EYE CLOSER BRUNCH
The Eye Closer brunch after the Change of Watch has been cancelled. This year we will not be closing the “EYE” until the end of October in order to have a Halloween Party!!! Read about the party plans on page 3 of this Jib Sheet.

VOLUNTEERS NEEDED!!!
PIBYC has been a volunteer-based club since its inception. Some old-time members can still remember the days when there were no employees, no bar, no food service, no dock and the club sat dark most of the time. PIBYC has evolved into a full-service yacht club, but your volunteer help is still desperately needed. We are fortunate to have numerous member volunteers who donate hours, talents and services to our club. Thanks to the generosity of our volunteers, we have been able to keep our costs down and offer more events and services.

In order to continue our growth as a club and keep prices low, we need the help of every member. Please sign-up for an event committee, help at a Friday night dinner or consider supporting the club as a board member and share your professional expertise. Volunteering is a great way to support your club, meet new friends, and become an active member. If you are able to help out at an event, just contact Club Manager Rudy Cooks (419-285-4505) or a Trustee about your willingness to help with one of the many needs of your organization. Any and all help is greatly appreciated.

Volunteers are one of our greatest assets – please remember to show our volunteers how much they are appreciated by continued patience and kindness.
Commodore’s Briefing

The weather is cooling, but boating and club activities are still going strong. Chef Woody continues to provide delicious Friday night dinners and the Change of Watch Banquet is just around the corner. In the past, the “Eye” closed “the Season” the day after Change of Watch but this year, we have decided to keep the “Eye” open until the end of October.

For the first time, PIBYC will host a Halloween party that will be fun for the entire family. Autumn is my favorite time of year on the island and I hope you all have the opportunity to come and enjoy the beauty, fun and splendor of the season.

Commodore

Ad-Vice

Well, even though some schools are beginning, the summer activities are still going strong at the club. The participation at School House Bay was just short of twenty boats with approximately 60 people enjoying that gorgeous summer day. Roger Ingle and I cooked burgers and brats and, of course, we had tons of food that everyone brought to share. It was truly a fun, fun day.

Cruise-outs for September are Toledo Yacht Club and Cedar Point. Check this Jib Sheet for more information and the sign up sheets are on the board in the club for both.

I do want to thank all the members who supported the fundraisers and parties this year. It’s nice to have a great party and raise money for the club at the same time.

I also want to thank all the members who arranged the cruise-outs. Even when the same person does the planning, it still requires a lot of time.

Finally, consider attending the Planning Meeting on Friday night, October 3rd at 1900 hours. This is your club so come and share some fresh ideas. It’s always nice for you to know what’s happening first-hand.

Hope to see you at the club at one of our fall activities.

Vice Commodore

Rear View Forward

The I-LYA Regattas consist of a Junior Sail, Powerboat, and Senior Sailboat and are the largest events that PIBYC hosts throughout the year. My wife, Vivien, and I were very fortunate through the hospitality provided by Steve and Polly Nagy to personally attend and participate in all of the activities. We both had heard from others how time consuming and involved these events could be and, more importantly, how much is expected of the host club, PIBYC and its members in order to make it all come together. On any given day we could count over 30 PIBYC members giving of themselves and their time, day after day, some up to 10 hours a day working side by side with the I-LYA staff and committees. The events were well organized, on time, and we did not hear a single complaint, only positive praise about the PIBYC members and their cooperation.

I would personally like to thank all of our members who contributed to making the regattas successful as this reflects well on our club. Steve and Polly Nagy put together a staff of volunteer bar tenders who covered our bar sales for over 210 hours and brought in over $8,000 in sales. Marilyn Paselsky and Bob Bahney III put together a staff, coordinated by Vivien Dennerll, for I-LYA T-shirt sales which sold over $12,000. Hot dog sales were coordinated by Marylou Ramsbottom who put together a volunteer staff providing hot dogs, chips, drinks, and fruit to the participants of Powerboat and Sail Regattas. Pati and Raymond Arth ran the hot dog sales during Juniors when no other food was available to them. Laureen Mooney and her staff of volunteers could be found in the early morning hours providing breakfast and lunch to the juniors as well as other meals throughout the regatta, along with our Commodore Jennifer Kahler who would appear early to wash pots and pans and come back later in the afternoon to serve lemonade and cold water to the Junior racers. Kris and Reni Miller and the crew of volunteers provided an excellent steak roast. Rose Kahler could be found assisting Woody and provided Vivien with extra geraniums to plant so that our grounds could look a little better. Our VC John Spencer and Sharon filled in wherever needed. Other members of our club provided support and safety and coordinated the race courses with I-LYA. It should be noted that some of these volunteers have been participating for over 30 years!

