Commodore's Briefings

Welcome to the 2004 PIBYC season. Let's get the bad news out first. Our Secretary, Julie Rowe, has had a reoccurrence of brain cancer. She has undergone radiation treatment and is currently receiving chemotherapy. Julie will need our help and prayers. She would like to stay involved with the Club and her office; however, her recovery must come first. RC Bob Bahney III is an experienced Club Secretary and can direct the support effort. We need a volunteer to attend Trustee meetings and take minutes. Also, we could use one or two volunteers to help with clerical duties on an "as needed" basis. If you would be able to help in these areas please contact Bob or myself.

Thanks to efforts of PC Robert Bahney, Jr., our dock project and grant are moving along on schedule. All necessary applications and plans have been submitted and we should have more to report at our May 22nd meeting. Stay tuned.

I look forward to seeing many of you at our annual Spring Clean-up Day, May 22, 2004. Last year's event was a big success with several major projects being completed. Let's better last year's turnout and get the season off to a super start. It's no secret that a great club is the result of actively involved members. This year we will be working through the Auxiliary organizational shift. Starting May 22nd sign-up lists for this summer's activities will be posted at the club. Please, if you plan to help, sign-up early. Remember - many hands make light the work.

Fred Schnoor
Commodore

Saturday, May 22nd is Clean-up Day

"Does a boy get a chance to whitewash a fence every day?" asked Tom Sawyer.

How 'bout joining us at 8:00 a.m. for a little healthy exercise and fun. Help get the clubhouse ready for the season while you catch-up on gossip with your summer friends. There will be sign-up sheets and plenty of chores, big and small. We'll plan to be finished by noon; lunch will be served around 12:30. Come for the whole time or just give us an hour.

Memorial Service
Sunday, May 30th at 12 noon
Eye Opener
Sunday, May 30th at 1:00 p.m.

INFORMATION NEEDED FOR MEMORIAL SERVICE

Each year on Memorial Day weekend, the yacht club holds a brief service honoring those members who have passed away since last year's service. The service is held on the front lawn and each member is commemorated by a red rose placed into the bay from our dock. The ceremony is scheduled immediately prior to the Eye Opener Brunch and members can attend either or both. If you are aware of any member who has died in the past year, please contact Historian Muriel Eian at 5718 Elmhurst Road, North Olmsted, OH 44070 or by phone at 440-777-3585. Please don't hesitate to call, you are our only way of knowing.

PIB SWIM & SAIL: Register by Mail

The Put-in-Bay Community Swim Sail Program will be accepting registration for swimming and sailing classes **BY MAIL through Friday, May 28th**. Last year's participants will receive forms with the Spring Newsletter through the PIB school or by mail at the end of April. In addition, forms will be available from Niki Drake at the airport or online at www.pibyc.org. There will not be a walk-in registration this year.

Steve King, Pat Mooney and C.C. Skoch are back again to teach sailing. Sailing classes and Dan Drake's 5 week endurance swim class will run from June 14th through July 16th. The four week morning swim classes with Anne Auger will run from June 21st through July 16th.

The Community Swim Sail Program is looking forward to another safe, successful, fun-filled summer of instruction. Be sure to check out what we have planned. Swimming questions can be directed to Anne Auger at 419-285-7663 or Loren Klanderma at 614-791-0548. For sailing info contact Jane O'Brien at 440-286-5546.

Ad-Vice

We have planned many fun-filled cruise-outs, dinner outings and other on-the-water, fun-filled events. Our first Cruise-Out is to the breath-taking Port of Vermilion on June 18, 19, 20, 2004. We will be docking at the Vermilion Yacht Club on the river. This is a great place for people watching, excellent food and interesting attractions. Don't miss this weekend to begin our cruising season! Sign-up deadline is June 12, 2004.

Our next Cruise-Out is at the Nor'easter Club, Catawba Island on Sunday, June 27, 2004. This is a dinner cookout at 1700 hours. Some people might want to drive to this event before departing for home. The cost for the event is \$18.00 per person. Please sign-up by June 19, 2004.

The Old Club Cruise-Out is scheduled for Wednesday, July 7, 8, 9, 2004. For those who wish to arrive early on Tuesday, July 6, 2004, the Old Club is available and the pool is open. However, their dining room and bar will be closed. There will be more to follow in next month's *Jib Sheet*.

The last major cruise-out for the year will be to Leamington, Ontario on August 27, 28, 29, 2004. A great time will be had by all attending. There will be cookouts, Black Beard's Weekend, cocktail parties and upscale dining.

Stay tuned for more details!

Membership Drive

We are happy to report the membership drive from November to April successfully generated eighteen new members. Even though the initiation fee discount has expired, don't stop recruiting! Since sales tax rates have changed, please use the latest membership application available on the Club Web site www.pibyc.org and in the 2004 Yearbook (which should be out Memorial Day weekend). Beautiful new brochures are available that promote our organization and facilities. See the Club Manager or one of the Flag Officers for extra copies. Don't forget to write your name on the "Sponsor" line before giving an application to a prospective new member.

Speaking of membership, those who have not paid 2004 dues should have received a reminder notice in mid-April. Please contact the Club office if you have not received your cards or need a copy or your dues statement.

