Commodore’s Briefing

Our Club still has much to offer. The Ship Store has some very nice merchandise. The I-LYA ladies and other visitors have been good customers for the store and the Regatta T-shirts. Kudos to the T-shirt committee and those who helped at the store. We will continue to need help until we close down.

Many more Friday night dinners and some special dinners are on the schedule. These dinners continue to be a major draw. Thanks Woody and Jack. Our major attraction coming up is the New England style clambake on Labor Day Weekend, Saturday the 1st at 5:30 p.m. The Club’s annual meeting on Sunday will have a similar format as last year but should be a bit shorter without a guest speaker. A new feature will be a cookout for the members following the meeting which will provide good food and convenience.

Check out the great cruise-outs coming up, there is always space. Details are in the other columns herein. It is important that we all support our Club by attending these events as the season closes.

Ad-Vice

Here we are at the end of another season again. I would like recognize and extend my gratitude to P/C Sam Gregory, P/C Bob Bahney Jr., and Trustee Dean Cormier for organizing this year’s cruise-outs. We have two cruise-outs scheduled for September: Toledo Yacht Club and Cedar Point. Be sure to sign up at the club to attend either or both of these fun events. Hope to see you all soon.

I-LYA Winter Meeting

Put-in-Bay Yacht Club will be in the spotlight this winter when our own Past Commodore Jack Attkisson is sworn-in as the 2008 Commodore of the Inter-Lake Yachting Association. Plan to join your flag officers at the I-LYA winter meeting scheduled Friday, November 30 through Sunday, December 2 at the Perrysburg Holiday Inn (French Quarter). Events include hospitality rooms on Friday evening, committee meetings on Saturday morning and I-LYA business meeting from 3-5 p.m. on Saturday. The Installation of Officers will be at the banquet-dinner on Saturday evening. Reservation forms and meeting information will be posted online at www.I-LYA.org.

We hope you will be able to join your fellow club members at Jack’s installation.

Rear View Forward

While I can hardly believe that Labor Day is almost upon us, we still have many great events yet to come!! The clambake is September 1st so don’t forget to make your reservations. As usual, it’s sure to be a great event. The Member Appreciation will be the next day, on the 2nd after the club’s Annual Meeting. And once again, I encourage everyone to attend our very popular Friday night dinners. They are the hit of the season!!

The flurry of I-LYA events have come and gone. Many, many thanks to all the volunteers who helped sell T-shirts and also to those who sold pop and hotdogs! This club could not function without our dedicated volunteers. Please know that each hour donated was greatly appreciated.

Over 50 people attended the Middle Bass Swim Out which took place on the north side of the island once again. With great sunny weather, fun people and good food, it was another successful event! I wish to thank everyone who helped in any way from grilling food, the set up of the food, clean-up and transporting all the needed goods.

With the season closing in on us, if you have suggestions for next year please come forward… remember this is your club!! Thanks once again for allowing me to serve you!!

Club Manager Notes

Well, another Regatta has come and gone and all went very smoothly. It’s hard to believe that Fall is knocking on the door. The next big event is our ever growing Annual Clambake. See page 1 of this Jib Sheet for all of the particulars. Reservations are needed for the Clambake (the earlier the better).

There still is plenty of fun left in this season, so come on down and enjoy your Club.

FRIDAY DINNERS

9-07-07 Chicken Marsala
9-14-07 Prime Rib
9-21-07 Pork Tenderloin
9-27-07 Annual Buffet
( a little of this & a little of that)
Auxiliary

The official luncheon schedule has ended. We all had fun with our Red Hat Ladies and a delicious menu from Woody. Sue Duff fussed with decor and “party favors” and the wide variety of red millinery made me smile!

Our final lunch was Ginny Trethewey’s OSU Tailgate party. With able assistance from Alice Boag and Dan Drake, the front room of the club became a tribute to the scarlet and gray! (though there were sightings of BGSU and other college garb...). Everyone had a great time and Alice’s chili was a hit!

