Commodore's Briefing

Many thanks to those who turned out for the clean up and Board of Directors/committee meeting on May 12. Our staff managed to handle a large wedding reception, too. On a somber note, a long-time member and auxiliary president, Fran LoPresti, passed on recently. Her memorial service and reception were also held on that same day. She will be missed by all.

Solid progress reports were made on memberships with new membership making up for any losses. Our treasury is sound. The cruise outs are well organized and special events such as the 07/07/07 party will be spectacular.

Just a reminder that we want volunteers for Friday dinners and to sell our all new Ship's Store merchandise. More about Junior Sail and Regatta as the season goes on in the next issue. See you at the Club.

Rear View Forward

The turnout for the Clean-up was phenomenal this year!! The clubhouse is now in ship-shape condition for the summer season and the yard is decked out with gorgeous flowers. I'm totally amazed at how smoothly this whole process occurs thanks to Jack and to our dedicated members. The volunteers were rewarded with a delicious homemade lunch of Jack's special bean soup accompanied with sloppy joes and all the fixings. Many, many thanks to everyone who worked this into their busy schedule!

We have many friends to be honored at our Memorial Service this year. Please be sure to keep the last weekend of May open for this. As usual, it'll be followed by the Eye Opener.

I'd like to take this time to mention that I'm honored and pleased to be serving as the Rear Commodore for PIBYC. As the new kid on the block, I appreciate all the advice and guidance I've received. I'm looking forward to doing my part to continue the traditions and insuring that PIBYC remains a great club.

TUESDAY EVENING ADULT/FAMILY SAILING

Community Swim/Sail invites adults and parents with pre-teen and older children to participate in four Tuesday evenings of supervised sailing beginning June 19th from 6:00 pm until sunset. These sessions are for those new to the sport and also for experienced sailors looking for some time on the water. Please call Sara @ 419-285-7272 to let us know you are interested.

PIB COMMUNITY SWIM/SAIL PROGRAM

Registration was completed in early May and we are now busy dividing up classes, readying equipment and preparing the classroom space in the new barn addition. Special thanks to Bob Bahney and his crew for completing the wiring. Our sailing instructors this season will be Tim O'Brien, Kevin Bradley, and Christine Rice. Kelly Rupp, who assisted Anne Auger two years ago, will be our swim instructor. Dan Drake is back to do evening endurance swim classes.

We have a bumper crop of beginner sailors and a new "420" on order to help meet the needs of our experienced racers. Thanks to your ongoing support, our boats are in good shape and with last year's addition of the third Whaler, we are able to safely instruct separate fleets on the water. We are anxious to settle all the equipment into the new barn addition and get on with another safe, successful season.

If you have questions about the program, please call Anne at 419-285-7663 for swimming and Jane at 440-227-0626 for sailing.

Auxiliary

Our luncheon schedule is gelling nicely and includes some interesting themes. Guest chef Galvin will kick things off with his usual creativity. Later in the season we will enjoy decorating hints, explore the world of tea, drink moosemilk (only the brave, of course), dine "on the town" and get into the football season with an OSU-themed luncheon. If you'd like to suggest a theme, volunteer to host a luncheon or help on an existing committee, please contact me at 440-331-8521 or at tiara031@gmail.com. It's a nice way to get involved on a small scale and meet new friends.

I'm guessing you've already read about our very successful Clean-Up Day but it just wouldn't be "me" without the extra 2 cents. I was so impressed with the sheer numbers of volunteers, the quantity and quality of the work accomplished and the delicious lunch provided by Chef Woody and Manager Jack. Folks had fun and saw friends for the first time this year. Well done!!!

Pati Arth
Auxiliary President

The Sail Program is looking for fenders, dock lines, anchors, and paddles for the 13' Whalers and mushroom anchors for marks. Check your garages and barns and consider donating unused items. Just leave them by the back barn or call Jane at 440-227-0626 for pick-up.

Attention Gardner Trophy Winners

This year marks the 40th Anniversary of the Gardner Trophy and all are invited to celebrate on Friday, July 13, 2007 at PIBYC. Past recipients are asked to contact Joan Kempf at 440-458-6012 or joan@kempf.bz.
