I-LYA News
THANK YOU ISN’T ENOUGH!!
Over the three weeks of the I-LYA Regattas, the support of Put-in-Bay Yacht Club, it’s manager and staff, the Auxiliary and Silver Sails and its’ members was unsurpassable. “Thank you” just isn’t enough for all the extras done to make these Regattas the best ever. Not only did you all make PIBYC look good but you made us look good too. We continually heard compliments about the facilities, the service and the welcoming attitude. We can’t mention names, there are too many and we would hate to miss anyone. You know who you are. Whether you opened your home, or drove a golf cart, or marched in a procession, or sang the National Anthem, or served a meal or tended bar, or helped set up, or helped tear down or supported us in so many other ways…THANK YOU. As we said, it isn’t enough but it is the best we can give.

**Commodore’s Briefing**

Within the next few weeks my term as Commodore of PIBYC will come to an end. I guess "time flies when you are having fun!" Honestly, although not without its challenges, it has been a very rewarding experience. I have been blessed with a group of dedicated officers and trustees. Each will be recognized and thanked at the Change of Watch held on September 28th 2013. My job would be impossible without them! When I become your Immediate Past Commodore, I will try my best to serve the officers and trustees and do what ever it takes to continue the traditions of our Club! A Past Commodore is a vital part of our legacy. He, or she, represents a wealth of experience and a link to our future. I have known many over the past years and have picked up a lot of good information from these individuals. I have learned that many of the problems and challenges we face today are the same they faced during their term of office. I value their opinion and recommendation. I have the highest respect for this group, and I consider them my friends! Sometimes you hear the comment: "there is nothing more Past as a Past Commodore". This bothers me, and I hope we will not use this phrase anymore. It conveys that this was a thankless job and a job that one could not wait to get out of. Is it any wonder that we struggle each year to find candidates for the position of Rear Commodore? I hope that from now on we will reflect on the positive benefits of serving as an officer or trustee of our Club. I promise you that I, as Immediate Past Commodore, will do all that I can to change the phrase to: "there is nothing more Dedicated than a Past Commodore". Thank you once again Past Commodores for all you have done to make PIBYC the great establishment it is today!

*John P. Bergan Jr., Commodore*

**Rear Forward**

July and August have flown by with lots of happenings:
1. We had a delightful visit to Ballast Island for luncheon, ferried over in Richard Meyer’s awesome yacht. Sailed by the island hundreds of times, but never knew how beautiful it was. We had a lovely meeting for the Gardner Cup. 2.

Next big event the Swim/Sail Awards. It is go great to see all those kids (I believe a record number this year) so into sailing. The sport of sailboat racing indeed needs this young blood to keep it active and alive. 3.

The Junior I-LYA Bay Week Awards Party was nicely done. It was delightful to see all the kids dressed up and looking spiffy. And our club’s kids indeed did really well. Congrats! 4.

A truly impressive official closing of the I-LYA Bay Week Regattas was held last Sunday afternoon. It was shock to me when it was announced that Annie Parker would sing the National Anthem. Then embarrassingly they discovered Annie was not there. Something made me raise my hand to volunteer. It was bit nerve racking, but made it through without too many goofs 5. Upcoming is Labor Day Weekend and all the Hoopla of the Bicentennial Celebrations. Don’t forget the club patio is a great place to view the Fireworks. 6. We are still looking for someone to replace me as Rear Commodore. I have to tell you, don't let them scare you. It is not half as difficult as everyone says, as long as you have Uncle Roger guiding you in every step. So, jump in and help us keep this club alive and well.

*Rick White, Rear Commodore*

**Vice Commodore’s Corner**

Roger and I would like to thank everyone for their support with our Fiesta Del Mar fundraiser held on August 24 – whether it be for a gift or prize, seafood donation, selling of tickets by flag officers and trustee members and Bill Worley (top seller), or the wonderful food prepared by Chef Woody and Chef Worley; also, to our volunteers who helped with decorations, raffles, clean-up, and to club manager, Barb Chrysler and staff for all they did to make our club enjoyable. The gifts and prizes, entertainment by Dynamic Duo, and delicious food were all a hit. We are sure that everyone had a great time, and the event was successful for our club.

Our selling of T-Shirts for the Regattas in the amount of $14,410 was quite successful, and we only have 5 unsold 2013 T-Shirts. During this three week period the Ship Store also sold approximately $1,900 of merchandise. It is important that we keep our Ship Store open as our many visitors are happy to shop in our store, whether they are part of the regattas or visiting dockers. Please take the time to visit our website www.pibyc.org as we are continually making improvements and trying to keep our club information posted. Also, our Weekly Update gives much information.

BAR NEWS:

Our club is looking fantastic so come and enjoy. Bob Kayden, Scott Pugh, Bob Frimel got our new lights installed and the Put-in-Bay Yacht Club etching has been put on the mirror. We can all be proud of our new Bayview Room. The bar is open Thursday, Friday and Saturdays and I promise to have Brandy Alexander’s for you to enjoy on Friday evenings.

