PELEE ISLAND & LEAMINGTON CRUISE OUT
Thursday, August 13th

The Pelee Island / Leamington cruise begins on Thursday, August 13 at Scudder Marina at the north end of Pelee Island. After clearing customs we will visit the Pelee Island Winery that afternoon and have dinner. On Friday we journey to Leamington for the annual Tomato Festival. An optional Sunday night stay is available with reduced dockage fees for those interested in extending their outing. We are traveling to Canada so participants must have their passports, I-68 or Nexxus cards in their possession and must report into customs when arriving in Canada and upon returning to the United States. There is a video phone reporting station in DeRivera Park at Put-in-Bay and at other locations on the mainland.

I-LYA SAIL REGATTA
Saturday – August 1st

The I-LYA Sail Regatta is a great event that helps support the Club operations throughout the summer. This is the 122nd annual Sail Regatta, the third oldest annual regatta in the United States. Club members can join in the fun by purchasing a social package for one or more nights at www.I-LYA.org. Saturday night, PIBYC volunteers are needed to help run the beer truck. We need people to assist with wristbands, beer pouring, and clean-up that evening. Our Sail Team will be providing assistance with serving the meal but we need help to support the party. A sign-up sheet is at the Club or e-mail Constance.Miller@sbcglobal.net. Thanks!

COMMODORE BRIEFING

The club hosted a post-parade party for the Antique Car Parade folks and as usual did a great job of entertaining. Not sure how many, but I believe we picked up a few more new members by hosting this party for this weekly show they put on.

July 4th celebrations were awesome as was the Freedom Party. The club was a great place to sit and watch the fireworks over the bay. Another great display.

The July 11th Fundraiser Dinner was a huge success. VC Bill Boag teamed up again with Dick Bliss to put on a great reverse raffle and auction. It certainly appeared to me that everyone had a great evening. Bliss has shown to be a master at running these games. Kudos!

The Swim/Sail Awards party was well done and it was great to see all the participation of our youth. Like many sports, sailing also needs to cultivate the young to carry on our traditions.

The I-LYA is coming to town and by the time you read this, it will be almost over. We are expecting a great turnout of competitors and some great sailing and fun. So August is going to be an action-packed month. We can only hope August gives us better weather than July did.

Rick White, Commodore

VICE COMMODORE’S CORNER

July started with a great new event called ‘Paint and Pour’. Everyone who attended this event had a great time and went home with an art masterpiece. I have a feeling that this will be an annual event. Up next was our ‘Celebrate the Great Lakes Fundraiser’ which was a tremendous success. This was the result of many members hard work to make this a fun and successful event. I would like to thank all of the volunteers and my Fundraiser Committee members who helped sell tickets and run the event.

A very special thank you to Dick Bliss, Kay Drake and Gina Trebilcock. Also, would like to personally thank all of our donors Mike & Gina Trebilcock, Ed Gonzalez, Michael Vary, Tom Priesman, Miller Boat Line, Jet Express, and the Duck In for their wonderful auction donations. I would also like to thank the members that bought the 200 tickets and auction items to this event. Last, but not least I would like to thank our entire staff especially Barb, Elizabeth and Woody for their special effort to make sure our evening was everything we hoped it would be.

Now I am very happy to report that because of all the support, we were able to raise over $12,600 last Saturday for the Club after expenses. Finally, it is hard for me to believe that Swim/Sail Awards were Friday July 17th and Junior Bay Week started Sunday, July 19th. Once the ILYA Regatta’s are over we have several fun events scheduled for August. Please check the Club Calendar for details.

Thanks again to everyone for supporting us this summer.

REAR COMMODORE

Wow, July was a very busy month at the club! July 4th was fantastic with our cook-out, DJ Ben Bykowski, and kids games (shout out to Matt Wilkins for a great scavenger hunt). So many people helped make this a successful night. Things ended with a bang and a beautiful view of the fireworks!

The Bridge officers, several members, and a well represented swim/sail group set off for Ballast Island on July 5th. A special thanks to Richard and Sharon Meyer for a lovely boat ride to the island. We had lunch with Pat Skinner and daughter Pam and discussed the upcoming Gardner trophy for the awards ceremony. What a beautiful day.

The awards ceremony went off without a hitch. This celebration is instrumental between the club and PIBCSS. What an opportunity for our children. Up next.....Senior Sail 2015!

SAIL FLEET CAPTAIN

Good Day All,

By the time you read this Junior and Senior Bay Weeks will have concluded. Let’s hope our biggest sailing events of the summer have had fair weather and good racing.

On Monday Aug. 3rd Jack Woerhle will host his annual Wave race around Middle Bass. If you’re here for Bay week or want to do something different it’s a fun race with a picnic afterward and flags in several categories. The race format is a little different than most races. In this event you choose which direction you think will be fastest. Since you
are going around an island you have 2 choices. Always interesting to see who chooses right! During August we’ll get back to our regular schedule with racing every Thur. at 5pm and every Sat. at noon.