As my official duties wind down for the year, my sincere thank-yous are many. To those “vintage” friends who came forward and volunteered to host and new friends who said “yes” when asked for help, to those of you who “happened by the club” and pitched in for an hour and “elder stateswomen” who offered kind words... my genuine gratitude. If “what goes around, comes around”, I’m going to be a busy, busy lady for the next few summers (we’ve all heard what they say about “paybacks”...).

Please join me in welcoming Connie French as our new auxiliary president! I know that you will give her and vice-president Vivien Dennerll the same support that I’ve enjoyed. Connie and Jim are long-time Westshore residents and PIBYC members who many of you know. Vivien and husband Roger have become active cruising members and eager volunteers and I am anxious for all of you “non-cruisers” to meet them.

Onward and upward towards 2008!

Meredith Bell Peters is a sweetie!

WANTED...

LARGE COMMERCIAL FREEZER & REFRIGERATOR

With the continual increase of our food service we have found ourselves in need of more freezer and refrigerator space. Should any members have information that can help us obtain a new or used one please contact Club Manager Jack Harris, Trustee Steve Nagy, Rear Commodore John Spencer or call the club at 419-285-4505. It would be great to have this in place for the 2008 season.

PIBYC September Cruise-Outs

Toledo Yacht Club
Friday, Sept. 14 - Sunday, Sept. 16, 2007

Join us for the weekend, arrive by land or by sea. The closest hotel is the Wyndham at Two Seagate/Summit Street, Toledo (419-241-1411).

Cocktails followed by dinner at the TYC Friday at 1800. Your weekend bar bill will be forgiven up to 50% of your second night’s dockage. Imagine that! There’s a reward for exaggerating about size!

On Saturday enjoy the outdoor pool, tennis, volleyball or the lounge at TYC. Venture out to one of the many local attractions such as the Art Museum, COSI Science Center, the Botanical Gardens or the Toledo Zoo. Play a round of golf at one of two nearby courses (must be 50 or older for Bay View Retirees course adjacent to the Yacht Club) or tour the Willis B. Boyer, a retired Great Lakes freighter, from the pilot house to the engine room or just go exploring with your dinghy.

A BYOB cruise has been planned aboard the Arawana II with Captain Sean at 1700 to see the sights and stop for dinner on the Toledo waterfront with a variety of restaurants to choose from and returning to TYC at 2100.

Sunday brunch at TYC commences at 1100. Reservations are required for this weekend so be sure to indicate your preferences on the sign-up sheet at PIBYC. Reservations for all events should be made by September 7th.

Cedar Point
Friday, Sept. 28 - Sunday, Sept. 30

Join us for the weekend, arrive by land or by sea. Make your reservation at the Hotel Breakers or a motel outside of the park. Call the Cedar Point Marina (preferably by 08/29/07 at 419-627-6567) to reserve your dock with the PIBYC group.

Park hours are as follows:

Friday night: 6:00 pm – midnight
Saturday: 12:00 pm – midnight

Friday night tickets are $25.95 regardless of where you purchase them (junior & senior $12.95 every day). Saturday tickets will be reserved at a group rate ($31.00) for those who indicate how many they want on the sign-up sheet at PIBYC. If 15 or more people want to ride on Sunday, we can do the same. If not, $34.95 at the Marina office.

Schedule for the weekend will be flexible and optional. We will plan a cocktail hour or two and an evening meal on Saturday at TGI Friday’s so you can get right back to the coasters. The die-hard riders will, of course, be excused.

Sunday brunch at the Sandusky Yacht Club for all who are interested, commences at 1100 and is always a first class experience.

Reservations required, so be sure to indicate your preference on the sign-up sheet at PIBYC. We need your help . . .

Reservations, or the lack thereof, have recently caused dining events to be cancelled at the club. Members were disappointed because they had planned to come but did not make a reservation by calling or emailing.

Although some last minute reservations may be accepted, our Club Manager has to have enough firm reservations to make sure the dining event will be financially responsible for the Club.

