REAR COMMODORE

As the club is being put away for the winter and the signs of fall are readily apparent, we have begun planning for the 2017 season of family fun and activities. As the incoming Rear Commodore, the Flag Officers and I have heard many of the membership’s requests and the focus in 2017 will be on meeting the membership needs and requests. We will look for more ways to utilize our beautiful clubhouse when members are on the island which include some Sunday morning events and more informal Saturday themed events. If you have an idea for one of these events and would like to be a part of planning that event, please take the time to reach out to any of the Flag Officers so we can help make 2017 a year to remember. We will be kicking off the new year with our annual Winter Doldrums party held in Westlake again this year. Plan on booking your room at the new hotel and be a part of the fun and festivities. The rest of the 2017 calendar is published on the web site and we will be adding more dates and details for events during the year. I know I am excited for the upcoming season as we will keep our focus on fun and activities for the whole family. Remember this is our club and our playground and the best members make lasting memories! So participate and get involved.

CLUB MANAGER

It doesn’t seem possible that I’ve been the manager of Put-in-Bay Yacht Club for 5 years and looking forward to another! Each year has its challenges but with a great staff, fun Bridge and wonderful members the club has turned into a popular destination. This year we had more events and parties than any of my past years and we’re already planning more things you don’t want to miss in 2017. Commodore Bill Boag was a pleasure to work with and was always available when I needed anything. Thanks Bill! I look forward to working with our new Commodore Debbie Larson, Vice Commodore Gina Trebilcock and Rear Commodore Todd Tigges in 2017.

Thanks everyone for supporting me and the club and I’ll look forward to seeing you at the Doldrums.

Barb Chrysler –
Club Manager

AUXILIARY NEWS

On October 1st, I had the privilege of attending my first Change of Watch celebration. While being sworn in as PIBYC Auxiliary President, I could not help but feel gratitude to Mary French and all the other past Auxiliary Presidents that have shaped PIBYC into what it is today.

Sadly, shortly after Change of Watch, we had to say good-bye to past Auxiliary President and friend to all, Connie French. Just like summer, we are sad to see them go, but are thankful for the fun times we had together.

2017 at PIBYC promises to be another exciting year! Please join Deborah Palmer and I at the Winter Doldrums where we can generate new ideas – or just have a drink!

Peace and love to all this Christmas season –

Denise Kempf Snyder –
Auxiliary President

Did you get any good pictures at Club events this summer? If you are willing to share the pictures for publication in the PIBYC yearbook, bring them to the 2017 Winter Doldrums Weekend (on CD or flash drive). If you can’t make it to that event, they can be mailed or emailed to me by February 1, 2017. I prefer the original, hi-resolution, unedited files straight from your camera.