I can assure you we can all be very pleased with our manager Rudy Cooks and his staff. His dealings with the I-LYA were positive and professional and he provided any and all services necessary in a timely fashion and represented our club very well throughout the year. I would also like to thank the past commodores, past presidents and long time members for the time they took to sit down with Rudy and myself to inform us of what would be expected of PIBYC and its members. I greatly appreciated the time Ed and Abigail Skoch spent with Rudy and myself before the regattas so that we were aware of what would be expected and needed. I enjoyed working with I-LYA Commodore Jack Attkisson and his flag officers. Jack, past commodores and PIBYC members cooperated and assisted in every way possible.

A special note to my wife Vivien, “I appreciate your support and time as you made it much more enjoyable working together.”

Auxiliary

It is hard to believe that the summer has wound down. The Ladies Auxiliary luncheons are over. Thank you to all who volunteered their time and efforts to make these luncheons so successful. Again, thank you to Alice Boag, Ginny Trethewey and Susan Fegen, your luncheons were great. Thank you to the Upperdeck for hosting our “On the Town” luncheon. The Silver Sails out-did themselves. “Food from the Decades” was enjoyed by all, as was all the trivia that we had forgotten from those decades gone by. Woody prepared the food for the last two luncheons held at the club and the food was superb. A special salute to Woody. Thank you for all you do!

Susie Chrysler featured clothes from the Misty Bay at the July 29th luncheon. Her clothes were the cutest, as were her models. Kim Pugh from the Puddle Duck did a fashion show at the final luncheon hosted by Sally Duffy on August 12th. The model and the clothes were terrific.

A special thank you to Laureen Mooney and her many volunteers for the hours they spent preparing food for the junior regatta.

I would like to wish the best of luck to next year’s officers, Vivien Dennerll, president, Laura Booker Covello, vice-president and Candy Baker, treasurer. This is a wonderful slate of officers and I am sure that next year’s luncheons will be even bigger and better.

As my term concludes for 2008, I would like to thank everyone for your support and concern for the Ladies Auxiliary and the Put-in-Bay Yacht Club.

Smooth Sailing in 2009.

Auxiliary President

Club Manager Notes

My first regatta as Club Manager is now all but a memory. Many members gave me fair warning and most of your input proved beneficial and true. It was a busy three weeks, but three weeks I must say I truly enjoyed. I attribute this to the incredible volunteerism by Put-in-Bay Yacht Club members, I-LYA volunteers, and the Put-in-Bay Yacht Club staff. Our employees found it extremely easy to work alongside so many willing volunteers. Whether it was a steak roast, fish fry, awards ceremony or past commodore’s reception...people were positive, helpful, and caring. I look forward to our club hosting many regattas to come.

I-LYA JUNIOR RACE WEEK WRAP UP

For the second year in a row, PIBYC sailors Gage Auger and Kate O’Brien qualified for the 420 Championship fleet at the I-LYA Junior Race Week, finishing in 7th place. All in all, eight PIBYC juniors competed in three fleets. Colleen O’Brien and crew Audrey Sheehan finished 7th in the 420 Commodore Fleet. Michael Trebilcock raced in a laser and Colleen Mooney, Kevin Schnieders, and Alyssa Trebilcock competed in a Thistle, finishing third in the Commodore Fleet. Thank you PIBYC for your generous financial support for these juniors.

PIBYC HOSTS THE AYC CARSON CUP

On July 12th, thirteen junior sailors from PIBYC competed out in the bay against seventeen sailors from Grosse Ile, Jolly Roger, North Cape, and Toledo Ice for the AYC Carson Cup and Junior Carson Cup Trophies. Top finishers for PIBYC in the 420 fleet were Gage Auger and Kate O’Brien who finished in second place. Our Opti sailors also did well. In a ten boat fleet, John O’Brien finished second behind Sam Rush from NCYC. Josie Sheehan, Zoly Urge, Adam Myers, and Ericson Booker finished 4th, 5th, 6th, and 7th, respectively. These young sailors, ages 9-12, along with John Ballas and Bobby Prendergast, also traveled to Port Clinton on July 26th to participate in the I-LYA Opti Championship regatta. John O’Brien finished second overall and Josie Sheehan was second in her age division and 6th overall. More importantly, every one of these young sailors, including Gunnar Auger who competed in Sandusky, improved their skills, increased their racing knowledge and confidence and made new friends. Watch for these young sailors in the future.
