Commodore's Briefing

Our PIBYC Memorial Service held on May 29th honored all members who have passed during the last year. This is an event that all members should try to attend.

The Eye Opener that followed the Memorial Service was a great success. Many members and guests enjoyed Chef Woody's culinary creations. Joy and I were proud to have our granddaughter Ashley and her friend Kara help serve the meal again this year.

After the Board Meeting on Saturday, June 4th, nine of us boarded Bob and Judie Bahney's boat in the early afternoon and headed to the Middle Bass Island Yacht Club to attend the dedication of their new club house. Put-in-Bay Yacht Club presented Middle Bass Yacht Club with a beautiful wall piece celebrating this event. When you visit Middle Bass Island, be sure to take a look around at their beautiful new facility. You will be more than welcome.

Last but not least, as I write this article, this is the last day of our special membership promotion. It has been a huge success bringing in over 60 new members. I have had the opportunity to talk to many of these folks and they are all excited to participate in our club. More than half of the new members are young professionals with small children. Every single one of them has offered to be of help in any way. So when we need volunteers for our various functions, let's make sure to include them.

Please come to the club on Friday, July 1 to meet and greet these new members at the **New Member Cookout and Freedom Party** at 6 p.m. Read more about the details in the "Rear Forward" article on this page.

Rob Ault, *Commodore*

Ad-Vice

Memorial Day weekend at PIBYC was a day to remember. As always, Woody's Friday night dinners are both excellent and economical. Our Friday Night dinners do need your support to continue being successful for our club.

Woody's Brunch at the Eye Opener was a real winner. All had great fun with Bloody Marys and Mimosas!

If you haven't purchased your tickets for the "Sail around the World" August 13th fundraiser, be sure to do so. Tickets are going fast and when they are gone, they're gone. Read all about it on page 1 of this *Jib Sheet*.

We still need committee chairs for silent auction, clean-up, and food serving. Please call me to help with this event @ 419-356-3408. PIBYC also desperately needs items for our silent auction.

Please see me for the great Tee shirts we have available for this event. The Tees are \$12 for small to XL.

Check the *Jib Sheet* or club bulletin board for more information on cruise-outs.

I look forward to seeing you all over July 4th!

Don Gokee, *Vice Commodore*

Rear Forward

The Memorial Service and The Eye Opener was a great success. More than 80 members and guests attended. Thank you to all those who took part in the program and the volunteers who helped to make this an enjoyable event.

Sunday, June the 5th, we hosted the Antique Car Rally at our club. Many of our new members added to this group which brought the total guests to 100. The meal prepared by the Millers disappeared in a flash! Everybody had a fun time. We even had a few membership applications turned in after some figured out PIBYC is a fun place to be.

July 1st we will have the New Member Welcome Cookout & Freedom Party. There will be no regular Friday Night Dinner. This is your opportunity to meet and welcome our new members and really have a lot of fun. Our bar opens at 5:00. Beer and wine may be purchased for \$2. We will be featuring a specialty drink called "The Salute". You will get a "**bang**" out of this one! Music will be provided by Rich (Rocking Richie) Hahn. If you have not had the opportunity to be with Rich before, you are in for a great evening of entertainment!

At 5:30 we will start our cookout, featuring hamburgers, cheeseburgers, hot dogs, potato salad, baked beans, veggie tray, watermelon slices and dessert. Adults \$12; children (6-12) \$6. Children under age 6 no charge. We will be using a hand-stamp to identify those who have paid for the meal. We will also have a 50/50 raffle. All this followed by Fun and Games!

As usual it takes a lot of work to put on this event. Volunteers are most welcome. A sign-up sheet will be posted in the club, or you can call the Club at 419-285-4505. Thank you for your help on this!

The PIBYC Progressive Dinner will take place on Saturday, July 30th. This is something you will enjoy. See the "Progressive Dinner" article in this *Jib Sheet*. Just fill out the sign-up form and mail it to the Millers along with your check.

July is going to be a busy and fun month for all!

Hi and Happy June!

We all owe a huge thank you to Barb Cooper, Todd Blumensaadt and Laura Coviello. The new playground is underway. The swing set, so generously donated by the Trebilcocks, is now in it's new home in the yacht club yard. It has been secured and is ready for kids. Island Hardware is very generously donating the timbers we need for a perimeter and will help place them. The plan is to put mulch under the area for a comfort level and we will be approaching Fox Stone to see if they can accommodate us with that. I feel that we have certainly had a lot of support from our community in our endeavor and we should all appreciate the help. It would be great to add a picnic table or two and maybe a sandbox. I think it will be well-used. So, don't forget to bring a dish and a kid (if you have one available!) and join us for our playground celebration on the 28th of June. Sara and I will supply pizza for the kids and drinks, so please bring a summery dish to pass for the buffet. We will just pass the hat for a donation for the playground. The time is 6 - 8 pm, so hope to see you there!

At the June PIBYC Board Meeting we were told that we have at least 50 new members! What a great big deal this is and we welcome all our new members and encourage the folks to attend our lunches and participate with all the activities coming up this summer. The after-party we hosted after the antique car parade on Sunday was also a welcome party for our new members. We had several there that we were able to meet and show off our club. I think the event was a big success. So, when you meet a new member it would be great to get to know them and give them a big welcome.

That's all for now, so hope to see you on the 28th (and don't forget the car wash on the 24th).

