## Auxiliary

The Ladies Auxiliary wrapped up its 2012 season with a very "crafty" Ditty Bag Luncheon. It was well attended and I will continue to sell the ditty bags for \$20.00 each, plus \$1.00 /patch. The PIBYC burgee patches can be purchased in the Ship Store. These proceeds support the PIBYC race team. Please contact me if you would like to purchase a ditty bag. They make a wonderful and memorable Christmas gift for a friend or relative! Contact me at 216-970-9197 or email [sbooker43456@aol.com](mailto:sbooker43456@aol.com).

My favorite summer memory was, of course, the Betty Neff Luncheon! Thanks to my mother, Joan, Aunt Mary & sister Laura for hosting an afternoon full of "Tales from the 50's". I will forever look at a Jell-O mold with an open mind!

Susan Hildebrandt will continue to support PIBYC race team through the 2013 season. If anyone would like to host a luncheon for next season, please contact Susan at 440-409-1958.

**Fair Winds, Sara Booker**

## Record Turn Out

### Pelee / Leamington Cruise-out Draws Record Turn Out!

We had 15 boats arrive at Pelee Island on Thursday and 19 boats sailed into Leamington Marina for the weekend. There was a mixture of sail and power boats. This was an all-time high, which shows our club is moving in the right direction. We had both new and longtime members in attendance. Those who attended the Friday dinner theater were not only graced with the presence of Miss Canada, but enjoyed a very hilarious comedy, the highlight of which was the theatrical debut of our very own Linda Dettmer. I never knew anyone who could blush in such vivid colors. I especially want to thank the Worleys for the great job they did on the Saturday evening cook out and the Dettmers for their pancake breakfast on Pelee. It doesn't get any better. Thanks also to the Thompsons for the use of their car on Pelee, and thank you to all our members who helped make it such a fun outing!

**Board Meeting to follow at 1300 hours**

## Commodore's Briefing

As Commodore this will be my last article for the Jib Sheet. With the help of the Bridge officers, Trustees, Officers, and Club Manager we have had a fun filled 2012 year with many successes. Sharon and I have enjoyed this year very much! The cruise-outs, Friday dinners, and special events have been fun and rewarding.

Working the Mills Race, I-LYA & AYC events has given both of us a new prospective on these events. The yacht club staff, as well as Vivien and Roger Dennerll have put great effort into making these events very successful!

Going through the chairs of the bridge has been both challenging and rewarding. It's hard to believe how fast the 3 years have gone. Sharon and I have been truly blessed with developing many new friendships. I consider myself both humbled and yet very lucky with all these new found friends!

Thanks also to the staff of PIBYC. You have been very professional in your dealings with our club members. I have to thank our club manager Barb Chrysler! She has done an outstanding job in making the club a success for the Mills Race, I-AYA, AYC, and Shark National events! Barb has made the Bridge and Yacht Club look good at all these events! All of these yacht club affiliations will be back next year due to her diligence. This helps the club keep solvent by improving the financial bottom line.

Our great chef Woody, friends, and many volunteers thank you for your efforts in supporting the club in all the events. It has been a very tedious summer for all! I know how tiring the many long hours have been on you!

I especially want to thank Dick Bliss, as well as Bill Worley, for their efforts in getting the new bar started. As Dick knows, this has been very demanding proposition to undertake.

I want to thank Sharon Lindeen for her dedication in writing the Jib Sheet and Larry Voller for his hard work at the Mills Race! I also want to thank Vivien and Roger Dennerll for giving me their insights on situations that developed throughout my watch!

A very special thanks has to go to Lady Sharon for her great strength! She has been very dedicated in her tireless efforts in supporting both PIBYC and me! I would not have been able to complete this year without Sharon!

As you read this we are now planning the **2012 Annual Meeting** to take place on September 1<sup>st</sup> at 10 a.m. Please try to make time for this meeting and vote for the new Trustees that will run your club. After the meeting the Bridge and Trustees will convene to elect the new 2013 Rear Commodore.

The **Change of Watch** will take place on Saturday, September 29<sup>th</sup>. At that time I will pass the leadership of the club to Jack Bergan. Jack and Janet will both support our club to make it a great success for 2013. I am looking forward to seeing all of you at the **Change of Watch**. This event will celebrate Jack, Vivien, and I for our efforts to meet the clubs commitments, and celebrate and welcome the new officers and trustees as they accept their new positions. Many of our trustees continue in their tenor for 2013. However, they deserve credit for their dedication and effort in making the club what is today. I thank **all** the board for their dedication to PIBYC!

Again, I am privileged having taken the helm as your Commodore in 2012! I have enjoyed serving you as your commodore! It has been one of my greatest pleasures! Both Sharon and I continue to be dedicated members and love PIBYC!