As we all know, Put-in-Bay is on an island and there are not enough fruits and vegetables grown on the “Rock” to provide for club dinners (and likewise for the beef, pork and poultry)! Therefore, Club Manager Jack Harris must place the food order on Wednesday morning to insure delivery by Friday.

You can help by making a reservation for a club dinner and making it early. Generally, reservations are due the Tuesday before the event. We will try to be more attentive in all publicity to list the deadline for dining events.

This will be one of the subjects up for discussion at the 2008 Planning Meeting on Sunday, October 7th at 1400. If you can’t attend, please email or send us your thoughts. This is your club and we value your opinions.

Reservations can be made
in person at the club
by calling 419-285-4505
by emailing manager@pibyc.org

You’re the solution and we appreciate you.
I-LYA JUNIOR RACE WEEK WRAP-UP

For the second year in a row, PIBYC sailors qualified for a championship fleet at Junior Bay Week. Gage Auger and Kate O'Brien finished the week in 9th place in the 40 boat 420 Fleet and were only three points away from qualifying for the Bemis semi-finals. All in all, eleven PIBYC juniors competed in three fleets. Also sailing 420s were Alyssa Trebilcock and crew Kevin Schnieders and Colleen Mooney and crew Anna McCann who finished 5th and 6th in the Silver Fleet. Colleen O'Brien finished fifth in the 16 boat laser radial fleet and was the top finishing girl in that fleet. Two teams of sailors competed in Club Flying Juniors. Skipper Audrey Sheehan and crew Ann O'Brien finished fifth. Skipper Riley Drake with crew Mike Trebilcock were only one point behind finishing 6th. With an average team age of 14, we can expect many more years of exciting racing. Thank you PIBYC for your generous financial support! And thank you to all the volunteers who fed the sailors. As always the food was terrific!

Put-in-Bay Community Swim/Sail Program

TRAILER DONATIONS NEEDED

Your old trailer could be the answer to our junior sailing equipment storage needs. Swim/Sail is looking for trailers that can be reworked to move gear from the back barn to the boats by the water. If you have a trailer, cart, or wagon that you no longer need, please consider donating it for use by the kids. If you have a large trailer that is no longer needed, we are always looking for more efficient ways to travel off-island. We are hoping to build storage racks for Optis this winter. If we can fit the rack to a donated trailer than we can easily travel off-island with more of our younger sailors. Please give Jane O’Brien a call at 440-227-0626 if interested in helping out.

ATTENTION NEW SWIM SAIL PARTICIPANTS

Planning for next season has already begun. We need to know about new participants ASAP. To be added to the Put-in-Bay Community Swim Sail mailing list please contact Jane at (440) 286-5546 or send your contact info by email to pibswimsail@gmail.com. Visit www.pibswimsail.org for more program info. Thanks.

THE LEAMINGTON CRUISE-OUT

Thirteen boats and 35 members participated in our annual Leamington cruise the August 16 -19. Almost all took advantage of our Thursday stopover at Pelee Island on Thursday, August 16. After fun and games at the winery, Mark Emerich and his crew at the Anchor & Wheel Inn served a superb prime rib and seafood buffet.

By noon the next day we were on our way to Leamington. That evening we attended a dinner theater, where we enjoyed the comedy “Rum Runners” in which our own “Doggie Bra Pati” and “Hugh (Hefner) Cormier” stole the show. We didn’t realize what talent we had in our club!

Saturday was spent attending the Tomato Festival and other touristy type attractions. After an evening cookout at the marina pavilion and we capped it off with an after-dark ice cream social on our dock.

Cruise Director P/C Bob Bahney Jr. thanks all those who participated and helped make this cruise-out a success. It’s always a pleasure seeing new boats and faces joining us for these excursions.

Hope to see you at our next cruise-out to The Toledo Yacht Club in September.

COMMODORES’ WALKWAY

Remember a loved one or commemorate your connection to PIBYC. Order forms are available in the Club office and posted online at www.pibyc.org. Help support the new patio construction and beautification of our club.