Candy Baker, Auxiliary President

PIBYC has obtained a name tag design for its members. Using nametags will be a great way for all to get to know our member's names. The cost of the magnetic fastener nametag is \$8.50. Send a check made-out to PIBYC and send to P.O. Box 51, Put-in-Bay, OH 43456 along with the way you want your name presented on the nametag. Finished nametags may be picked up at the club.

PIBYC is cruisin' north in July Old Club July 10th-15th

The Detroit Yacht Club July 15th-17th

We will rendezvous as guests of the Old Club (42-32-3 N; 082-40-156 W) on Harsens Island in the South Channel of the St. Clair River July 10th-15th. The Harbor Master monitors VHF 9. You must call in for a dock assignment when you arrive.

You may sign-up for as many days as you would like at either Club. Plan to arrive early if you can and take advantage of the facilities. Throughout the week there will be plenty of leisure time for tennis, croquet, trap shooting or golf. Longest hole is 120 yards, so bring 7-9 iron and putter. The pool and bar will also be open for your enjoyment.

Bring your dingy and ply the beautiful arteries of the St. Clair River's endless haunts. We will be venturing out to explore various watering holes and eateries throughout the week. Don't have a boat? Boat too small but you would still like to dingy around. Trailer it up and stay at the Old Club's "Ritz Hotel" right there on the island with your cruising comrades. Cost is \$96.00/night (plus tax). Call 810-748-9931 and make your reservation. Be sure to ask for the gate code or give me a call if you forget. Dean Cormier 734-755-7373.

We will gather to share stories of the days exploits and enjoy hors d'oeuvres and dinner on Wednesday and Thursday evening as well as Friday for breakfast before departing to the Detroit Yacht Club on Belle Isle. No rush to check-out, you are welcome to indulge up to 3 p.m. on Friday. Dress is casual so long as men always wear a collard shirt and everyone leaves their blue jeans in their lockers. Bathing suits by the pool only and no hats indoors for the gentlemen. Feel free to serve cocktails on your boat but you need to abstain from consuming private stock on the docks or anywhere on the premises.

Check in at the office when you arrive and get your club ID number for the duration of your stay. All purchases will go on account (no cash) and your final bill will be mailed to your home. Cost per head will be approximately \$100.00 for the planned meals only, including tax and gratuity, depending on what you order Thursday night which will be a menu selection. All beverages and any other meals or ships store items you opt for at the club are at your own additional expense. There is a \$20.00/per day/per person grounds fee which provides for complete access to all the Club's facilities. Dockage is \$1.75/foot/per night and trap shooting is \$15.00/round including shells and use of a shotgun.

The Harbor Master at the DYC also monitors VHF 9 and will give you your dock assignment when you call in. Dockage is \$2.25/foot/per night. We will plan all of our activities at the DYC on the fly as we wind down the week and gear up for then next. As with the Old Club alcoholic beverages may not be brought up to the club house, pool or patio areas. A dress code applies throughout the clubhouse. Boating and causal attire is permitted on the first and third floors. In the Front Lobby and on the second floor, a sport jacket or suit and tie are required for gentlemen, with women appropriately dressed. Bathing suits are permitted outside and in the locker rooms. Men are asked to remove their hats anywhere in the Clubhouse.

Sign up for a fabulous time at the at the Old Club and the Detroit Yacht Club on the PIBYC bulletin board or call Power Fleet Captain Dean Cormier 734-755-7373.

Progressive Dinner

Saturday, July 30

Once again the Yacht Club will be sponsoring a Progressive Dinner

If you have never attended a progressive dinner, this is how it works. First, you **MUST** have an advance reservation. It is impossible to add people at the last minute so no reservations can be accepted after July 23rd. When your reservation and check are accepted, you will receive a confirmation card and will be assigned to a home for cocktails and hors d'oeuvres. At that house, sheets will be posted telling you where to go for salads, and at the salad houses dinner assignments will be posted. Following dinner the group returns to the Club for dessert and coffee.

If you do not have a car on the island, you can still attend the evening. Indicate on the form that you will need a ride. We will arrange for someone to take you to the first house and rides will be with people going to the same salad and dinner houses. This has worked out very well over the past.

The cost of the dinner is \$20.00 per person. In addition, in order to participate, it is necessary to either provide hors d'oeuvres or dessert, act as a host house (all the food is delivered to you...you just serve it) or serve on a committee which will plan, purchase, prepare and deliver the food to various houses. All committee members will need to be available on Friday night or Saturday afternoon.

If you plan to attend, please fill-out the form below and return it along with your check to:

Kris and Reni Miller, PIBYC
P.O.Box 5,
Put-in-Bay, Ohio 43456

Send in reservations early. Due to space availability, the number of people who can be accommodated is limited. **NO TELEPHONE RESERVATIONS WILL BE ACCEPTED FOR THIS EVENT.**

Dear Friends,

Safety concerns have made it necessary to add a new safety boat for our sailing program. The PIB Community Learn to Sail program has a record 70 plus sailors for the 2011 season. The current safety boats are 11 and 13 foot, 1976 Boston Whalers. The boats were graciously provided and maintained by members of our community. The current boats are not large enough to carry four sailors safely.

Please help us reach our monetary goal of \$15,000 to purchase a "new" used, approximately 16 foot safety boat. The boat will meet the needs of the safety regulations and provide peace of mind during a bit of weather when children are transferring from small sailboats to the safety boat.

The PIB Community Swim/Sail Program is a fully vested 501(c)3 organization.

Thank you for your support,

Sara Booker, President
