A major investment that should prevent problems for many years! What started out as a resurface of the roof turned out to be much more expensive than anticipated. Our contractor discovered a great amount of deteriorated wood, and a serious structural problem. Time and materials on this project put a serious strain on our budget. When you remove shingles, you never know what lies underneath. Well, we found out! We also finished the new bar and added new bar chairs. Unfinished projects include new carpet for the back hall, lighting over the bar, and taking care of Chef Woody’s stove problems. Our member’s response to the request for promissory notes has been tremendous. We still need to issue 25 additional notes to complete our goal. Many have expressed an interest in helping with this, but for one reason or another, have not responded. Please help with this final push to “cross the finish line” Thank you very much for your continued support.

Commodore’s Briefing

What a pleasure it was to see so many dedicated members working to transform our club, inside and outside, for our busy season. A thank you goes to TNT Horticulturists to our members Tommy Thompson and Boo for their assistance and including a few extras – we are trying out a new all season fertilizer. My really big fundraiser, FIESTA DEL MAR, Festival of the Sea, is to be held on August 24. See ‘Save the Date’ article. Please make your reservation - tickets are $50 per person and will be available mid-June. We appreciate your help in supporting this event. Any door prizes or help you may offer will be greatly appreciated. Don’t forget to support I-LYA Commodore Kris Miller by attending our Murder Mystery dinner/theater on June 1 – see article. The Ship’s Store was painted and decorated and is stocked with many new items you will want to check out. You will also want to check out our new ‘Sale Box.’ The Ship Store will be open for all events. We should all be proud of our new Bayview Room’s new look. Much time and effort by many was put in for all of us to enjoy. Commodore Jack is making sure that our club will be in great shape for years to follow, and I am looking forward to a great – and busy season! I will be attending all cruise outs. Please see Fleet Captain Roger’s cruise out articles. They should be great fun for all!

Our Club now has a new roof. The flat roof has a new rubber surface and 3 new air handlers. The fourth air handler was purchased 2 years ago.

Commodore’s Briefing

We started of the season with a big bang as hordes of members mobbed the yacht club on Cleanup Day., people were everywhere inside the building polishing and dusting and cleaning until there was nothing left to polish except one’s toe nails. And outside was even busier with flowers being planted, fertilizer being wheelbarrowed everywhere, decks being cleaned, windows washed, it was quite a site to see. To top off the morning Woody and company put on a great complimentary luncheon, just to seal the deal. Great participation! Many thanks to all! A great Memorial Day Event is coming soon and not to be missed. Last year it was a beautifully done ceremony, topped off with a 21-gun salute by the American Legion Rifle Squad, and this year promises to be even better. Whatever you are doing on the weekend be sure to include the service in your plans. You will love it.

Rick White, Rear Commodore

Rear Forward

We are already in full “swing” for the summer! The bar is done and absolutely beautiful. We have new bar stools, new roof, new A/C units, new mantle (Thanks Commodore Jack and Lady Janet!), new large screen tv’s, new frozen drink machine and an upbeat attitude for 2013! Clean up day went great (thanks everyone). We’ve already hosted 2 weddings, had 2 Friday night dinners, Mother’s Day Brunch, our moving Memorial Day Service and our Eye Opener brunch Thanks Woody for all the delicious meals! Our first June dinner will be Saturday June 1st to benefit our own Kris Miller as he heads into summer as the Commodore of the I-LYA. It will be a mystery dinner and reservations are a must. We can only accommodate 100 people. Call the office (419) 285-4505 to make your reservation and come out and support Kris! On June 2nd we will again be hosting a cookout for the antique car parade. June 8th we will be having a party in the tent for the Mill’s Trophy Race. I need you! There is a sign up sheet on the board for the various help needed. Last year we had a great group of about 20 people who came out and helped and I need at least that many people this year. Please come and get involved. Who knows, you might have fun! There will be an early breakfast (7:30-9:30) on Sunday, June 9th and you’re all invited. There are two weddings scheduled in June. They will be on June 29th and June 30th. I must need my head examined for scheduling 2 weddings on the SAME weekend! The club never looked better and it’s going to be a fun year. Please come in to see all the changes and support YOUR club!

Adult Sailing

We will begin our Early Summer Series Weekday and Weekend Series on Thursday May 23rd and Saturday May 25th. We will be sailing weekly on Thursdays at 5 PM and Saturdays at Noon. We normally have extra boats, should anyone want to race with us... including junior sailors – the competition is awesome in this fleet and would help them immensely.

The Fleet is just itching to do our Sailing Clinic on Saturday June 22nd starting at 9AM. Registration will begin around 8:30, boats will be supplied and our entire fleet will be on the water coaching.

I ran three promotional articles in the Gazette, one in the fall, and two this spring, and have had a lot of people asking about it.

Consequently, after we have developed a great array of awesome sailors from the Clinic, we will have the Men’s Day Regatta (With a Women’s Division, of course) the following Saturday of June 29th. No entry fee, boats provided and round-robin affair.

Starts at 11AM

Huron/Vermilion – June 13/16

We are again privileged to continue with our cruise outs for our Lake Erie cruising season with a rendezvous at the Huron and Vermilion Yacht clubs for the third cruise out of the 2013 season.

Members not traveling by boat are welcomed and encouraged to sign-up for any and all events. Thursday night dinner will be at the Huron Yacht Club – Cocktails 1700 & Dinner 1800. Friday night dinner will be at the Vermilion Boat Club followed by an evening of socializing at the VYC docks – Cocktails 1700 & Dinner 1800. Bring your dinghy for an afternoon run on Saturday or enjoy a tour of the village, shopping, beach, walking, the Inland Seas Maritime Museum, or a river tour by water taxi. Meals on Saturday are on your own or with friends at one of the area restaurants or on your boat – however, stop by for a hot dog & chips at noon by Fleet Captain Roger.

Crow’s Nest – June 23

Join us for a delicious BBQ buffet dinner at the Crow’s Nest in Marblehead, OH for $15. Travel by boat to Anchors Way Marina who will be monitoring channel 73 for docage. Or take Ohio Route 163 East to Ohio Route 269 North, 2170 North Buck Road, located just past and across from East Harbor State Park exit. Assured parking or docage available for all. Check with Roger to see if boats leaving from and returning to PIB have extra room to take passengers. Arrival time is 1700 and dinner is at 1800. There will be a cash bar. Sign-up sheets are posted at the club for both cruise outs or contact Roger Dennerl, 419-635-6914 or rdennerl@roadrunner.com. Let me know where else you would like our cruise outs to visit!
