COMMODORE BRIEFING

The Mill’s Race was hosted for the 4th consecutive year by PIBYC during the first week of June. A thank you to the many of our members who volunteered their time to help make this event enjoyable for all. We look forward to having the Mill’s Race return next year.

Vice Commodore Bill Boag is busy preparing his fund raiser for the support of our Club. I am sure they will be events you will not want to miss.

Our new Food and Beverage Chairman, Dick Bliss, held a great meeting getting input from many sources to figure out how to make the bar a fun place to visit often. Some great ideas were thrown out there and Dick is sifting through them all to make sure you have a great place to visit this summer, away from the downtown maddening crowds.

We look forward to meeting and greeting new members. Let us know when you are here! Get involved, come on cruise outs with us, sail with us and make some new friends. Our Sail Fleet Captain, Doug Seib is offering free learn to sail programs most of the summer. Be sure to ask about those!

Rick White, Commodore

VICE COMMODORE'S CORNER

The Club hit the ground running in June by hosting the Mills Race on Saturday, June 6th. Several hundred tired sailors from the all night race from Toledo to Put-in-Bay, in high winds, were treated to a wonderful lunch. Our club manager Barb Chrysler, Chef Woody and wonderful volunteer group helped make this a successful event. Our thanks goes out to everyone that helped make this a tremendous event. We followed this up with another great ‘Italian Night Dinner’. Judging by the turnout that enjoyed the dinner and an evening at the Club we should have a great summer season.

We are working hard with our Fund Raising Committee to make this year’s event ‘Celebrate the Great Lakes’, on July 11th, a fun event. Tickets are $50 each which includes a sit down dinner of Prime Rib or Perch and a chance to win $2,000 in our reverse raffle. There will be other drawings and fun and special auction items that will make this very important event an enjoyable one. Remember how important this annual event is to the ongoing operation of our Club. We need your help to keep our Club in top top shape.

Finally, thanks to everyone that is working with our Club Staff and on all of our committees and many events to make this the type of Club you are proud to bring your family and friends to!

Bill Boag, Vice Commodore

REAR COMMODORE

The Memorial Day Service was fantastic. The American Legion post 542 Rifle squad lead the procession of our Flag Officers, Ladies Auxiliary officers, Past Commodores and Past Ladies Auxiliary presidents from the club to the dock. A lovely service was lead by Jack Bergan. A cannon salute, placing of the wreath and Amazing Grace sung by Deborah Parker were all part of the event. A bell was rung for every name read while all the officers saluted and a rose was cast into the bay. A 21 gun salute by The American Legion and taps concluded our service.

A fabulous brunch was prepared by Woody and his team, we all enjoyed a beautiful day.

In spite of a stormy night The Mills Race was another success! PIBYC was happy to have them at the club. Food and drink was served and a good time was had by all.

Martini night was a big success. Hosted by new members Brian Leonard and Scott Owens. A great turnout included 40 members from their marina in Catawba and a whole cast of characters! The bar was like a scene from Cocktail with Tom Cruise. Our bartender Ann Marie Drake learned some new recipes. Good drinks and good friends! Our new bar menu was a big hit that night too!

Please plan on attending the Freedom Party on Saturday July 4th.

Debbie Drake Larson, Rear Commodore

POWER FLEET CAPTAIN

We started the cruising season with our annual Breakdown Cruise to Huron and Vermilion. Thursday night June 12 found a handful of hardy boaters in Huron. The lake conditions were challenging with a steady north-east wind creating a bumpy
ride all the way in. The Huron Yacht Club provided dockage for most of our boats and we enjoyed cocktails and dinner at the club. On Friday we converged on the Vermilion Yacht Club for the weekend. In between rain showers there were dinghy expeditions up the river and visits to local establishments. We enjoyed dinner on Friday at the Huron Boat Club and on Saturday at Chez Francois. By Sunday we had tested our boats and identified all the gear that needs attention before our extended cruise-out in July.

We will be leaving for Lake St. Clair on Monday, July 6 and starting our week at The Old Club on Harsen’s Island. The Old Club was established in 1872. It was established as a private club and remains a Premier Island Resort and Yacht Club. Amenities include a 9-hole, par 3 golf course, tennis, a swimming pool and dining facilities. All our planned activities will be within the United States – no passports are needed this year. Check out the sign-up sheet at the club and please register early if you plan to join us.

