You do *not* want to miss this party!

Janet and I are working hard with our fundraiser committee to make **Party with the Leprechaun** a *really* fun event. Tickets are now on sale for \$50 each. The winning ticket holder will add \$500 to his or her pocketbook. Winner need not be present. In addition, there will be a 50/50 raffle, and drawings for various treasures. Thank you to those who have donated some very nice items. We are also looking for members who would like to be a sponsor for such things as, printing materials, beer, music and entertainment. Sponsors will receive special recognition for their support. Please be aware of how important this fundraising is to the operation of our club. Because of these special events we are able to keep our membership fee as low as it is. Thank you in advance for all your support!

The Bicentennial **Battle-of-Lake-Erie** is gathering steam! Events are planned for this summer, as well as the giant celebration which will take place next September. These will be the biggest celebrations ever to take place in the history of Lake Erie and the Western Basin. The Put-in-Bay Yacht Club is "ground zero" for all of this when we think about it! We all have an opportunity to be part of this. Information is available at the Club. See how you may want to get involved and support this historic celebration.

John P. Bergan, Jr., Vice Commodore

JULY 4th FREEDOM PARTY 4 P.M.

An all American cookout to honor USA's newest citizens who get sworn in that day at Perry's Monument and to celebrate Independence Day! Chef Bill Worley and crew are preparing pork tenderloin, hamburger, and hot dog sandwiches, with side dishes, and a surprise dessert.

Musical entertainment by Kevin Cullen

**All this for only \$8 per person!!
Stay and enjoy the fireworks after.**

Rear View Forward

Our Memorial Service which had many participants made it a solemn but very special event. Of special interest, a 21-gun salute was done. I especially want to thank my husband PC Roger Dennerll who coordinated the event. He takes much

pleasure in doing this for us. The **Eye Opener Brunch** put together by Barb Chrysler with our Chef Woody was delicious.

After graduation Friday June 8th, PIBYC hosted a party for the PIB High School's three graduates and alumni. On Saturday June 9th and Sunday June 10th, PIBYC hosted the **Mills Race** events and awards. We had many club members volunteering to help with the 500 plus people in attendance for the Mills Race. Great Job Volunteers!! On Sunday June 10th, PIBYC hosted our annual **Antique Car Parade** with 1/4 lb. hot dogs and tacos. The Bayview Room and patio (with our new umbrellas) was packed.

I hope everyone gets a chance to enjoy the Friday dinners. I have heard many comments about them. The Steak cook out was fantastic! Thanks Chef Woody! You won't want to miss our **Fish Fest** dinner on Saturday, June 30th at 6:00 p.m. Members Heather and Jeff Stewart have been busy fishing so they could provide us with fresh caught Lake Erie fish!

On July 4th, Chef Bill Worley and crew are putting together an **All-American Cookout**, and musical entertainment will be provided starting at 4:00 p.m.

Please come to enjoy Chef Woody's Christmas in July dinner on July 27th. He is quite famous for his turkey dinners, with pies, and all the trimmings. The Progressive Dinner scheduled for July 28th has been cancelled.

If you haven't checked out our Ship Store, please do! We have *many* new items including items juniors will be interested in! The sterling silver jewelry exclusively handcrafted for PIBYC by member Heather Stewart is quite beautiful. You'll want to make sure your Captain or First Mate has the necklace, earrings, or lapel/tie pin for that special occasion.

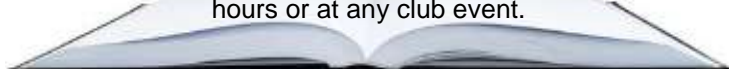

Please check the JIB Sheet calendar, the PIBYC WEEKLY, or our bulletin board for club activities and events. Our **PIBYC WEEKLY** will keep you up to date on our activities or any last minute changes. It's emailed to all who have provided us with an email address.

Please consider signing up to be a volunteer! It's a good way to meet and make new friends. Sign-Up sheets for volunteers are posted on the bulletin board, or you can leave a message with Club Manager Barb Chrysler at 419-285-4505. Volunteers are *important* to our club! *We appreciate every one of you!*

July Cruise-Out

Cruise out to The Old Club

July 8th -13th 2012

We will rendezvous as guests of  **The Old Club** on Harsens Island in the South Channel of the St. Clair River (42-32-3 N 082-40-156W) Sunday July 8th -

13th. The Harbor Master monitors VHV 9. You must call in for a dock assignment when you arrive.

If you would like to attend but can't make the whole week you may sign up for as many days as you'd like. Plan to arrive early if you can to take full advantage of the facilities. Throughout the week there will be plenty of leisure time and practice time for tennis, croquet, trap shooting, or golf. The longest hole is 120 yards, so bring your 7-9 iron and a putter. The pool and bar will also be open for your enjoyment.

Bring your dingy and ply the beautiful arteries of the St. Clair River's endless haunts. We'll venture out to explore various watering holes and eateries throughout the week. Don't have a boat? Boat too small but you would still like to dingy around? Trailer it up and stay at the Old Club's "**Ritz Hotel**" right there on the island with your cruising comrades. Cost is \$96/night (plus tax) Call 810-748-9931 to make reservations. Be sure to ask for the **gate code** or give me (Dean Cormier 734-755-7373) a call if you forget.

We'll gather to share stories of the day's exploits, enjoy hors d'oeuvres and dinner on a couple evenings (TBD), as well as Friday for breakfast before departing. No rush to check out though, you're welcome to indulge up to 3:00 p.m. on Friday. Dress is casual so long as men always wear a collared shirt and everyone leaves their blue jeans in their lockers, bathing suits by the pool only, and no hats indoors for the gentlemen. Feel free to serve cocktails on your boat but you need to abstain from consuming private stock on the docks or anywhere on the premises.

Be sure to check in at the office when upon arrival and get your club **ID** number for the duration of your stay. All purchases go on your account (*no cash*) and your final bill will be mailed to your home. Cost per head will be approximately \$100.00 for the planned meals only, including tax and gratuity and depending on your menu selection(s). All beverages, any other meals, or ships store items you opt for at the club are at your own additional expense. There is a \$20/per day/per person grounds fee which provides for complete access to all the Club's facilities. Dockage is \$1.75/foot/night and trap shooting is \$15/round including shells and use of a shotgun.

Please specify all the nights you would like to attend on the sheet posted at the PIBYC or call me at 734-755-7373 to sign up for a *fabulous* time at **The Old Club**.

Dean Cormier, Power Fleet Captain

Adult Sailing

We began our series a bit late due to weather. To accommodate the weekender people we have changed the **Weekday Series to Fridays at 1:00 p.m.**, while the Weekend Series remains at Noon on Saturdays. We usually have extra boats, should anyone want to race with us, including junior sailors. The competition is *awesome* in this fleet and will help you immensely.

Reminder: Our Sailing Clinic on Saturday June 23rd starts at 9:00 a.m. Registration begins around 8:30, boats will be supplied and our entire fleet will be on the water coaching. If you, or anyone you know, have a small runabout power boat, we need as many as we can get for coach boats.

Reminder: We will have the **Men's Day Regatta** the following Saturday of June 30th. No entry fee, boats provided, and a round-robin affair, with lunch and beer. Event starts at 9:00 a.m.

I have put in bids for PIBYC to host the following US Sailing National Events:

1. The Alter Cup (Multihull National Championship)
2. The Champion of Champions

In order to have them in the same month and year, I put in for 2015. It appears we will get both events in September of that year. I am working with the Hobie Cat Company to supply 20 new boats, which we hope to sell to new fleet members, as well as old fleet members at a discounted rate, in order that Hobie does not have to send them off to their local dealers.

August Cruise-Out

Leamington / Pelee Island

August 16th-19th

Our Leamington, Canada cruise out this year will be over the weekend of August 18th. As we have done the past several years, for those who can get away a day early, we have a Thursday evening Aug. 16th stopover at Pelee Island.

Friday, we proceed to The Leamington Marina, where they have assured us that we will have our normal close-in moorings on their new E & F docks. Depart on Sunday or stay an extra night for a great Italian dinner at Sale e Pepe.

More details of this event to follow in the next JIB

A sign-up sheet is on the club bulletin board, or contact:

Club Manager, Barb Chryler, 419-285-4505
Bob Bahney Jr, (Old Bob) 419-285-3424.

We need an early count so we can lock in our reservations!

Swim/Sail Report

We have the largest group of participants in our Learn-to-Sail and Race programs for the 2012 season. We have over 80 kids enrolled including 24 beginners. Our Senior Coaches are Tyler Andrews, E.J. Williams and Colleen Mooney. We also have seven Junior Instructors assisting with the summer classes.

Tyler Andrews has been sailing since he was 12. He has won two Junior Bay Week Championships in a Laser. He sailed in college at Indiana University and was top ten at the U.S. Collegiate Singlehanded Nationals. He has a long list of awards and we are very lucky to have his experience.

Colleen Mooney has sailed for PIBYC since she was eight years old. She went on to sail in college at Marquette University and became one of the teams' main skippers. With Colleen's PIBYC experience and her love of the Island she is a great addition to the coaching staff.

E.J. Williams has been sailing since before he can remember. He has participated in six Junior Bay Weeks and three Junior Olympics along with numerous other regattas across Lake Erie. He is a Purdue student and spends his free time practicing and racing with the Purdue Sailing Team.

Swimming

We have record breaking sign-ups for the Swim Program!

Julianne Dinallo and **Alyssa Trebilcock** are returning instructors. They have worked as Crew's Nest pool guards for many seasons and know many of the children that have signed up for the classes. Our newest Junior Instructors are **Meredith Snyder, Allie Rudolf and Sam Reynolds**. All instructors have participated in the PIBCSS program and are ready to share their expertise with our children.

We are lucky to have so many children interested in swimming and to have so many talented instructors.

Thanks to the **Crew's Nest Pool** and **Bay Lodging** for helping the program out.

Here's to a safe and successful season... to good weather... and to meeting new friends!

We know our commodore likes mimosas, but he did a little more than just open the champagne... He also ended up wearing it! KABOOM!
