Rear Commodore Bill Boag and Lady Alice started out the year with an enjoyable Winter Doldrums weekend that was well-attended. Vice Commodore Rick White is getting ready for his Really Big Fundraiser — save the date as I’m sure you won’t want to miss it!

Thank you to those who attended our cruise outs to Marathon/Key West & to Naples/Everglades City, Florida. Please watch for our upcoming cruise outs, special events, and races by Power Fleet Captain Roger Dennerll, Bill Worley, PC Bob Bahney, Jr., and Sail Fleet Captain Betty Bliss.

Yearbook editor Marilyn Paselsky has been working hard getting photos, ads, and input for the yearbook — any pictures are appreciated. Marilyn also handles New Membership, and has talents to do many other tasks we are thankful for. The yearbook recognizes our committees and chair persons - these individuals help keep our club running smoothly.

Your yacht club’s officers and trustees continue to be busy putting together the calendar of events, and are looking for new ideas and special events to attend which include activities for children for some Saturdays or other days for the 2014 season. Let us know if you have any suggestions for something different that you would like to participate in. Volunteering for any of the club functions is always appreciated, helps to keep costs down, and is a great way to have fun and make new friends. Please look at the calendar in the Jib Sheet or on the website pibyc.org. The calendar is subject to change as it is still early – stay tuned for updates. You’ll see there’s a lot going on in 2014!

Membership Secretary Jim Dettmer has done a great job getting our dues collected on time. Our club is open April to October, but the bills come in all year, so we appreciate our members prompt payment.

Jib Sheet Editor Barbara Hodgson will keep you informed of club events and social activities, and puts her special touch on our Jib Sheet.

I would personally like to thank PC Bob Bahney, Jr. for maintaining our club and facilities throughout the winter. Even though our club is shut down, there are still a lot of things that need his watchful eye, and he keeps us informed of any problems that arise. He also sees that any mail is forwarded, helps to keep costs down, and is a great way to have fun and make new friends. Please look at the calendar in the Jib Sheet or on the website pibyc.org. The calendar is subject to change as it is still early – stay tuned for updates. You’ll see there’s a lot going on in 2014!

As Vice Commodore I gathered some great folks last fall to plan a really Great Fundraiser on July 26th. The plan is for an awesome meal, with entertainment. The big thing is we are to have a Reverse Raffle, with Side Boards and a Chinese Auction, prizes and much, much more! This is our chance to raise additional funds for the club to help support the many activities that make us proud to be members. Any suggestions or comments are more than welcome to make this a really great and fun night.

Members who would like to be a sponsor will receive special recognition for their support.

Tickets: $50 each will be available by June 1 for sale to members and friends, so mark your calendar for this event, and make your reservation.

Rick White, Vice Commodore

We interrupted the winter season when the polar vortex was making several encore performances with the kickoff of the 2014 Winter Doldrums’ Party in mid January at the Holiday Inn Westlake. We had over 75 member and guests attend the various events over the weekend. The Friday reception kicked off the weekend with fellowship, food, beverages and lots of fun. Saturday was a busy day starting with a wonderful buffet lunch that preceded our Town Hall Meeting. The afternoon allowed the members and guests to kick back and forget about the winter weather poolside — where they entertained their children and grandchildren. Some other members took the launch to Crocker Park Shopping area to help jump start the economy in 2014. We finished a perfect day with a wonderful cocktail party and dinner at the Sweetbriar Country Club’s Legacy Dining Room.

I would like to thank everyone who helped make this weekend an enjoyable one by helping set-up, bring appetizers for Friday’s Reception, and clean-up. Finally, I would like to personally thank Jack Bergan for all of his help and to say that we all missed you. We are looking forward to see you return to action this summer at the Bay!

Getting anxious to see another great season at the club, starting off with a really fun and productive Clean-Up Day on May 10 starting promptly at 8 AM. By the way, everyone helping gets a complimentary luncheon at 12:30. Immediately following lunch is the first on-the-island Board Meeting.

We will be all jumping in together to do all the planting and cleaning up the grounds!

