Middle Bass Picnic for Family & Friends

Saturday, August 7 • 12 noon-4 p.m.

Boats will anchor in the bay and bring hors d'oeuvres to share with others. Bring your favorite libation to wash down the appetizers! If you don't have a boat available for this outing, try to match-up with someone who does. A sign-up sheet is posted at the Club. Directions to the site are posted at pibyc.org through a link on the events page. Wear your bathing suit!

On the beach, the committee will cook hot dogs and burgers and offer soft drinks. If anybody has any fun games we can play in the shallows, bring along your ideas! The bottom is soft sand up to just a few feet from shore, before changing over to a rocky beach. In case of inclement weather, we will celebrate the Schoolhouse Bay outing at the yacht club pavilion. Plan to attend, it is always fun!

Pancakes and Dinghy Days at the Bay August 28, 2010

A big thank you to all of our friend's at the Put-in-Bay Yacht Club for your prayers and support during Polly's sickness and her passing. A special thank you to all of the club ladies who helped with the tea sandwiches, the set-up, the serving and the beautiful flower arrangements. Thank you everyone. There is no other support group as great as that of the yacht club and the whole island; it meant a lot during our time of sadness. What a group of friends. Thank you.

Commodore's Briefing

We are about to enter a busy time for our yacht club. There are a lot of very positive things that are happening, and I believe it is a good time to give everybody an update on what individual members of our club are doing to make it all that it can be for the benefit of our members. While sometimes it appears that everything is not going as it should, I believe it is important to look at what is going right.

As the I-LYA returns this year we have found a good relationship with those individuals who are looking to work with PIBYC to return many of their events to our club.

I am very pleased to report that our new sail fleet captain Rick White has brought to the forefront our sailing members. Rick was inducted into the Sailing Hall of Fame in 2009 and recently won a North American Championship. Because of Rick and members of our sailing fleet, we are very pleased to host their Hobie Wave North Americans.

Our 2010 auxiliary president Laura Booker Coviello and her husband James Coviello M.D., our new fleet surgeon, have brought a new vision to our club which involves the younger members.

Our fleet power captain Dean Cormier, with the assistance of Bob Bahney, Jr. continue to provide interesting and fun ports of call for our cruisers.

Our club treasurer Barb Cooper has worked very diligently to make sure we are financially sound.

We should all be very pleased with our publications, newsletter, and website, and the dedication of our year-book editor, Marilyn Paselsky, our Jib Sheet editor Linda Dettmer, and our webskipper Chris Cooper.

Our board of trustees spend many hours of their own time doing repairs, helping, researching, and just taking care of our investment, the PIBYC.

I believe we are fortunate to have Kris and Reni working as hard as they do for us so that we may enjoy our club. They are always trying to improve our services.

Thanks to my wife Vivien and her furniture committee we will soon be enjoying a completely refurbished Bayview Room.

One only has to walk into our bar and see the smiling faces of our volunteer bartenders Dave, Kathy, and Ursula, and many others who make our day just a little more enjoyable.

So I guess when a Friday night dinner is not what we expected, an event is not what we think it should be, or there are those that think that we, they, or us are on the wrong track, I think about all of the positive things that are happening and how we may work together to make our club the best it can be.

Ad-Vice

Please support our fundraiser "That's Amore". Many of our members have not purchased tickets as yet. Don't get shut out; we are only selling a limited number of tickets and when they are gone, NO More will be sold.

For club cruise-outs please check the calendar in this Jib Sheet. Dean Cormier is doing a great job keeping the club on the water. Sign-up sheets are in the club house on the bulletin board. Cruise-outs are where lasting friends are made; if you can't bring your boat, make arrangements to drive and spend some quality time with your PIBYC buddies.

Rear Forward

The Pirate Dinner on Saturday, June 26, though not well attended, was excellently prepared by Chef Woody! Thanks to all who helped support the dinner!

PIBYC Freedom Party on Saturday July 3rd was a great success with Josh and Jordan combo! All raved about how good the music was! If you did not attend, you missed a great event! PIBYC was very lucky to have a large number of guests attend the festivities! Hopefully this will bring new members to the club. We had a family picnic with burgers, hot dogs, and pork loin BBQ sandwiches, homemade potato salad and special baked beans. PIBYC new members Bill and Gayle Worley did a great job in the preparation of the food! Thanks to all the volunteers who helped decorate and organize the event!. Without you volunteers, it would have been impossible to accomplish this event! Club members please help support your club by coming into our Friday night dinners and special events! The next great event is the Fund Raiser "That's Amore" on Saturday, August 14th. Your help will keep PIBYC prosperous! Call the club manager Kris Miller (419-285-4505) or Rob Ault (614-306-1900) for tickets. There will be great prizes for the event!

Please see the *Jib Sheet* Calendar for the end of July and August events! Our club will be a very busy place and we hope you will join in on the fun.

Donald Gokee, *Rear Commodore*

PIBYC Cruise-out to Clinton Reef Club

Thursday August 19-22 2010

The Leamington Municipal Marina was devastated by a tornado this past June and they are unable to accommodate our traditional August cruise-out. We have elected to change our heading and set course for the Clinton Reef Club in Port Clinton, Ohio

Arrive by land or by sea, but either way bring your dinghy as we will be plying the back waters of the Portage River looking for that special beverage and great places to dine. Thursday night we will shoot from the hip depending on everyone's arrival schedule. We'll gather for an evening meal. (location TBD) We'll cruise the river and stop for lunch along the way on Friday and again on Saturday. Bring a hors d'oeuvre to pass and something to throw on the grill for Friday evening. On Saturday dinner will be catered by Bar-B-Q Bills (approximately \$10pp) preceded by cocktails in the Clinton Reef Party Room. Dockage is \$25/boat regardless of size. You're on your own for breakfast. Dine aboard or venture out if you choose. Please call me at 734-755-7373 if you don't make it to Bay to sign-up or need more information.

Dean Cormier, Power Fleet Captain

ADULT SAILING

The adult sailing has two series that started in May and will conclude just before the I-LYA Bay Week Regatta. There is a Weekday Series and a Weekend Series. The boats in the fleet are Hobie Waves, a 13' catamaran that is made of plastic.

For the Weekday Series, the class has already had ten races with eleven sailors contending. Rick White leads the series by 4 points over Ray Matuszak, following them are Patrick Green, Steve Abbey, Jason Cooper, Betty Bliss, Mark Scarpelli, John Shockey, Jack Woehrle, Dick Bliss and Kyle Abbey, a 12-year-old, who is in the Swim/Sail Program.

For the Weekend Series has nine sailors with twelve races under their belt. Rick White is again leading this series by 6 points ahead of Steve Abbey, then Mark Scarpelli, Betty Bliss, Ray Matuszak, Dick Bliss, Steve Attard, Michelle Harman and young Kyle Abbey.

Everyone is practicing up for the upcoming Wave North American Championships which will be held in conjunction with the I-LYA Bay Week Regatta.

Oooops... Bill and Lois Jellison were omitted from the 2010 PIBYC yearbook due to a data glitch. They joined in 1961 and will celebrate 50 continuous years of PIBYC membership in 2011. The information that should have been included is:
