**07/07/07 Bash**

PIBYC’s big fundraiser of the year will be held on Saturday, July 7, 2007! You won’t want to miss the big fundraiser event this year - a party like this only happens once in a millennium! Members and guests should arrive at 5:30 p.m. at the club to board the Miller Ferry at the downtown Miller Boat Line Ferry dock to enjoy cocktails and hors d’oeuvres while taking a cruise around seven local islands. Come and enjoy an evening full of “seven-infused” activities and fun. You’ll enjoy delicious appetizers prepared by our own Silver Sails ladies. Silver Sails have once again graciously volunteered to present a vast array of delectable hors d’oeuvres that will include their own unique selections, a selection of gourmet cheeses, smoked salmon platter and the famous Boardwalk steamed shrimp! The cocktail section will include our feature drink the “7&7” that will be flowing out of our sparkling drink fountain. Our other feature drink will be the “07 Martini” (shaken, not stirred). After cruising, enjoy a delicious meal back at the club prepared by Chef Woody and guest Chefs, Charles and Betty Finkbeiner! Our chefs have created a menu that they have dubbed the “Seven Wonders of the World” featuring the “Seven Deadly Sins” dessert buffet. The meal features Woody’s Beef Tenderloin with Charles’ Seagram’s 7 Mushroom Sauce, Seven Mushroom Bisque, Seven Hills of Rome Pasta, Seventh Heaven Beans, Betty’s Mashed Potatoes ala 2007, Seven Layer Salad, Seven Grain Rolls and other delicious items. While dining, you will enjoy live music, Roaring 70’s style, by our own Ruth and Buddy Griebel. Is seven your lucky number? Every adult ticket holder will have a chance to win one of seven cash prizes in the amount of $77.07! You also will have the chance to bid and win many great prizes at the “Seven Silent Auction.” Try your luck at the “Lucky Seven” and “Seven Card Stud” games. Tickets to the event will cost, you guessed it...$77.07. Additional tickets for minor children, ages 0-17, will be $7.77. Tickets can be purchased by sending in the enclosed form with your money or in person on your next visit to the club. A limited number of tickets will be sold; be sure to save the date and buy your tickets today!

HELP WANTED…Volunteers are needed to work at the Ship’s Store for 2 hours on a Friday night. Please call the office, 419/285 4505.

**Classical Music Concert and Fine Dining Fundraiser**

**Saturday, July 14**

Our Club will host a piano recital by Jerry Lang II, winner of world piano competition, on July 14. Jerry has performed at Carnegie Hall, with the Cleveland Pops and other city orchestras. He is the recipient of over 28 piano competition awards and is only 17 years old!

The evening’s program will include works by Bach, Mendelssohn, Rachmaninoff, Beethoven, Prokofiev, List, as well as an original composition by the pianist. It will be a wonderful evening. Cocktails and hors d’oeuvres will be served from 5:30 to 6:00 p.m. (cash bar). The concert will begin at 6:00 p.m. with a delicious meal prepared by Chef Woody served immediately following the performance. The price per person is $30 for dinner and concert or $15 for concert and hors d’oeuvres only.

The event is open to the public. Tickets for the concert can be purchased at the door. Reservations are a must for the dinner! Contact Club Manager Jack Harris (419/285-4505) for tickets and reservations.

**Commodore’s Briefing**

We are off and running. Our Friday night dinners are an ever increasing success. The food is great with some new special menu items every week. Chef Woody and Manager Jack and staff are working hard to keep this up. The Yearbook is here and it is outstanding with Editor Marilyn Paselsky working her wonderful magic.

July is the heart of our season. High up on the calendar is the lucky 07/07/07 Bash featuring a sunset cruise with dinner and fun to follow at the Clubhouse. Sailing dominates July with the I-LYA Regatta beginning on the 25th. Another recommendation is to attend the next Pasta Bar dinner. This was a gourmet experience with special soups and salads, penne, farfalle and linguine with great sauces. You may choose meat, scallops, shrimp, veggies, alfredo, and so on. Chef Woody and GM Jack dispensed the food using a chafing dish.

Another capital improvement is the lighting of the new barn for meetings or sailing classes. Thanks to Bob Bahney and eight other volunteers, they completed this project at very little cost.

Sign up sheets for events are on the bulletin board. We still need some volunteers in the Ship Store to sell the new merchandise which is being well received. Many thanks to all who are helping.

**Rear View Forward**

Our concern for the weather on Memorial Day proved to be unfounded as the service for the seventeen honored members was very well attended. After this dignified service, our Eye Opener luncheon was served and as always, Jack and Woody provided a great meal for this occasion. Many thanks to them and other members who participated in this service and the behind the scenes members who helped.

The weather changed it’s face on the Friday night to provide a nice weekend for the Vermilion cruise-out. Some of us drove and joined the cruisers for a scrumptious dinner prepared by the new chef of Vermilion Boat Club. Many thanks to Dean Cormier, our acting chef, who did a top notch job grilling burgers and brats at lunch on Saturday. Of course, it was accompanied by several delicious salads and desserts. A trip up the river followed lunch either by dinghy or tour boat.

Wow, we are really in full swing now with so many club festivities! Please check your calendar so you don’t miss out on any, including the 07/07/07 Bash and Friday night dinners.

I’d like to add that I’m here to serve you so if you have any comments or suggestions, please give me a call. See you at the club!

**Ad-Vice**

This year, as Vice-Commodore, I find myself in the role of “Cruise-Out Coordinator.” Not being a regular “boater,” and my 12’ sailboat being too small to travel to distant ports, I find myself at a disadvantage and unable to answer the many queries regarding “proper cruise-out etiquette” when securing cruise-out transportation. In past years, as a ferry-boater only, I have largely ignored and not participated in the many fun and exciting cruise-outs that are planned. These “cruise-outs” remained a mystery to me until recently. The most important thing to note is that the cruise-outs are intended and planned for all members. You can attend any of the cruise-outs, whether you travel by land or water. All members are welcome and encouraged to attend. The cruise-outs offer an opportunity to have fun, enjoy planned activities, group dining and visit beautiful ports and other off-site locations. It has been brought to my attention that there are some unanswered questions regarding the cruise-outs, such as “What do I do if I would like a ride to the cruise-out?” “Do I contact a boat owner before signing up?” “If I ride with someone, should I offer to pay for my ride?” or “If I offer to pay some of the transportation expense, how much would be appropriate?”

In my quest to answer some of these questions, I sought the opinions and advice of many, well-seasoned boaters with years of experience. If you are not planning on traveling by car or would like the opportunity to travel by water, the first step is to look on the bulletin board and sign-up sheet to see if any boat owner is willing and able to take any more passengers, beyond their own party. There is a box to check for this and phone numbers are usually posted on the sign up sheets. Most likely there will not be anyone coordinating transportation for a cruise-out, so it is probably something you’ll have to do for yourself. If you find a boat to ride on, it has been suggested that you should 1) find your own accommodations at the destination port, unless you are explicitly invited to sleep on board, 2) thank your Captain and crew for the enjoyable experience and 3) offer a token of appreciation, such as an offer to pay for dinner, cash donation toward the fuel expense, or perhaps a gift certificate for the Ship’s Store, or other gift item. I was assured that the boat owners would not expect you to pay a substantial amount of the traveling expenses as they are already going anyway, but with the rising costs of fuel, any offer of contribution would be appreciated. I did have one boat owner, who shall remain nameless, suggest that the guest passenger offer to “top of the tank” (especially at the end of the voyage), but I am fairly certain he was only joking.

I hope this information is useful and that many more “non-boaters” or “ferry-boaters” will be encouraged to attend the many exciting and fun cruise-outs that are planned for everyone. I thank all the boaters for their input. If you have any further questions, do not hesitate to ask some of the boating-regulars. In addition to being very willing to share their views, they are friendly, warm and good-natured.

Vice Commodore
Auxiliary

Thanks to Susan Duffy Fegen and Chef Galvin (and a host of auxiliary helpers), our first luncheon was an “islands-delicious” success. The season has officially begun and now we look forward to the relaxed summer routine!

Tuesday, June 19th is hosted by Alice Boag and Crew and features guest speaker Susan Market.

Tuesday, June 26th takes us to Mon Ami where Sandy Sterling and Sandy Schnoor are “cooking” up some fun. You will need reservations and calling the club or emailing me tiara031@gmail.com will save you a seat! Fred and Ed will chauffeur but if any of you ladies keep a car on the mainland and are willing to take others, please indicate that at the time you make your reservation.

There is no luncheon on July 3rd. Enjoy your family time and the 4th of July holiday.

Tuesday, July 10th is Rose Kahler’s “Tea Party”. We’ll enjoy her wonderful cooking and learn a bit about those exotic leaves...

Call or email me if you have questions or comments.

All who have volunteered to clerk at the store each weekend.

George Cisar and Diane Nemec for the accordion music and “sing along” at a Friday night dinner.

Marilyn Paselsky who spent many hours to produce the program for the Memorial Service and in doing her diligent research.

Pat Van Keuran and Pam Tigges for ordering and stocking the Ship’s Store for the season.

Red Apron Society Forming Members Welcome

If you have been to a Friday night dinner at the club, you may have seen members in red aprons helping the waitresses and working the food line. These volunteers work from 5:00 to 9:00, helping to make things run smoothly. They don’t wash dishes, bus tables or carry trays but they are a necessary part of the good service the club is striving to provide. In exchange they get free pop from the bar, a free dinner at the end of the night, undying gratitude, and their name on an apron (just for posterity). If you can help out please call Reni Miller at 440/934-9345 and she will put you on the schedule.

Cruise-out to Kelleys
Saturday, August 4

Island hop to Kelleys for a fun day enjoying a bike ride around the scenic island, nice stroll, rent a golf cart, spend the day at the State Park beach, drink a famous Brandy Alexander at the Village Pump, do a strawberry shot, and meeting other PIBYC members and guests for lunch and wine tasting. We will meet at Kelleys Island Wine Co. for lunch, outdoor games, and wine tasting from 1-3 p.m. You can travel to Kelleys on your own boat, or take the Jet Express Ferry from downtown Put-in-Bay to downtown Kelleys. If you plan on taking your own boat, you can anchor in shallow water near the State Park beach or make a dock reservation at Seaway Marina 419/746-2506 or Portside Marina 419/746-2668. Reservations are required for lunch- be sure to sign up at the club or contact VC Jennifer Kahler 419/443-1121 or. Maps and ferry schedules and fees can be found near the bulletin board at the club. Hope to see you there!

Yearbooks Are Here

Members can pick up their yearbooks at the Club office during office hours or any event. Yearbooks have been sent to members who sent the extra $5 for postage with their membership renewal.

Club Manager Notes

Well we are up to speed and in high gear. A special thanks to all those who have helped get us to where we are. Here are some tidbits to remember. Our Fine Dining Dates are. July 14th and August 18th. These are R. S. V. P. and always sell out. So sign up early. The 4th of July week is full of things to enjoy; see your club calendar for more info.

Now that’s Italian! If you missed our first Pasta Bar, you missed quite a meal. We had Pasta Fogoli and Italian wedding soup, followed by Caesar salad with hot fresh baked bread. There was a variety of sauces and pastas with chicken, shrimp, scallops, sausage and much more - all prepared to order as you made your choices and topped off with spumoni, tiramisu, cannoli’s and lemon Italian ice. The next Pasta Bar is July 21st.
Hope to see you at the
07/07/07 Bash!

**I-LYA Updates**

Our I-LYA delegate and Board Member, P/C Kris Miller, notes the following upcoming I-LYA events:

- July 15-20 - Junior Bay
- July 25-29 - Powerboat Regatta
- July 27-August 1 - Senior Sail (includes deep water races).

Also of importance to I-LYA was the announcement that GMC has come onboard to become the Title Sponsor. I-LYA is very proud and honored to have such a long-standing organization involved. The community spirit GMC brings with it much embodies the same spirit that drives I-LYA.

More information on the above events is available at i-lya.com.

**Special Notice — Club Service**

The 2007 Nominating Committee is seeking candidates for Board of Trustees and Club Officer Positions. Candidates for the Board of Trustees will be placed in nomination at the annual membership meeting. Club officer candidates will be submitted to the Board of Trustees. If you are interested in a leadership service position with the Club, please send a letter of interest to PIBYC, c/o Nominating Committee, Box 51, Put-in-Bay, OH 43456. A description of these positions can be found in the Charter and Code of Regulations section of the yearbook. Additional information can be obtained from members of the Nominating Committee: P/C Frederick L. Schnoor (419/898-3855), P/C Richard L. Meyer (260/432-6300) and P/C Robert H. Bahney III (614/203-7322). Thank you for your interest.

**The New Pole Barn**

The new pole barn addition is now complete. We finished the wiring and also built in shelves to store sails etc. as well as racks to store the masts and booms over the winter, clear of the floor area. One end of the building has been set up for indoor class instruction, with tables, chairs and a new large dry-erase board. An automatic ventilation fan was also installed.

We should especially thank Ken Kania for his leadership and expertise in wiring the entire building. It is completely done in conduit and will meet commercial code. He spent the better part of a week installing it and Steve Nagy was there each day helping him. Jane O’Brien and Joan Kempf also assisted in getting this project finished prior to the beginning of our 2007 Sail/Swim program. Thanks should go to Kevin Nose who donated a good portion of the electrical materials.

After completing the barn project, Steve Nagy moved inside the club house and installed the new faucets in the four heads.

**Advice From the Fleet Surgeon**

MAMMOGRAMS can be painful. In order to see tiny breast tumors, compression is paramount. To decrease the pain this causes, take a Tylenol (not aspirin compounds) a couple hours prior the test. A couple days prior, diminish fluid and salt intake. Schedule your exam from the end of your cycle up to mid cycle. If you suspect a “lump” after you confirm its presence, do not touch it as it will inflame delicate tissues and cause pain, or worse, spread tumor, if any. Go see your doctor immediately. After age 35 examine yourself every couple months while during mid cycle while lying down. If you do not know how, ask your doctor.

The secret is to catch tiny tumors early, since they grow slowly. If your mammogram is normal this year, but skip next year’s exam, a tiny lesion, could be missed. A lesion 5 mm or smaller can be CURED when removed. If you wait a couple years, it would have grown to almost double, so it will not be curable. If you wait to have a mammogram when you feel a lump, your chances of cancer spread to other parts of your body are over 50%, considerably shortening your life. Each time you have your general medical exam, insist your doctor examines your breasts.

If a cancer is diagnosed, do not panic. Your first thought is to remove all or as much breast tissue, which is deformating. Cancer is bad enough, unsightly surgeries are demoralizing, causing stress to the immune system further decreasing your defenses. To lessen this, line up a team of breast and plastic surgeons to minimize deformity. You will be glad you took this step years later.
