Commodore's Briefing

The club is active again and we are moving full-steam ahead into the 2008 season. The Clean-up Day was extremely successful. Special thanks to RC Roger Dennerll, Auxiliary VP Vivien Dennerll, Marilyn Paselsky, Chef Woody and all the volunteers!

I hope you have had a chance to meet our new club manager, Rudy Cooks. Rudy has done a fantastic job getting the club organized and operating. He has brought a new energy and creative outlook to the club.

This season will be exciting and busy. New this year is a golf outing at Saunders on Father's Day. See page one for details.

Looking ahead to July, Our club and the Middle Bass Island Yacht Club will have a joint Freedom Party celebration on Saturday, July 5th. There will be kids' games, activities and great food – you won't want to miss it. Hope to see you all soon!

Commodore

Club Manager Notes

Thanks to everyone who came out for this year's spring clean-up and first-ever Mother's Day brunch. Both events were a huge success and a great start to the 2008 season. I enjoyed meeting some of you for the first time and appreciate everyone's gracious welcome. It's exciting to be part of an organization where so many are actively involved.

In the weeks ahead I encourage people to start using their marine radios when contacting the club upon arrival to the Bay. We are now monitoring channel #74. If you make contact as soon as you enter the area, it will help us arrange for your dock and provide assistance in the shortest amount of time possible. Using the marine radio will also help free-up the club phone for other business.

As we prepare the yard for this season's rental spots, I'm asking members to please check in with me as soon as possible and secure your space. If you already have a vessel in the yard, it is important that you let me know ASAP as we are in the process of putting markers on the lot. Please let me know which vessel and or vehicle is yours to avoid any misunderstanding as the new system is put together.

Thanks again for your membership. I realize it is important to many that we don't lose sight of the many traditions that make the Put-in-Bay Yacht Club such a wonderful place. I welcome your input in the months ahead as I work closely with your Commodore to make a good thing even better.

Club Manager

Ad-Vice

I'm so excited that this season is upon us! Many thanks to new Club Manager Rudy Cooks and Chef Woody. Because of their enthusiasm for the new season they have been working hard to get things rolling and will be introducing some fun, new ideas.

Another great piece of news is that our new refrigerator/freezer is in place and by the time you're reading this, it will be hooked up and running!

To get the summer going, we have two Cruise-outs this June which includes the ever popular Vermilion and Nor'easter Club. Both are always fun events. Read about them on page one and three.

You really are going to want to attend our first big club party this year featuring a delicious dinner with Polynesian flair prepared by Chef Woody followed by a widely popular sunset cruise on the Miller Boat Line. This fundraiser will be held on June 21 and you really don't want to miss this. Call 419-285-4505 or sign-up on the bulletin board.

Once again, it's my pleasure to serve as your Vice Commodore and I'm looking forward to seeing you at the club.

John Spencer
Vice Commodore

Rear View Forward

It is exciting to watch a plan come together. In early January, my wife, Vivien Dennerll and Marilyn Paselsky began planning the flower plan for Clean-up Day despite the fact that Marilyn was in two feet of snow and Vivien was walking the beach in Florida. On May 10th their plan came together. 63 members came together to present which only could be described as a 'spring into spring' event as in four hours our club was miraculously transformed into a place we can enjoy the rest of the summer. Many thanks go out to all those who assisted. This is what makes our club so special. See the "Take a Bow" article for those who lent a hand.

Please plan on joining us for the Memorial service and the Eye Opener on May 25. This brief service honoring those members who have passed away will precede the Eye Opener. See article on page one.

If you have not met our new manager, Rudy Cooks, stop by and introduce yourself. He is very positive and upbeat and wants to make our club the best it can be. Give him your ideas.

Did you ever notice how many windows our clubhouse has? Thanks to the outstanding efforts of Barrie, they sparkle! Several members watched Barrie as he went about the "job" he chose on Clean-up Day. Great Job Barrie and thanks! Hmmm. Wonder if he does the windows ...?

Of course, Barrie was using Spencorp Glass Cleaner to do the job!
