Commodore's Comments

Welcome all old and new members to PIBYC 2002! We had a very successful Spring Clean-Up Day. All projects were completed thanks to our hard-working membership and especially RC Fred Schnoor. Food and Beverage Manager, Sharon Conte provided a great lunch for everyone.

Our new Club Manager, Cathi Schwind, with assistance from our Food and Beverage Manager, have worked very hard getting the Club ready for all to enjoy this season.

Please don't forget the Memorial Service and Eye Opener on May 26th. We have applied for a Sunday liquor license. Special thanks to PC Reni Miller for chairing this project.

We will start Friday night dinners and bar on May 31st. Casual Saturdays start on June 1st and our first Sunday Brunch is June 16th, Father's Day. Please make reservations. We hope you like the new additions.

As always, should you have any questions or suggestions, please contact Cathi at the office (419/285-4505) or myself (313/949-4269) anytime. We need your support to make this year a successful one.

Thanks to the following who "signed-in" and worked at the Club Clean-up. We appreciated their help: Fred Barnoff, Jim Grover, Jack Attkisson, Steve Nagy, Valinda Vincent, Ken Kartheiser, Cork McIlrath-Flint, Jerry Flint, Jack & Kay Lain, Fred & Sandra Schnoor, Linda Frederick, Tom Thanasiu & S. Relman, Dave & Michelle Flickinger, Tom Thanasiu, Sr., Richard & Joan French, Judie & Bob Bahney, Jr., Bob Bahney, III, and Jim & Becky Cook. There were members in and out during the day and this list may not be complete. Thanks to everyone and "take a bow"!

Save the Date

Friday night, June 28
PIB COMMUNITY SWIM/SAIL
SPAGHETTI DINNER
at the Club.

The public is invited.

Proceeds go to the PIB Community Swim/Sail Fund.

Casual Saturdays

June 1st from 2-10 p.m.

Stop by "your" Club for a snack, drink and camaraderie. There will be wings, hors d'oeuvres, sandwiches, etc.

We're looking for suggestions and ideas. Future "Casual Saturdays" will reflect these comments. If you have a favorite drink and want the club to stock a certain brand, this will be a great opportunity to tell us! Sharon is happy to be back in the kitchen as our Food and Beverage Manager.

"BRING YOUR CARDS"

The PIBYC liquor license is a private club license; therefore, according to state law, it is necessary for our members to show their membership cards when requested. In most cases, this will be done at the door. Only members can actually purchase the drinks for themselves and their guests. The bartenders have been informed that they must card their friends and relatives. **"I'm a member" or "Check the yearbook", I'm the Commodore" will not work.** Duplicate membership cards can be obtained but the price will be exorbitant. Please help out by remembering to bring the cards with you.

CALLING ALL SHUTTERBUGS! Grab your camera and take pictures of club events you attend this year. Give them to Editor Linda Dettmer who will scan them and immediately return them to you. This is our only source of pictures for "your" yearbook. Marylou Ramsbottom has already started taking pictures of the 2002 season. She recorded the hard-working members on Clean-Up Day and sent the prints for scanning. Thanks Marylou.

Rear View

Our first big event, the Club Clean-Up Day on May 4, 2002, was well attended. The wide range of projects completed will help us get the 2002 season off to a great start. Special thanks to Club Manager Cathi Schwind and Food and Beverage Manager Sharon Conte. They had jobs lined-up, everything ready to go and provided a great lunch. This helped us to have a productive day. See "Take A Bow" on page one for additional comments.

Take time to visit with guests and never pass up an opportunity to point out the advantages of membership in THE PIBYC.

Ad-Vice

The boating season has arrived, you might not think so if you look outside. The good thing is the lake level looks to be up. This year I hope to get my boat in the water and running. Boating – don't you just love it.

The sign up sheet for Old Club will be posted. This is one trip you do not want to miss. The Fleet Captain and I are trying to add to the cruise-out schedule and will inform you as they develop. I look forward to seeing you all in the up coming events in June.

Mike Kreutzberg
Vice Commodore

Just a Reminder!

The 2002 Yearbook will be available in June. If you have an "island" address, your yearbook will NOT be mailed to you. You may pick it up at the Club.

BE ON THE LOOKOUT...

We recently heard of a problem one of our members had last Christmas.

He ordered a kit for a tree house as a gift for his son. Late Christmas Eve, as he started to put the pieces together, he discovered that he had received a kit for a sailboat, not a tree house.

His complaint letter to the company brought this reply in January: "While we regret the inconvenience this mistake must have caused you, it is nothing compared to that of the person out on Lake Erie trying to sail your tree house."

Ladies Auxiliary

I would like to take this opportunity to welcome Cathi Schwind as the PIBYC Club Manager this year! She is already on the job, and the lawn had been mowed, trimmed and edged prior to our official clean-up day on May 4th! And it was good to see Sharon Conte back in the kitchen again this year! I know that both of these ladies will work with us to help our luncheons and fund-raising events run as smoothly as possible!

Speaking of luncheons, our first one will be held on June 11th and I am sure that Rose Kahler is planning something very tasty to start our season! Hopefully, Muriel and Marylou will have some new items from the ship's store to show us at that time. Our second luncheon on June 18th will be the General Business Meeting. It's at this luncheon that we try to bring you up-to-date on what is happening in the auxiliary by introducing the officers and committee chairmen and having them give brief reports.

I am sure that Phoebe Borman, as President, has the PIB Community Swim and Sail Program under control! This is the first year that the Auxiliary will not have the Swim and Sail chairmen present at our board meetings. Instead, Phoebe, as liaison, will be attending our meetings to give reports and to let us know how we can be of help. I will be attending the Swim/Sail meetings. Both meetings should take less time as we are basically dividing up the Auxiliary responsibilities. This actually gives more people a chance to participate with less time spent in long meetings! I mention this because you may be interested in getting involved with one of these two groups! Please don't hesitate to ask us about them! We are always looking for new members with fresh ideas!

Looking forward to our first luncheon! If you are a new member, please consider this a personal invitation to join us-and your first luncheon will be free! (Just mention it when you arrive!) Hope to see you at noon on June 11th!

Linda Frederick
Auxiliary President