We’ve had several people show up for Sunday lesson sessions, and will continue this program throughout Aug. and Sept. The last session will be Sept. 20th.

Now that summer has finally arrived let’s hope the good weather and fair racing continues.

Doug Seib, Sail Fleet Captain

Upcoming Events:

Two cruise-outs remain on the calendar this year.

- The Pelee Island / Leamington cruise begins on Thursday, August 13 at Scudder Marina at the north end of Pelee Island. After clearing customs we will visit the Pelee Island Winery that afternoon and have dinner. On Friday we journey to Leamington for the annual Tomato Festival. An optional Sunday night stay is available with reduced dockage fees for those interested in extending their outing. We are traveling to Canada so participants must have their passports, I-68 or Nexus cards in their possession and must report into customs when arriving in Canada and upon returning to the United States. There is a video phone reporting station in DeRivera Park at Put-in-Bay and at other locations on the mainland.

- The Port Clinton Yacht Club cruise-out is scheduled for the weekend of September 18. We will rendezvous at PCYC on Friday. If the weather permits we will explore the Portage River in dinghies on Saturday. Dinner on Friday and Saturday will be at nearby restaurants.

Sign-up sheets for Leamington and Port Clinton are posted at the Yacht Club. If you prefer send me an email to register – mmarth@gmail.com. Please provide the names of the participants; vessel name, length and beam; cell phone number and whether you intend to bring a dinghy to Port Clinton.

Is it really August already?! The summer is flying by! July was filled with many fun events. My family had a ball at the July 4th Freedom Party. A special thanks to all who had a part in making that day such a fun event. On July 7th the Auxiliary hosted a patriotic happy hour at the club. We enjoyed special drink prices and many yummy appetizers. The following week was an “On the Town” luncheon. We visited The Keys for flatbreads, The Bayshore for shrimp and scallops and finally the Old Forge for a scrumptious sweet crepe and coffee. The food was wonderful and fun was had by all! On July 19th the Auxiliary welcomed the Jr. Bay sailors with complimentary lunch during registration. On July 28th we travelled to Rattlesnake for a luncheon. We had a wonderful time and feasted on scrumptious food. There will be two ladies luncheons in August. On August 4th the Goat and Heineman’s Winery will pair up to provide a
wonderful wine tasting and lunch. On August 11th we will have our Moosemilk and final luncheon of the year. Charles and Betty Finkbeiner will be preparing the food. This will also be the Auxiliary’s annual meeting. Thank you to everyone who has given their time to volunteer during our luncheons. Your help is greatly appreciated. We hope to see all of you at our August events. If you have any questions please don’t hesitate to contact me at 216-978-0364 or pibgirl@rocketmail.com.

Kyrie Lee, Ladies Auxiliary President

We’ve all had many unanswered questions regarding our club liquor license. On August 16th at 10:00 a.m. there will be a meeting at the club to try to get some of these questions answered. The Ohio Department of Public Safety is sending an agent to conduct a class called “Alcohol Server Knowledge”. Please plan to attend. I will have a sign-up sheet on the board. If you don’t get a chance to sign up, just come!
The tent is up and the I-LYA Regatta is in full swing! This is a great time at the club and all club members are invited to come and join in on the festivities.
I hope you have enjoyed $1.00 dog night on Wednesday and Taco/Margarita night on Thursday. We, of course, have our full bar menu available every night the bar is open except on Fridays. For our vegetarian members we have added veggie burgers to the menu.
Summer is flying by but we still have lots planned at the club. The I-LYA Regatta will be here through the 9th. On the 10th the painters will start painting the pavilion. The Garden Club is having their August meeting followed by a member’s anniversary party on the 14th (We will still have Friday dinner). On the 16th there will be a fun cruise out to Pelee and Leamington. Also, don’t forget to attend the Alcohol Server Knowledge class on the 16th at 10:00 a.m.
Please come and enjoy your club..............It’s August already!

Barb Chrysler, Club Manager

Take a break from the hustle of Powerboat Regatta festivities and unwind for a few hours swimming at Schoolhouse Bay on Middle Bass Island. Bring hors d’oeuvres to share and your favorite libation to wash them down. On the beach, the committee will provide and cook hot dogs and burgers. Boats will anchor along the break wall shoreline on the Southeast side of the island. The bottom is a wide band of soft sand up to just a few feet from shore, before changing over to a rocky beach.
Concurrent with the picnic, our PIBYC Hobie Wave fleet will be racing an island course, finishing at the Middle Bass picnic site. If you see our small tent and table set up near the fifth telephone pole, counting left to right from the runway, and a whole mess of sailboats, you are in the right place! Bring a game or toys to play in the shallows. All are welcome even if they don’t have a boat available – contact one of the Flag Officers or Past Commodore Bahney to arrange for a ride. In case of inclement weather, well, perhaps next year. Plan to attend with your whole family – it is always a fun time!