**2012 Commodore Don Gokee and Lady Sharon**

## Vice Commodore's Corner

I heard many favorable comments regarding our recent "**Party with the Leprechaun**" This is the result of so many members, working very hard to make this a fun event. I want to thank my wife, Janet, for putting together the

21 gift baskets for the raffle .She called on Island merchants and gathered some great gift certificates. She baked and donated all the soda bread for our dinner. I could not have done this party without her! Thanks also to members, Rob Ault, Dean Cormier, and Jim Stewart who donated gifts for our drawing. A big "*thank you*" to our members who sold **156** tickets for this event. And, of course, thanks to all who purchased tickets or made a donation. I want to thank all of our volunteers who helped with the decorations, welcomed attendees at the door, served, and waited on tables. Thanks to our club

manager, Barb Chrysler, Chef Woody and staff for all they did to make our evening so enjoyable! And, our Leprechaun all decked out in his green Attire! Roger Dennerll PC you were the "*star of the show*"! The Irish Dance Team had a wonderful time performing for us, and would like to come back again sometime in the future. Thanks again to all of you who helped in support for our yacht club.

The **Battle of Lake Erie Bicentennial 1813-2013** is gathering momentum! Historic Weekend 2012 is just a few weeks away. PIBYC wants to be a significant player in all the events. Be sure to pick up a brochure at the Club, or check out [WWW.BattleofLakeErie-Bicentennial.com](http://WWW.BattleofLakeErie-Bicentennial.com) to see how you can be part of the celebration

**John P. Bergan, Jr, Vice Commodore**

## Rear View Forward

The last month has been very busy at our club. Lots of young people and adults, boats and trailers, sails and riggings!! We started out with the **Gardner Trophy**; the **Swim/Sail Awards**; **AYC Carson Cup**; **I-LYA** events ; **Jr. Sailors**, **Power**, and **Sr. Sailors**; ending with the **Shark Nationals**. I really thank all the individual volunteers who made it enjoyable for all.

T-Shirt sales during and after the I-LYA events are approximately \$16,311. While we don't have the final figures yet, we will have a substantial profit. Thanks to all that helped with sales. (See article.)

The Ship Store remained open for all events, and we've had sales so far this year of approximately \$7,000. The store will also have a substantial profit.

On July 17<sup>th</sup>, we honored **PC Carl Obenauf** at the Sr. Center with an Honorary Membership for this long involvement with PIBYC. It was a very nice event. Carl was very appreciative and said that his association with PIBYC had enriched his life.

PIBYC sponsored a very nice dinner prepared by Chef Woody for AYC members on July 23<sup>rd</sup>.

Woody's **Christmas in July Turkey Dinner** was excellent and very well attended event.

I am looking forward to attending the **Pelee Island / Leamington** cruise out for a little break!

In 2013 our past commodore and former club manager **Kris Miller becomes Commodore of I-LYA**. I believe it would be appropriate for PIBYC to begin making plans in assisting him with his year as commodore. This is a very prestigious honor for PIBYC. There will be special event fundraisers to help Kris defray his costs. We would like to put together a committee of those who would like to help him. Please contact Kris or Rini Miller at 440-476-2047 or Vivien Dennerll at 419-635-6914.

Don't forget our annual **Seafood Fest** on September 1<sup>st</sup>! Reservations are required. It is \$35/adult and childs' meals are \$12, 5 and under are free. Please contact our club manager for your reservations. (See article.)

Thanks to all for your support this past season, and a big thank you to my 'aide de camp' PC Roger Dennerll who is always there to help.

**Vivien D. Dennerll, Rear Commodore**

## Congratulations!

**PIBYC member Kris Miller  
2013 I-LYA Commodore**

## Adult Sailing

The **Shark Nationals** were held Tuesday through Thursday at the club and the whole thing went great. It was their 50<sup>th</sup> Nationals and they were very pleased with the club, with Barb and her staff, and they all loved it. Thanks to Kay Drake, who was the PRO, Dick Bliss and Mark Scarpelli for rounding out the Race Committee.

For the first two days we had light air, but pretty steady winds, and then got stormed out on the last day. But, that did not seem to dampen the spirits of the sailors..., they simply partied the afternoon away, then commenced to have an awesome awards party and dinner at the club. They promised they would be back.

On Saturday, August 11<sup>th</sup> the Waves started the **Late Summer Weekend Series** and Thursdays at 5:00 p.m. will be the start of the **Weekday**. We wrapped up the early summer series just before Bay Week.

**Bay Week** was great, and our local Fleet of Waves faired very well, with Doug Seib and Rick White in a tie for first place for the North Coast Wave Championship. Ray Matuszak was 5<sup>th</sup> and Jack Woehrle was 6<sup>th</sup>. Betty Bliss took 7<sup>th</sup> followed by Mark Scarpelli and Steve Abbey. Of the top 6 boats, four were PIBYC Members.