Regatta:
The 2013 Regatta has come and gone. It is a well run operation and is very lucrative for the club. I met many new friends and enjoyed working with all. I heard many people say how much they enjoyed our club and it’s members. Thank you all for helping to spread goodwill to all our guests during this time.

The Hobie Wave Series Races for Early Summer ended just before Bay Week. We had a total of 9 sailors participating in each of the Series: Weekday and Weekend.

For the Weekday Series Doug Seib won convincingly with 47 points total, followed by Jack Woehrle (34 points) and Mark Scarpelli (32 Points). The racers were able to get in 14 races despite some rather low wind days early in the spring.

The fleet got in 19 races for the Weekend Series. Mark Scarpelli won with 69 points, followed by Jim Hildebrandt, who just bought a boat this year, with 62 points. Doug Seib was in 3rd place with 55 points.

Our fleet sailors managed to do 33 races in early summer and all that practice showed. Our fleet did awesomely well in the I-LYA Bay Week Regatta, which was also the Hobie Wave North Coast Championships. Twenty six boats from all over the USA came to our little island for this event.

The top four winners of the event were PIBYC members. Rick White won overall by 20 points. There was a three-way tie for second place and the tie breaker went this way: 2. Doug Seib 3. Jim Hildebrandt 4. Ray Matuszak

The Wave Class was also scored for Hobie Cat Assn. Rules, which requires only Hobie parts and sails. In that class our own Jack Woehrle finished in 2nd place.

The Late Summer Series has already started. I would like to be sure everyone knows we normally have a spare boat or two should you like to come out and give some fun racing a try. We set up very easy courses in front of the monument – you can’t get in trouble. And all our hotshot sailors are more than willing to get you up to speed.

The Middle Bass cruise out and picnic was a great success thanks to Bob Bahney, Jr; Bob Bahney, Ill; and Bob Smith. Over 40 members showed up to enjoy the day with friends. The Historic Reenactment of the Battle of Lake Erie will be taking place on Monday September 2. Many of our members have signed up to participate in this event as ‘Bravo Boats,’ perimeter safety vessels, so they will have the opportunity to witness first-hand this historic event.

News of any additional cruise outs for September or October will be provided by broadcast email or our Weekly Update, and will also be included in our website, www.pibyc.org, either on home page calendar or Committee Reports. As I-LYA coordinator for the ‘Bravo Boats’ safety vessels and my involvement with the I-LYA Regattas, much time has been spent on these events, and I’m hoping to put some short cruise out together for September, so please check our home page or Weekly Updates. Planning is already being done for our 2014 winter cruise outs to Marathon/Key West, Fl over President’s Day week end, and to Naples, Fl around St. Patty’s Day, and with some new Ports of Call for our regular season.

Auxiliary News

The sunsets on the West Shore are definitely moving further south these days, and the cooler temperatures remind us that fall is around the corner. Boo-hoo!! What a wonderful summer it has been for our Yacht Club!

Congratulations to Kris and Reni Miller, who represented all of us in the very finest way as the Commodorable Couple of the ILYA this year. Their sparkling personalities and the many wonderful activities they hosted during Regatta Weeks were truly amazing! It takes such a special couple to pull this off with such grace and such style, and they did it! We are so blessed to have them as PIBYC members and friends!

Thanks also to all the members of the Ladies Auxiliary who assisted with Regatta activities, from organizing the sailors, to feeding them, to designing, folding, and selling the T-shirts, to hosting, and cooking, and serving at Regatta brunches, luncheons and teas. You are all so appreciated and add so much to the Yacht Club Community with your generous spirit.

Special kudos to Marilyn Paselsky, Vivien and Roger Denerll, Gina Trebelcock, Laureen Mooney, Pam Rudolph, Joan Kempf, Denise Kempf, Barb Cooper, Rose Kahler, Mary Ann McCann, and all those wonderful behind-the-scene helpers who so humbly and reliably played their important roles. It takes a village to pull it off, and your contributions are so valued!

The Ladies Auxiliary social events for the year are now behind us, but they were fun, and I am so glad so many people took part in them this year. Connie Miller and Kyrie Lee will be heading up next year’s events, as Auxiliary President and Vice-President.

It has been 28 years since that dynamic Arth/Kahler duo last took the reins, so prepare for wonderful surprises ahead! It has been a pleasure to serve as Auxiliary President this year. I took the job with trepidation, but I found that only good things came of it. I have discovered new friendships and strengthened old ones; I have learned much about the Club, its history, and its operation; I have stepped out of my shell and feel like a real member of this vibrant community now. Thank you for this opportunity. It has enriched my life. I look forward to many good years ahead of active participation at PIBYC.

**Susan Hildebrandt, Ladies Auxiliary President**
