The Mills Race was another success thanks to our hard working staff and wonderful volunteers. They braved the 90+ degree weather to make sure all the Race participants enjoyed a great day at the Put-in-Bay Yacht Club.

One of the most enjoyable impromptu events was a Sunday evening watching the CAVS game 7 of the NBA Finals. As you can imagine there was a lot of dancing in the Club and in the streets! Between the successful Mills Race and watching the CAVS win the NBA Championship in grand fashion it was a great way to kick off our summer season!

Next, our playground base repairs are on track to be completed in June and our new Ship’s Store merchandise is starting to arrive. Based on the way the new items are flying off the shelves our members like what they see.

Vice Commodore Debbie Drake Larson and Rear Commodore Gina Trebilcock are busy planning and rolling out events for the season. Please mark your calendars starting with a member favorite from 2015 ‘Martini Night’ on Saturday, July 2nd. Next will be our annual ‘Freedom Party’ on the 4th, the ‘Swimming and Sailing Awards’ after our Friday dinner on July 15th, and then our ‘130th Anniversary Party/Fund Raiser Event’ on Saturday, July 30th to name a few. Please call the Club Office (419-285-4505) to reserve your tickets now for the July 30th event.

Finally, don’t forget that our Club is open regularly on Wednesday thru Saturday, especially our Friday dinners served under new kitchen management.

Hope to see you at some of the activities that are scheduled for members and families to enjoy this summer. Please help us to make this a summer to remember!

Bill Boag - Commodore

What a Memorial Day event our Yacht Club hosted! The American Legion Post 542 Rifle Squad lead the procession again. A lovely service was hosted by Commodore Bill Boag. A cannon salute, placing of the wreath, and Amazing Grace sung by Deborah Parker were all part of the event. A bell was rung for every name read while all of the officers saluted and a rose was cast into the bay. A 21-gun salute by the American Legion and Taps concluded our service. The weather was wonderful and a good crowd attended. This was followed by a lovely brunch put on by Barb, staff and volunteers. Hats off!

Another successful Mills race kicked off the month of June! Hundreds of sailors were at the club. A good time was had by all and oh what a team of volunteers! Thanks to all!

The car parade was hosted by our club for the After-Party on Sunday June 19th. The menu included sloppy joe’s and there were many happy patrons. It is so nice to see new faces in the club. This event was sponsored by Dick Bliss.

We are looking forward to many upcoming events such as: the Freedom Party hosted by Michelle and Drew Scott and Christie and Dale Murdoch; a Key West party hosted by Heidi and Todd Tigges; the Swim/Sail cruise out and after party at the Club; and of course I am working on our fundraiser with a team on the fundraising committee to make our “Celebrating 130 years of PIBYC history” a successful event! Tickets are now on sale for $50. Please plan on attending this FUN event! Please be aware of how important this fundraising is to the operation of our club. Because of these special events we are able to keep our membership fee as low as it is. Thank you in advance for all of you support!

Debra Drake Larson – Vice Commodore
Dear Members and NEW MEMBERS,

We have had 25 new or returning members starting off with us in this Summer 2016 season. This is fantastic! The more use of our club the more options we have for improvements. To help gather interest preferences, the Membership committee is looking for your assistance.

New or Returning Members:
Let us know what interests you about the PIBYC, by clicking on this link below. Then be on the lookout for more details of a special gathering in your honor! See the link below:

Gina Trebilcock – Rear Commodore

The power fleet went on our first cruise out on June 16-19 to Vermilion Yacht Club. We had ten boats with 20 people and enjoyed picture perfect weather. Friday evening we had dinner at Chez Francois and front row seats to the Fish Festival Fireworks Show. Saturday we had a wonderful cookout for lunch and dinner at the Blind Perch followed by a Lighted Boat Parade. Sunday’s cruise home was again picture perfect with a 1-foot chop.

Our next cruise out will be July 11-17. We will be going through Lake St. Clair into the St. Clair River and channels. We will be staying at the North Channel Yacht Club on Monday and departing on Friday. On Friday we will travel back South to the newly refurbished Detroit Yacht Club, one of the premier clubs on the Great Lakes. Anyone wanting to go on this trip, please sign up through the website. There is a link to sign up for cruise outs on the home page.

Future cruise outs will be August 18-21 and sometime in September. On August 18 we will be cruising to Rattlesnake Island and spending the afternoon and night on Rattlesnake. We will depart Rattlesnake Island Friday morning and then travel to Leamington. The new Leamington Festival will be that weekend while we are at the Leamington Marina. On Sunday we will travel to Pelee Island and spend the day at the winery and dinner at the Anchor and Wheel Inn. We will depart Pelee Island on Monday morning and head home. In September we will be planning at trip to Cedar Point and Sandusky and possible a second September Cruise Out to Port Clinton and the Portage River.

Tom Priesman – Power Fleet Captain
Good Day All,

The Sailing season is in full swing. We’ve had a pretty good season so far, with only one or 2 cancellations due to no wind. Much better than last year! Unfortunately, one of those days was our “Learn to Sail” day for the members as well as the public. However, the next day on Sunday we had 10 people show up for free weekly lessons, so a lot was still accomplished. We’ll continue to offer these free lesson days most Sundays at 10 am through the middle of September. Please call or text me to let us know you’re coming so we have enough instructors available (216-210-2108).

