Commodore's Briefing

The Bridge on July 4th was at the monument for the new citizen naturalization. It was very moving to see how proud they were in becoming an American! Afterwards the Yacht club provided lunch for the new citizens and their families. At 4:00 p.m. we had a great turn out for our **Freedom Party!** Live music was provided by the popular Kevin Cullen. I would like to congratulate R/C Vivien Dennerll and Roger for hosting this event! A great job was done by Bill and Gayle Worley in preparing food for the event! Tomi Johnson and Gayle Worley sold 50-50 tickets, while Bill Worley and Mike Johnson cooked at the grill in the excessive heat. Gayle along with her friends helped decorate for the event. I have been told by Barb Chrysler that the club made money for this event. Great job to all involved in making this event a success!

**"We have met the enemy and they are ours."
by Oliver Hazard Perry.**

The Bicentennial occurs in 2012 and 2013. This celebrates the War of 1812. Please see the Bicentennial agenda in this newsletter. I also recommend you view the web site www.battleoflakeerie-bicentennial.com. There are specials available such as registering your boat for \$75. Registering as a Fleet Member comes with a bicentennial burgee and decal. Also see the website for other Bicentennial events and times. In this battle reenactment, you may become a member of an American Tall Ship. This is a great opportunity for all! Should you need more information contact "The Perry Group Bicentennial Committee" at 216-586-9299.

Don Gokee, Commodore

Vice Commodore's Corner

July 4th was an exciting day for our yacht club! The bridge officers were part of a large crowd that attended the naturalization ceremony held at the Visitors Center. Federal Judge Hon. George C. Smith was the Master of Ceremonies and, as usual, did a wonderful job! To witness the new citizens take the oath of allegiance to the United States of America is something to be proud of. Debbie Parker ended the ceremony singing "Proud To Be An American" and this brought the crowd to their feet along with a tremendous round of applause. George and Debbie, thank you for being part of our history, and part of our yacht club! This was followed with a luncheon at the yacht club, in honor of the new citizens and their families. What a great way to celebrate Independence Day! Later in the afternoon we had our annual **Freedom Party** which was a fun time. Thanks to all who worked so hard to make this a fun event!

Party with the Leprechaun tickets are selling well, and we are busy getting ready for a big event. If, for some reason, you are not able to attend, please consider being a sponsor. You will be recognized for your support, and most importantly, you will be helping us offset expenses. This is our major fundraiser, and what helps keep our dues as low as they are!

As you approach the east entrance to the club, you will notice the granite marker honoring James H. Hannan. Jim was a loyal member and a benefactor to our club. His memory will be with us forever!

John P. Bergan, Jr, Vice Commodore

Rear View Forward

Our June 30th **Walleye Fest** dinner with fish caught and donated by Jeff and Heather Stewart and crew was so good! Thanks go to them and Chef Woody and his crew! We served 54 walleye dinners.

The **July 4th All-American Cookout**

provided to the new citizens sworn in that day and at our **Freedom Party** couldn't have been better. Can you imagine the excitement of the new citizens coming to our yacht club after being sworn in and meeting with the federal judges and members of our club who hosted this event? Our member, Debbie Parker, brought tears to our eyes when she sang 'Proud To Be An American.' What a beautiful rendition.

After our Freedom Party, Roger and I went out to our favorite spot on the bench at the end of our dock to watch

the fireworks. What a joy it was when our younger members' young children 6 and under arrived and sat on the dock in front of us. Their wonderment and excitement brought joy to us throughout the fireworks.

I wish to thank all the volunteers who helped with T-Shirt sales. I have found that selling T-Shirts allows you to meet everyone involved with the Regattas – from Jr. Sail, Power, Sr. Sail, and Deepwater. If you have not seen any of the regattas yet, take the opportunity to visit our club August 2nd - 5th. It's especially nice to see the youngsters come in after sailing and getting their popsicles from 'Popsicle Man Roger.' I am proud to represent PIBYC with this nice polite group of young people. Oh, to be young again and have this opportunity.

It looks like the future of our club will do just fine

Vivien D. Dennerll, Rear Commodore

Pelee/Leamington Cruise-Out

Our Leamington, Canada cruise out this year will be the weekend of August 18th. As we have done the past several years, for those who can get away a day early, we will have a Thursday evening Aug. 16th stopover at Pelee Island. We have dock

reservations at **Scudder's Marina**. While there, you can tour the island and then meet at the **Pelee Island Winery** for a wine and cheese rest stop. Following that, we will have a fabulous dinner at the **Anchor and Wheel Inn**. Friday we will proceed to the **Leamington Marina**, where they have assured us that we will have our normal close-in moorings on their new E & F docks. One advantage of the Pelee Island stop is that if the weather should turn bad, you are already over halfway to Leamington. If the weather is bad on Thursday, we'll just skip going to Pelee and leave for Leamington on Friday.

