After an amazing group of hard working volunteers braved the elements our Club is ready for our 2016 Season! Thanks to everyone who participated. Next, with the support of the Ladies Auxiliary the playground should be upgraded and ready for business in June.

The new Ship Store merchandise was ordered and is coming soon — stop in and take a look. By the time you read this, our Club activities will have officially started with our bar opening on Saturday, May 21st. Next, so you could plan your summer activities please make sure you have submitted your current e-mail address so we can send the Jib Sheet and weekly updates of activities.

Our Vice Commodore, Debbie Drake Larson and Rear Commodore Gina Trebilcock have been busy scheduling fun events for you this summer. We all look forward to seeing you at the Club! If your interest is in water fun our Fleet Captains have organized a summer of cruise-outs and adult sailing activities for you to enjoy.

Please let us know if you would like to volunteer for any of these activities. On June 11th we are hosting the Mills Race and are looking for volunteers (sign-up sheets on Club bulletin board). Next, there will be the Put-in-Bay Community Swim and Sail (PIBCSS) Spaghetti Dinner Benefit. Everyone is invited to help our future Club sailors and Commodores learn to swim and sail.

Hope to see you at the Club this summer. Please help us to make this a summer to remember!

Bill Boag – Commodore

PIBYC Club Rental
Are you planning a wedding reception, reunion or other private party on Put-in-Bay? The clubhouse is available to rent to members and non-members subject to availability. Contact Barb Chrysler for information and pricing. Email — manager@pibyc.org

The 2016 season has officially started with our clean-up day on Saturday May 14. My thanks go to Rear Commodore Gina Trebilcock for organizing a wonderful event. A big THANK YOU to all of our members who showed up to get our club into tip top shape. It was great to see everyone and catch up. Manager Barb Chrysler and staff had the club open and up and running for our return. This is an annual event for many members. It is amazing what a lot of work can do to transform the clubhouse and grounds! Saturday night was a predicted snow fall with low temps so our actual flowers did not get planted until the following week. Thanks to Commodore Bill Boag and the PIBYC staff for taking care of this task.

This winter, our bridge met multiple times to get things going and organized for a great season and a fun calendar. We are trying really hard to keep our next generation involved. We are adding things like Sunday morning adult Yoga and kids’ yoga with Ladies Auxiliary. The club and bar are open even more. A “new member” meet and greet with a continental breakfast, a PIBYC guest book to encourage and reach out to potential new members are all ideas being put into reality.

We have been defining all of our committees and the fund raising committee will be working hard on our big event on July 30! “Celebrate 130 years of Put in Bay Yacht Club History”! We will be creative with our planning. Tickets will go on sale in late June – so be watching for the announcement! Please mark your calendars and plan to attend this important event to help raise money for our club. We want to make this event a great success!

Hope to see everyone at this year’s events!

Debra Drake Larson – Rear Commodore
Dear PIBYC Family and Friends:

Welcome to Summertime!

The Spring Clean-Up was a huge success! Thank you to all the members that took time out their weekend to help clean-up the Yacht Club and the grounds. All your efforts were greatly appreciated! Thank you also to Barb Chrysler for putting together the nice luncheon for all our hungry workers!

The Memorial Day service was held this past weekend and was a very moving day as we gave thanks to our members that have left for a sea beyond! Again – a special thank you goes out to all our members who have served in our armed services! We sincerely thank you! Our Eye-Opener brunch was also well attended and everyone ate well to start off the Memorial Day celebrations!

Please remind your family and friends to sign up to become PIBYC members. Membership applications are available at the following link: http://www.pibyc.org/app/download/756149531/PIBYC-2013-mbr-app-11-2013.pdf

See you in the Bay Room this summer!

Gina Trebilcock – Rear Commodore

BRING A FRIEND

Do you know someone who might like to join PIBYC? As a first club or second club, PIBYC is a cost-effective home-away-from-home for frequent PIB visitors. Currently we have no initiation fee and we have reduced prices for those aged 21-28. Visit www.pibyc.org to download a membership form.

POWER FLEET CAPTAIN

Hopefully by now everyone has their boat out of storage and in the water. We had our first event of the 2016 boating season with our United States Coast Guard Auxiliary boat inspection on Saturday of Memorial Day Weekend. Four inspectors were present at PIBYC and inspected 23 boats. We will try to make this an annual event.

The first cruise out will be on June 16 - June 19. We will stay Thursday night in Huron and then on to Vermilion for the rest of the weekend. The Vermilion Fish Festival is this same weekend so it should be a great time. If you are not able to cruise with us and want to join us for dinner any night, please let us know and we will add you to our reservations.

The July cruise out will be July 11 – July 17. We will be at the North Channel Yacht Club in the St. Clair River, North Chanel on Monday to Friday and then we will cruise south again and stop at the Detroit Yacht Club for the weekend. The North Chanel Yacht Club is located on the North Chanel of the St. Clair River and it is located on its own island. You can do all or part of this cruise out.