Rear View

The winter meeting at the Fairfield Inn and dinner at Nate's was a blast. This event has gotten bigger and better each year. Thanks to all who attended and all who participated in planning for the coming season.

Wait... it's not "coming," it's here! Where did the time go? Please read the articles about the Cleanup Day, Memorial Day weekend, and the New Member Open House in this issue. Anchor social events returning this year will also include the July 4th Freedom Party, July 24th Parrot Head Party and the Reverse Raffle on August 21st. The Club and bar will be open every Friday night, plus simple and fancy dinners on selected Wednesdays, Thursdays, and Saturdays. Noreen, Chuck, and Sharon will all be returning this season to perform another outstanding job. A detailed calendar is currently posted on the Web site and will be constantly updated with last minute details and reservation information.

It's one thing to volunteer your own time, but as the new Rear Commodore I realize it's a much harder task to rally/convince/obtain others to volunteer their time. If you can, please volunteer to help at one of the upcoming events. There is always a need for extra helping hands around the bar, kitchen and office.

Have a great idea for a new event or activity? Just contact me, and we will work it into the 2004 or 2005 calendar. It's your Club, enjoy it and have fun!

Marilyn Paselsky for developing and coordinating the production of our stunning new PIBYC brochures. She also designed new member applications for the membership drive, all while preparing, designing, and editing the 2004 yearbook. Wow!

Ladies Auxiliary

Greetings everyone! Spring has arrived, according to the calendar, but it's been rather cold these past few weeks! However, the weather forecast for this next week looks great, so I imagine many of you "snowbirds" will be venturing to the island soon! It's time to spruce up our clubhouse and grounds and get ready for another summer season!

In my letter in the November/December *Jib Sheet*, I indicated this will be a much different season for our Auxiliary. Our responsibilities are simplified, and this will be a transition year for us.

I will be meeting with Sally Duffy, Vice President, and Diane Ketterer, Secretary, as soon as we're all back on the island. We will finalize plans for the Tuesday luncheons this summer, but, in the meantime, we know that Rose Kahler and MaryAnn Turner are preparing our first luncheon on June 15th at the yacht club! I'm sure that Rose has something very special planned! Then on June 22nd, the two Jennifers (Bahney & Kahler) have graciously agreed to combine their talents once again and host our second luncheon! Hopefully, we will be heading to Rattlesnake for our third luncheon! I will keep you posted, so continue to watch the *Jib Sheet* for all of the details!

On a sadder note, we lost two very special past-members this year. Hilda Ellery was our Auxiliary president in 1965 and Rose Marie Woischke had served as a board member and Treasurer. Both spent their summers on the island, donated many "volunteer" hours, were dearly loved and will be missed.

For new female members, I would personally like to invite you to join us at noon on Tuesdays for our luncheons at the yacht club! (First one is free!) It's a wonderful way to meet new people, enjoy great food at reasonable prices, and sign up to work on major club fundraisers or events that sound interesting to you!

I look forward to seeing you on the island soon!

Linda Frederick
Auxiliary President

Club Manager Notes

The Club will be open on May 15th. Please leave a message on the answering machine if no one is available to take your call. (419-285-4505) We may be outside doing grounds work.

Don't forget, May 22nd will be Clean-Up day. As we did last year, we will have a list of projects and our members may choose what they would like to do best. Supplies will be on hand. Thanks to the many volunteers we had last year. Let's hope we have as many this year. As always, lunch will be provided.

We are looking forward to a great season and seeing all of you again.

New Member Open House

Sunday, June 6th 12:00-4:00 p.m.

Following Antique Car Parade

The Club will be hosting the Sunday car parade the first weekend in June. It's an excellent time to showcase our facility and organization to island residents and visitors who may not know a lot about the Club and the benefits of PIBYC membership. All are welcome, so spread the word. Recent new members are encouraged to attend and bring friends and associates.

Volunteers are also needed to help event organizer Kay Drake set-up, serve, and close down. Hope to see you there.

CLIP & SAVE

Winter Meeting Notes

New Board members Ken Kartheiser and George Smith were welcomed at the winter meeting held at the Fairfield Inn, Port Clinton. Many thanks to outgoing Board members Jill Cooks and Richard French; their hard work and dedication to the Club are much appreciated.

At the winter membership meeting, officer reports, financial statements, and a tentative 2004 calendar were presented. In new business, the proposed change to the Charter and Code of Regulations was considered and approved. Thanks to all who returned their proxy cards. The Auxiliary President will now be a voting member of the PIBYC Board of Trustees. This will give the Auxiliary direct input into Club operations now that Club financial accounting has been consolidated into one treasury. Hopefully this will foster cooperation and communication among the entire membership.

PIB Community Swim/Sail Program

We are pleased to announce that Monica Beane was our fall raffle winner. The winning ticket was drawn by Phoebe Borman at the Put-in-Bay Yacht Club Chamber of Commerce Hospitality Room during the I-LYA winter meeting on December 5, 2003.

Congratulations to Monica. We know she and her family will enjoy their 2004 season passes to the amusement park of their choice. Many thanks to all who support the Swim/Sail Program. We are looking forward to a successful 2004 season.