This year Senior Bay Week is not in its usual place at the end of July but will be the first weekend in August (5,6,7). We won’t be hosting the North Americans for the Hobie Waves this season, but hopefully all of our fleet will take part. The big fleet this year will be the Day Sailors who will have their Nationals during Bay Week. They’re expecting a fleet of 30 boats from all over the country.

I’ll be in charge of course management for Bay Week this year and we are still looking for people who would like to assist with on the water course setting. You get a free social package for the weekend (lunch, dinner and drinks for all three days) for helping out. Call me at the aforementioned number if you’d like to volunteer.

Doug Seib – Sail Fleet Captain

A big shout out to all the members who helped during Mill’s Race weekend. Thanks especially to Bill and Gayle Worley who coordinated ALL the food for the Mill’s party. There were many compliments especially on the grilled hot dogs!

Thanks too, to Anne Spetel for the delicious Chicken Oscar we had for Friday night dinner.

I can’t forget to thank Andy Munn who stepped in to cook for the wedding we had following the Mill’s party. We got a nice note from the bride complimenting the food and our friendly, professional bar staff.

Gina and Mike Trebilcock came in at 4:30 A.M. to cook breakfast on Sunday for the Mill’s sailors.

My staff is outstanding and I couldn’t do this without them!

This just shows how we can do it all if we work together. Thanks everyone!

There are lots of fun things going on this month starting with the first day........Friday dinner! Not sure what we’re having yet but I’m sure it will be good. Anyone with suggestions on dinners, let me know. Better yet, if you want to put on a dinner, step right up! Saturday, the 2nd, the popular Martini night returns to the bar. Don’t forget the Freedom Party on the 4th. There is not a better spot to watch the fireworks than our patio so come down for some fun.

Tom Priesman has put together a cruise out to North Channel Yacht Club. The Auxiliary has been busy planning fun luncheons. The I-LYA Junior sailors will be here the middle of the month and Doug Seib is offering FREE learn to sail lessons on July 10th, 24th and 31st!

Swim/Sail is having their annual fundraiser on the 9th and the club is having their REALLY BIG FUNDRAISER on the 30th. So, as you can see, we have a great July planned so please come enjoy the club!
Marilyn (famous enough that I don’t have to say her last name) has gotten us new signs for the outside of the club. One has club and office hours, one welcomes members of affiliate clubs, and several "no alcohol beyond this point. She also got us a new dock rules sign for the dock. She is always volunteering her time keeping the club up to date on everything from the calendar (constantly), website, signs etc.

AUXILIARY NEWS

Happy Fourth of July! The ladies have started off the season with a bang. We began with our annual "Welcome Back" potluck for our swimmers and sailors. The auxiliary served over 30 hotdogs and 60 hamburgers, it was a huge success. The ladies from Silver Sails hosted a fabulous luncheon on June 21st. Many members are still talking about the delicious salad! Denise Kempf Snyder and the Hildebrandt crew hosted our first "Generation Tea Party." It was wonderful to have great-grandmothers, grandmothers, aunts, daughters, cousins and friends at the luncheon. We were treated to tea sandwiches, an auxiliary classic, as well as tea from Civilization in Cleveland. Andrea Calfee brought Nancy Leighton Calfee's journal from her days as a member of the auxiliary. Andrea read the list of names of the members and their role on the board in the 1950s. It was heartwarming to hear the names of family members and friends. Jean Hildebrandt was in attendance and we discovered that she chaired the "Social Committee."

Upcoming events include our Home & Garden Sail-stice. Please bring items to donate between 9-10 on July 3rd. The sale will be July 3rd from 10-1. Proceeds will go to benefit the PIBCSS Jr. Bay Race Team as well as the auxiliary.

Join us on July 11th to help fold I-LYA shirts and please sign up to sell the shirts. The sign-up sheets are on the bulletin board. The auxiliary has taken over the shirts from Marilyn Paselsky. Thankfully, Marilyn is still helping with the process. Her expertise is greatly appreciated. Sara Booker Sheehan has designed the shirts this year- they are darling.

On July 12 we will be hosting an East/West side of the island themed luncheon. Look for island themed tables, cocktails and a bit of island history. Encourage your neighbors to join you! The side of the island with the most members in attendance will certainly have bragging rights. Also, instead of a traditional luncheon on July 26th we will also be hosting a happy hour after the Garden Tour on July 27th.

Yearbooks are IN!
Books will be available at the club during office hours or at any event. If you included the extra $6 for postage with your membership renewal your book will be mailed to your current address!
A special thank you to Christine Booker Keyes and Ann Marie Drake for helping me get the Ship Store shaped up and organized for the season. Christine is in charge of our store and is looking for volunteers to help keep the store open during many of our events. The store is filled with many classic items. We are most excited about Jill Cook’s sail bags in the shop. These reasonably priced bags feature our burgee anchors, sail boats, and even mermaids!