Looking ahead to the 2017 season, we are starting the planning for a cruise out to the Georgian Bay in Lake Huron. This cruise out will be a two week event. Anyone interested in doing this trip, please let me know.

Tom Priesman – Power Fleet Captain
Good Day Sailors and those of you who would like to be!

On May 20th we will start our weekday series at our new start time on Friday at 1:30 in the afternoon. Hopefully this new start time, voted on by the Fleet at last year’s awards banquet, will draw more racers who don’t necessarily live on the island during the week. The weekend series will start Sat. May 21st at noon. We meet on the front lawn at PIBYC where all the Hobie Waves are kept. I hope to see all our usual competitors that week and for anyone else who would like to join us, we always have extra boats available. These two series will continue through July 30th and Bay Week, when we’ll reset the scoreboard for the Fall Weekday and Weekend Series.

The second weekend on Sat the 28th at noon we’ll start our new Island Race Series with a race around one of our neighboring islands. The course will be determined by the weather and wind conditions that day. For a complete listing of races and dates please check out the online master club calendar.

For those of you who want to become sailors, or want to become better sailors and racers we will offer the annual learn to sail clinic, open to anyone, on June 18th starting at 9am at PIBYC. This will be followed up by offering sailing lessons every Sunday morning starting the next day on June 19th.

For anyone interested in the learn to sail day or any Sunday clinic please call/text me, Doug Seib, at 216-210-2108 and let us know you’re coming.

Doug Seib – Sail Fleet Captain

Mill’s Trophy Party
June 11, 2016

The Mill’s Trophy Race party will be held at the club on Saturday, June 11th. I REALLY need HELP for this as I also have a wedding planned for 5:30 that very same evening. (Don’t ask why, it’s a long story!)

Anyway, The Mill’s party will start at noon and go till 4:00. We are serving tacos and hot dogs as we have in the past. Food will be served from 12:30-3:30 and we will be pouring beer and rum punch from noon until 4:00.

I need people to help with set up, run food, serve food, take out trash, keep grounds clean, wipe off tables, tear down, clean the rear bathroom for the wedding, change the sign board and lots of trash runs. This is always a fun day and the sailors all really enjoy this party.

There is a sign- up sheet on the board. PLEASE HELP!

I know I’m always asking for help but I really need it this time to pull this off! PLEASE!

P.S. Our crew has to come back at 6:00 a.m. to serve breakfast on Sunday too!

Register of American Yacht Clubs

Put-in-Bay Yacht Club is a member of the American Yacht Clubs, and Barb has obtained reciprocity cards for our members. A directory of all clubs registered in the continental United States, Hawaii, Virgin Islands and Alaska can be accessed at the club manager’s office. You can pick up your reciprocal membership card in the office also which will give you information to access this on line. This is provided to our members only, one per family.

I have found a very capable dock master for the summer. His name is Chan Bowers and he has been around the water all his life. Stop by and introduce yourself!
We have updated our lawn storage agreement. All boat/golf cart storage has increased $25 for the season. We have limited space so please see Barb in the office to fill out a storage agreement form. We will have a first serve basis based on the date of the signed contract. If the office does not have a signed form, we will have to move your property. Thank you!

Last year the club started to recycle and I believe it has saved the club a lot of money in trash costs. The Put-in-Bay Garden Club has given the club $200 towards recycling containers which will help with our project. THANK YOU Put-in-Bay Garden Club!!

Also – when visiting the bar, please remember to bring your membership card so Ann Marie can serve you your favorite cocktail!

**WISH LIST UPDATE!**

Our “front sign fund” has officially started with a check from the Burke family! We would encourage more donations so that we can get this project off the ground! An enormous THANK YOU to the Burke family for their donation!

---

**PIBYC 2016 WISH LIST**

This list is for items that PIBYC currently needs or wants, that are currently not in our budget. If you would like something added to the list – please contact Debbie Drake Larson at ddllkl@gmail.com.

1. Improvement to the front sign at PIBYC with a similar style one.

We have a member that has the expertise to accomplish this task, but are in need of donations for material!

Thank you in advance!
Clean Up Day Fun!
The Kroger Community Rewards Program is supporting PIB Community Swim & Sail Program. What this means is when you shop at Kroger (any location) you can direct Kroger to donate a small percentage of your purchase to the Swim/Sail program. There is no additional cost to you.

You must have a Kroger Plus card and must enroll your card online at the Kroger Community Rewards website. There are instructions and a direct link to the Kroger site on the swim/sail website (pibswimsail.org) to help walk you through the short enrollment process. Our organization number is 90301. Swim/Sail receives over $500 a year from Kroger and that is with only a handful of participants signed up. If we could have as few as five more people sign up we could double that amount. Every little bit counts. Help us shop our way to better funding for water safety education.

**IMPORTANT:** The KCR program resets on April 1. If you are enrolled before that date you must “renew” or relink your Plus Card to Swim/Sail on or after April 1, 2016. Renewing is very easy! Don’t delay, enroll today!
