COMMODORE BRIEFING

As the new Commodore, I would like to thank all of the members and friends at PIBYC for this opportunity to help make 2016 one of the best years yet at the Club. Our Club has a long tradition of men and women that helped make the Club what it is today. Thank you Commodore Rick

White, Vice Commodore Debbie Drake Larson and the Board of Trustees for their many hours of meetings and help. I would like to also welcome our new Rear Commodore, Gina Trebilcock and newly elected Trustee Drew Scott along with returning Trustee Alex Calfee. Also wanted to welcome Ray Arth, our new Treasurer, Tom Priesmen our new Power Fleet Captain, Mary Boag French our new Ladies Auxiliary President and Candy Baker our new Fleet Chaplain. Each of these new board members brings many years of experience and ideas to our 2016 Team. Please mark your calendars for our 2016 Season kick-off at the Winter Meeting on January 15th & 16th. This will be held at the newly renovated Double Tree (formally Holiday Inn at Crocker Road) by Hilton Hotel in Westlake, Ohio. Our regular season will start with Clean-up Day on May 14th followed by many wonderful fun activities for members from great cruise outs and sail classes to fun weekend events. I'm looking forward to be Commodore of this great club. I am also proud of its members, our flag officers and trustees, club manager, bartender, chef and kitchen crew and especially of our volunteers. If you haven't volunteered and would like to meet other wonderful members and have fun too please contact one of the Flag Officers. Alice and I look forward to seeing many of you at our Winter Weekend on January 14th.

I would like to wish everyone very Happy Holiday Season!

Bill Boag, Commodore

VICE COMMODORE'S CORNER

First things first, I would like to congratulate Bill Boag on becoming Commodore and Gina Trebilcock on becoming Rear Commodore. I am very proud to be a part of this bridge. Thank you all that braved the weather and were able to attend the Change of Watch. It was a great time! Salute

PC Rick White! It was a very rewarding experience serving as your Rear Commodore. I wouldn't change this past season's experience

for anything.

Larry and I have really enjoyed meeting many more of you at the club. Thank you to all of the members that volunteered and attended events this past season. This is what makes our Club such a fun place to belong to. Thank you also to Barb Chrysler our club manager and her team of fantastic employees! This is a dedicated group.

Now, what's coming up.....Gina and I have had several meetings and are working on the January winter party. Please try to make this event, we will not disappoint. One of my responsibilities this year is to plan the clubs annual fund raiser. I will be putting together a group of talented and dedicated members who are ready to work and party! I welcome anyone interested in joining us, suggestions or comments. Please feel free to contact me, ddlkl@gmail.com or 216-374-4534.

I would like to take this opportunity to wish you and your families a Happy Holiday Season. I look forward to seeing you at the Winter Party!

Debbie Drake Larson, Vice Commodore

REAR COMMODORE

Dear PIBYC Members,

It will be my pleasure to serve as the Rear Commodore for the 2016 season ahead. I am honored to be among those so dedicated to the history and longevity of this hearty seasonal club. Your team of

dedicated trustee's and bridge are already working to bring about a balanced and spirited new season of boating, camaraderie, and enjoyment for the Put - in - Bay Yacht Club that we all like to think of as our living room away from home. Please refer to the calendar within the JIB Sheets to plan along with us throughout the year; Please notice the opening event for 2016 begins with the Winter Doldrums' Party January 2016 and is being planned at a spectacular new venue which will include weekend long activities for your convenience, please mark the weekend as special and plan to join in!

Other favorites to look forward to in 2016 will be: Clean Up Day, May 14th, Memorial Day Veteran's Service, May 30th, Swim Sail Spaghetti Dinner June 20th, July 4th Holiday Weekend Celebration, And, the TBD Club Fundraiser! (Don't miss this!) Something New: We have plans for a Bridge Party? Crazy Race? Speak Easy Night? We welcome your enthusiasm and joy for creating new traditions at PIBYC, there are some openings in July and August where we are together able to offer the members a

new event launch, please let us know of your interests or, if you'd like to be part of the hosting team. The most exciting part about our coveted yacht club is the members, where volunteering, visiting and fun all seem to create the most memorable times of summer. As we take one last look at our season past it's always a treasure to know we have a great club, good friends and something new, yet endearing to look forward to in a new season ahead.

Colorful Fall Regards,

Gina Trebilcock, Rear Commodore

SAIL FLEET CAPTAIN

At this time I suppose most of you have put away your boats for the year and are preparing to flee to warmer climates for the winter, or like me, planning to go skiing and enjoy the winter. Either way we'll all look forward to next season coming and

returning to "The Bay".

Anyone who was around this season knows it was a trying summer with difficult weather popping up rather frequently. We missed many race dates due to this, but did manage to have lots of fun race days.

Many thanks to Jim Hildebrandt for hosting our annual race awards at his home. This year we gave out overall awards for the season with Myself finishing first, Commodore Rick White second, and Ken Farber third. Very cool "Hobie Wave Fleet" hats were given to all who participated this year. If you want one you'll have to come out and join us! We also took the opportunity to have a discussion amongst the fleet, and have decided to change the weekday race series to be held every Friday afternoons at 1PM. We hope that this will make it easier for those who don't live on the island during the week to maybe make it up on Friday instead of Thursday eve. Saturdays will remain at noon and we will continue to have a distance island race series and lessons on Sunday mornings.

With the hopeful return of our injured sailors (Betty Bliss, Mark Scarpelli, Jim Hildebrandt) and newbies from last season we should have a banner season next year.

Lastly, I hope some of you got to see the new bench next to the club entrance dedicated to long time PIBYC member Kay Drake for her long term service to the sailboat racers at Put in Bay. If you missed it please look for it next season and thank her for all she's done us.

Sail Fast, Sail for Fun

Doug Seib, Sail Fleet Captain

AUXILIARY NEWS

We ended our year with our Change of Watch. It was cold and windy outside but inside the Club it was warm and cozy. Dinner and drinks were great thanks to Barb, Woody

and the staff. A special thank you to Joan Booker for the wonderful introduction.

We are looking forward to 2016. Denise Snyder and I are planning some fun filled events. If anyone has suggestions please feel free to call us.

Until the Winter Doldrums ... Merry Christmas to all and a 2016 filled with peace.