Raymond Arth, Power Fleet Captain

Good day all. We got started last month on May 21st and have had good sailing breezes for most of our dates so far. Unfortunately, we have been light on competitors as several of our stalwarts are on injured reserve. We hope to have them healthy soon! Most Thursday nights have been Commodore vs. Sail Fleet Captain match racing with some of our newbies getting faster every week. Last Saturday, June 8th we had a great turn out with everyone getting their boats together and out on the water. It seems everything is a month behind this year. We look forward to “Learn to Sail” day June 20th and hope for a good turnout. Weekly learn to sail lessons will start Sunday, June 21st, and every Sunday thereafter. These are open to PIBYC members and the general public. Everyone is excited for Senior Bay week at the end of July. Our local fleet will be hosting the “Wave North American Championships”. We expect 30 plus competitors from all over the eastern half of the country. New York to Kansas, Michigan to Florida! Sail Fast,

Doug Seib, Sail Fleet Captain

Summer 2015 has kicked off to a great start! It was wonderful to see so many swim/sail families at our first annual summer sailstice event. Thanks so much to everyone who donated items to a great cause. We were able to raise over $1,300 for the Auxiliary and Swim/Sail. On June 23rd Silver Sails put on a fantastic fashion show luncheon with clothing from the Little Store. On June 30th Woody and Rose put on a Historical luncheon featuring Robin Burris from North Bass. Thanks to those that attended these wonderful events.

We are starting July off with a July 7th Patriotic Cocktail Party at the Club. Stop by for a drink and some yummy appetizers at 4:30. On July 15th (Wednesday) we will be doing an “On the Town” luncheon. We will be riding the Tour Train to The Keys, Bayshore, and Old Forge for appetizers. The cost of this luncheon will be $25.00. Reservations are a must!

There will be no luncheon the week of July 21st. On July 28th we will be going to Rattlesnake for a fundraising event. The cost of this luncheon is $100 and is limited to the first 30 guests that sign up. Rose Kahler will be serving lunch at the PIBYC to those ladies that decide not to go to Rattlesnake. On August 4th the Goat and Winery will team up again for a wine tasting event. This is not to be missed!!! Our last luncheon of the summer will take place on August 11th. This is a Moosemilk luncheon featuring Charles and Betty Finkbeiner. This will also be the Auxiliary annual meeting luncheon. We are asking that you use the sign-up sheets at the club to RSVP for the events and babysitting services. If you can’t get to the club please call or text Kyrie at 216-978-0364.

Thanks so much for supporting our club. Please call or email me at pibgirl@rocketmail.com if you would like to help with any of these events or have suggestions to share.

Kyrie Lee, Ladies Auxiliary President
July will be another busy month here at the club starting the first day! On July 1st we will be hosting Paint and Pour. Create a beautiful nautical painting and enjoy 2 glasses of wine for only $40.00. On the 4th we will be having our annual Freedom Party starting at 4:00 and continuing into the evening. Our patio is a great place to watch the fireworks! The Fundraiser is Saturday July 11th with a “Celebrate The Great Lakes” theme. See separate article.
The Juniors sail in on July 19th but don’t forget to help Marilyn fold t-shirts on the 13th so we can start sales on the 19th. Sail Regatta begins the last day of the month and the sail/power group will be here through the middle of August.
If you’ve been to the club this summer, you’ve probably noticed a lot of new faces. I am happy so many people are enjoying Woody’s dinners and our fun bar crew. Keep on coming. We’re thinking of new, fun things all the time. Notice on Friday July 24th we are having “cook your own steak” night for our Friday night dinner. Should be fun! As always, comments, suggestions and complaints (the latter, not so much!) are always welcome.
See you at the club.

Barb Chrysler, Club Manager

SWIM SAIL REPORT

Swim / Sail is off to a great start! The season started with a Ladies Auxiliary welcome back dinner and “Sail”. We are very appreciative of the contribution from the Auxiliary. The Spaghetti Dinner was held on June 19th and was a huge success! $9000 was raised for the program. Thanks to the committee and volunteers that made it all possible! The PIB Race Team traveled to North Cape on June 20th. It was smooth sailing! Get your Luau at the Bay Tickets for July 18th! Tickets are $25.

Don’t forget us on Twitter, Instagram, and Facebook for program updates. @PIBCSS

Kroger Rewards Our Swim & Sail Program

The Kroger Community Rewards Program is again supporting PIB Community Swim & Sail Program in 2014. What this means is when you shop at Kroger (any location) you can direct Kroger to donate a small percentage of your purchase to the Swim/Sail program. There is no additional cost to you. You must have a Kroger Plus card to enroll online at the Kroger Community Rewards website. There are instructions and a direct link to the Kroger site on the swim/sail website pibswimsail.org to help walk you through the short enrollment process. Our organization number is 90301. IMPORTANT: The KCR program resets on April 1. If you were enrolled before that date you must “renew” or relink your Plus Card to Swim/Sail on or after April 1, 2015 (but not before Apr. 1). Every little bit counts. Help us shop our way to better funding for water safety education.