Our first cruise out of the year in mid-February was to Marathon/Key West, Florida. Our hosts Bill & Gail Worley planned a fun-filled 4-day weekend, beginning with a welcome party at their beautiful waterfront home and some specialties from Bill’s kitchen. Saturday, members had an exciting day of fishing from 3 charter boats which brought plenty of thrills, laughs, and boats full of fish. Our freezer is still full! Steve Nagy caught a 70 pound cobia in a 2 hour fight – it was a sight to behold, not sure who won, but we ate the fish, and Steve’s still feeling the effects! We had wonderful lunches and dinners at very interesting locations, including the Marathon Yacht Club, and the Key West Yacht Club for cocktails. All this was topped off with a freshly caught seafood feast Monday at Key Colony Beach before we headed back home.

Our March cruise out was hosted by Jim & Mary Ann Henricks and Kay Drake, and began with cocktails and dinner Friday at Under the Shady Palm Pub; Saturday was the Naples St. Patrick’s Day parade, followed by a delicious corned beef dinner at Kay Drake’s home; Sunday, after a delicious brunch at the Bay House in Naples, we headed down to Everglades National Park to the Rod & Gun Club, and a cruise into the heart of the Ten Thousand Islands and the Mangrove Forest.

We are planning a busy season:
June 19/22 Huron/Vermilion; June 29 Crow’s Nest - host Bill Worley; July 6/12 Old Club; August 9 Schoolhouse Bay; August 14/17 Pelee/Leamington – host PC Bob Bahney, Jr.; September 12/14 Clinton Reef Club, TBD; October, TBD, Vineyards @ Catawba - Clam bake, host Bill Worley.

I appreciate all the help I received from our members in planning these fun-filled events. Please join us for our cruise outs and/or drive-in – a boat is not required. See separate articles for the June cruise outs to Huron/Vermilion and the Crow’s Nest.

Final cruise out of the season in October – 21-day Danube River Trip – Prague, Budapest to the Black Sea! For more information, contact; rdennerll@roadrunner.com

NOAA CHARTS – PDF FORMAT
Pdf versions of NOAA nautical charts will become a permanent product free to the public. They are digital images of traditional nautical charts for recreational boaters to use to plan routes. NOAA has a new interactive chart locator that allows people to select a chart from a map of the U.S. and choose their format. Also being made available for free is the NOAA ENC Online, a new webmap showing the features included on NOAA electronic navigational charts. The map allows users to see chart data previously only available for purchasing specialized viewing systems. http://www.nauticalcharts.noaa.gov/pdfcharts/ Chart One is http://www.nauticalcharts.noaa.gov/mcd/chartno1.htm Chart Catalog Page with a pdf file http://www.nauticalcharts.noaa.gov/mcd/ccatalogs.htm

Although the term auxiliary may imply an extra team on the sidelines, don’t be fooled! In 2013 the Auxiliary hosted a series of great events; supported our junior swim and sail programs; provided catering for the ILYA Junior Sail Program and the ILYA Ladies Junior Sail Regatta takes place this July and PIBYC members Jane and Tim O’Brien are co-chairs of the event. Even making the morning coffee is a huge help and we’ve also got the junior meals to coordinate under Laureen Mooney and Gina Trebilcock.

T-Shirt folding and sales during the ILYA Regatta. This is a great fundraiser for the Club and many hands make light work.

And don’t forget the social events themselves. The lunches, road rallies, potlucks, and happy hours that make up our calendar are an opportunity to make new friends; to share input about the Club and future activities; and of course to volunteer for activities to help make our club the best that it can be.

We hope you will join us for our first Auxiliary luncheon in June brought to you by Silver Sails. Come to enjoy! Sign up to get involved! See you soon!

It was fun to see everyone at the Winter Doldrums party in January. Rear Commodore Boag put together a wonderful weekend for us all! I’ll be back in the office April 16th and am looking forward to a fun, busy summer starting with Clean-Up Day on May 10th. As always, we need everyone’s help to get our club ready for the season. Remember, dockage is free and so is lunch. Please call Barb @ 419 285-4505 if you’re bringing your boat. It always amazes me how much work gets done in just a few hours! Hope to see you there.

I encourage every member to stop in my office or email me with any concerns or suggestions regarding club activities, bar or food suggestions. It is your club and I want you to enjoy it. Sometimes small changes can make all the difference. Let’s all work together to make PIBYC a destination where everyone wants to spend their time!

See you all in a few short weeks.

Barb Chrysler, Club Manager