Following Bay Week was the annual **Middle Bass Challenge**, put on by Jack Woehrle. This year the start and finish line was between marks in the Bay in front of the monument and then a course counter-clockwise around Middle Bass. Winners were:

Hobie Stock Class	Betty Bliss
The Intl. Wave Class	Doug Seib
Dog/Man Wave Class	Coby (1½ year-old Golden Retriever) and Rick White

Coby was in front catching the spray from the chop sailing upwind across Schoolhouse Bay for a while, but then decided to get behind Rick and let him take the waves over the bow. No dumb dog, for sure.

### Revised Learn-to-Sail Classes

**Opti Green:** This class is for beginning sailors who have never sailed before, or are not yet ready to advance to Opti Silver. It is a very basic, learn-to-sail class. The kids are typically between the ages of 8 and 10.

**Opti Silver:** This class is for kids who have sailed at least one year and have demonstrated that they are competent and comfortable enough to learn more advanced Opti boat handling skills and general sailing knowledge. They are typically between the ages of 9 and 12.

**420:** This class is for both inexperienced and more experienced 420 sailors. If there are kids who are new to the program and their skill level is not known, or they have never sailed before, but they are too old/big for an Opti, they will be placed in this class. This class will also include anyone who was previously in the Practical Sail class. If there is a clear divide in the skill level of the group, the students will be split up into two groups at the beginning of every class. One group will be taught very basic sailing knowledge and boat handling, while the other will be taught more advanced skills. The kids in this class will be between the ages of 12 and 18.

**Racing:** There are two parts to the Racing class: Opti Race and 420 Race. At the beginning of each class, the sailors are divided into two groups. Two instructors are designated to each group. This class is for anyone who is interested in racing, whether it be in a 420 or an Opti. In some cases, a child may be encouraged to consider joining the Racing class, if that instructor feels the student is ready and capable of doing so. This class will focus on basic and advanced racing skills, boat handling skills, race tactics, and much more. It will help develop students' racing skills so that they can compete in regattas, if they so choose. For those interested and eligible for Junior Bay Week, this class will also be used to prepare them for that regatta.

**Notes:** We have combined some classes and divided others to create what we think will be a much better class schedule. The Novice class has been divided into Opti and 420 sailors, who will then be placed into Opti Green, Opti Silver, or the 420 class, depending on their age, size, and skill level. The Practical Sailing class has been combined with the 420 class. There are no separate times for Opti Racing and 420 Racing. These two groups will meet at the same time and be separated (into two groups) at the beginning of class each day.

## Swim/Sail

Here is to another successful season for the Put-in-Bay Community Swim & Sail Program! Thanks to all of those people who do so much for our kids. It's a special time in their lives when they can learn how to swim/sail, make friends, and have fun.

Three awards were given to the sailors:

The Helen B. Davis (most helpful sailor)

Sagan Kahler

Cheryl Cody (most improved sailor)

Tyler King

Gardner Trophy (overall excellence/sportsmanship)

Audrey Sheehan.

Congratulations to all of you. You will forever be part of swim/sail history!

In the swimming division:

Grady Roberts      Level 5 Endurance Award

Blake Booker      Level 6 Endurance Award

Andrea Stevens      Level 7 Endurance Award

Congratulations to the three of you!

Nick Paselsky was this year's winner of the Danny Drake award (overall excellence in swim.) Way to go, Nick!

Twenty three sailors represented PIBYC at the AYC Carson Cup in Port Clinton on July 14<sup>th</sup>.

PIBYC was also well represented at the 2012 Junior Bay Week with the following teams:

Adam Myers and Ericson Booker

Audrey Sheehan and Meredith Snyder

Josie Sheehan and Ellen Snyder

Ian Pippert-Ladd and Michelena Ballas

Tyler King and Morgan Kempf

Marisa Rudolph and Chase Clark

Sagan Kahler and Cayla Harrison

Carter Pugh and Andrea Stevens

In the 420 division Adam Myers and Ericson Booker came in 10<sup>th</sup> place out of 47 boats. A good time was had by all.

Congratulations to Josie Sheehan and Ellen Snyder for representing PIBYC at the US Sailing Junior National Championships at The San Francisco Yacht Club August 6<sup>th</sup>-10<sup>th</sup>. Josie and Ellen qualified for Nationals by finishing 2<sup>nd</sup> in the double handed (420) fleet at Semis Area E at Cowan Lake in July. The girls competed against the top 20 boats from the USA and were one of only two "all girl" teams. Conditions were challenging with consistent 25 knot winds, salt water temperatures of 55 degrees, tides, currents and sea lions but they finished the 4 day regatta 19<sup>th</sup> overall. Way to go Josie and Ellen!!

Last but not least...Thanks to all of the volunteers who spent hours of their time helping to make this all possible. It couldn't be done without our Instructors, PIBYC, the Crew's Nest, Miller Boatline, the Trebilcock Family, and the countless volunteers. This is a great program for our children to be involved in, and as the 2012 season comes to an end we always have 2013 to look forward to.