Friday evening we have reservations for a dinner theater at the renovated **Pelee Days Inn**. They will have a local theater group put on a special performance just for us. As those who attended last year can attest, the bar, appetizers, and buffet were great. Saturday you can tour Leamington, its surrounding area, **Pelee Point**, or attend the **Tomato Festival**, which is within walking distance from the marina. Saturday evening we have reserved the covered patio and barbecue pit, at the marina, for our club cocktail party and cook out. Chef Worley and his very capable crew will prepare beef tenderloin (Filet Mignon) and fresh corn on the cob. Those attending should bring hors d'oeuvres and/or a side dish to share.

Sunday is departure day for most, but in the past, some of us stay over for a quiet Sunday afternoon, followed with a great Italian dinner at **Sale e Pepe** at night. The marina has been giving us the third night at half price. All wishing to join us are welcome. For those who wish accommodations ashore, contact us for a list of B&Bs on Pelee Island. At Leamington we suggest the **Seacliffe Inn** (519-324-9266) which is just a short walk from the marina.

A sign-up sheet will be on the club bulletin board, or you can contact:

Club manager, Barb Chrysler 419-285-4505

Bob Bahney Jr. 419-285-3424.

We need an early count to lock in our reservations!

Adult Sailing

The **Free Sailing Clinic** was a great success on June 23rd. We had 19 people attend, of which only two had previous experience sailing. It was quite the challenge.

We were able to round up enough power boats to work closely with each of the sailors. We used 9 Waves and most of the boats had two people on them, and they would switch helming positions.

Thanks to **Doug Seib, Betty Bliss, Mark Scarpelli and Dick Bliss** we got them all sailing to weather, reaches and downwinds, and even got them do pretty good starts. They ended the day being able to tack, jibe, read tell tales., all the stuff required to be a good racer. We lucked out with the wind. The day before and the day after, the wind was totally dead.

The following week on the 30th of June we had the **Men's Day Regatta** (which included a Women's Division) and saw some new faces.

Top three winners Mens:

1. Ray Matszak
2. Rick White
3. Doug Seib in a tie with Steve Abbey

Womens:

1. Michelle Harman and daughter Jessica (Betty Bliss' daughter and granddaughter)
2. Betty Bliss and grandson Ryan
3. Abbey and JC

Weekdays were moved to Fridays at noon on a trial basis to see if we could get more attendance from folks that are weekenders. We got few and lost a local that has to work weekends. So, we are going back to the original schedule of Thursdays at 5:00 p.m. Just goes to back up the adage: "If it aint broke, don't fix it!"

We have only four more race days left, July 19th and 26th are the last of the Weekday Series, and July 26th-28th is the last of the Weekend Series. Our official break time is the **I-LYA Bay Week/Wave North Coast Championship**. Then we start the Late Summer Weekday and Weekend Series.

Rick White, Sail Fleet Captain

Auxiliary News

A Look Back:

- * June 24th - We kicked off the season with a car wash to benefit the PIBCSS racers. It was well attended and fun was had by all.
- * June 26th - Our first Ladies Luncheon was an evening salad potluck. I called it "*The I Hate to Cook Potluck*". The ladies really enjoyed the change to an evening to gather and chit chat.
- * July 3rd - If you happen to sit in The Bayview Room at the club, you'll notice the newly decorated lamps. During this "*Hands on Luncheon*" the ladies brought in beach treasures to embellish the old white lamps that have been around for years. They now make a statement in the Bayview room and represent women coming together to help make the PIBYC a wonderful place to be.
- * July 10th - The Silver Sails hosted a *Moosemilk Luncheon* at the club. It was well attended and Woody made a very tasty pineapple boat filled with homemade chicken salad.
- * July 17th - Thank you to **Kay Drake** for organizing the "*On the Town*" luncheon at The Keys. All ladies attending had a delicious lunch and took home a PIBYC burgee patch to put on their ditty bags on the big upcoming fundraiser.
- * The Aux sponsored 16 junior sailors to attend *Jr. Bay Week* this season. This is the largest group to attend Jr. Bay in the history of the club. The racers proudly wore the PIBYC burgee on their life jackets. The Aux will continue to support all swimmers and sailors in the PIBCSS program.

A Look Ahead:

- * July 24th - Will be a very different "*Betty Neff Luncheon*" at PIBCY at noon. Ladies are to bring a basket of their own plates and utensils to use. They may wash them or take them home dirty, just like they used to in the 50's.
- * July 31st - This "*Ditty Bag Fundraiser*" will be the last luncheon the season. Please come and support the racers by buying a ditty bag to embellish. The bags will be \$20.00 and the patches to put on them will be various prices.

Looking forward to the next few weeks!

Sara Booker, Fair Winds
