Wow, it is August! Things have really been hopping at the club. Barb and team have been extremely busy with all the events! Chef Anne is busy in the kitchen! We have had many rave reviews! Not sure if you have tried the pretzels bites but they are awesome!

The Clydesdales were in town on July 2nd and we had a fun group on the front lawn of the club enjoying the afternoon and oh what a sight those horses are! We had another successful July 4th Freedom party. The kids had a ball! Musical chairs and water balloons were crowd pleasers! Drew Scott lead the charge on another delicious dinner, assisted by Todd Tigges, Larry Larson, Tyler Parsons and Dale Murdoch. The homemade potato salad was just great! We enjoyed multiple patriotic songs led by Heidi Tigges and her entourage on their violins and violas, and CC Wisniewski on flute!

The Swim/Sail Fundraiser White Party was a wonderful night! Everyone in white attire, white decor and white food. A big thank you to party organizers Mary Boag French and Colleen Cody Clark and their team of helpers! It was spectacular event! After party at the Yacht Club went until the wee hours - thank you Elizabeth!!

It was a beautiful night for our annual awards ceremony for Swim/Sail on July 14. Congratulations to Gardner Trophy winner Marisa Rudolph! Junior Bay Week was hosted at the club and was another fun time! The PIBYC Race Team took 2nd place on Sunday for the skits at the opening ceremony. This is a really enjoyable time and a great kick off to a really fun week!

July 29th was our annual fundraiser, this year’s theme was Vision 2020, shaping our club for the future generations. We had many great live auction items to bid on and all attending had a good time!

We are all looking forward to the Senior Sail and Power Regatta starting the first two weeks of August! It is always so fun to have everyone here. Hope to see everyone down at the Club!

Peace –

Debbie Drake Larson – Commodore

NOTICE OF ANNUAL MEETING
Saturday – Sept. 2nd at 10a

Report of the Bridge and Election of Trustees. It’s YOUR club; find out what’s going on; get involved in planning and share your ideas. Reports from the Bridge and committee chairs will be followed by the election of Trustees. Two of six trustee positions are elected by the membership each year. A lot has been accomplished and there is plenty more to come! This is your opportunity to raise issues to the Board and membership, provide suggestions and join a committee!

MARK YOUR CALENDAR NOW!

Dear PIBYC Members,

We recognize at PIBYC that we have an outstanding group of members and volunteers. We are constantly working on how to best get you quick updates and notify you of events, dinner specials, volunteer jobs etc.

If you are interested in getting text message updates:

You can also get email updates:

You can even leave the body of the email blank. Both the text and email will get the same messages, so you don’t have to sign up for both!

YEARBOOKS ARE IN!

Books will be available at the club during any office hours or at any event. If you included the extra postage with your membership renewal, your book will be mailed to your current address.

REAR COMMODORE

With our busy July activities now in the books, we look to open the month of August with I-LYA Sail - (Aug 3-6) and Power (Aug 9-13) weeks. We are still looking for more volunteers for the various activities, so if you are around and looking for a great way to meet fellow maritime friends, please sign up to take a shift helping out.

Our second Annual Key West party is scheduled for Saturday the 19th and will feature some Caribbean drink specials and heavy “Island Themed” appetizers. Those that were in attendance last year will know that this is an event not to be missed. What better way to enjoy the waning days of summer than with a cold Caribbean libation and friends of the summer!

An event new to the club will be our evening of “Cigars and Stars.” For this inaugural event, we will be limited to 30 people. From 7-10pm, we will be tasting 4 hand selected bourbons, appetizers, and 2 specially selected cigars by our own Island Tobacconist, Rich Warren. Rich will also give a little bit of history and tasting notes about his selections. Ticket prices will be $40 per person.

A big shout out and thank you to all of our members that have been coming down to the club and partaking in this fun filled summer of activities. Be sure to keep your eyes open for the weekly newsletter, either on facebook or in your email for all the latest details on our August events.

Todd Tigges – Rear Commodore

POWER FLEET CAPTAIN

This article is sent to you from Tobermory, Ontario, Canada. We left our home ports on July 22 and all met up on July 23 in Bayfield, Ontario. We had five boats in Bayfield and four additional members met us for dinner. On Monday, July 24, the winds picked up so we stayed in Bayfield for another day. Tuesday, we traveled 50 miles north to Kincardine, Ontario. We celebrated Christmas in July with the Bagpiper playing at the Kincardine Lighthouse. Wednesday, we left Kincardine for our trip to Tobermory. Winds continued to build as we traveled, but everyone made it safely to Tobermory at the mouth of the
Georgian Bay of Lake Huron. A sixth boat joined us in Tobermory on Thursday. We left Tobermory Friday, July 28 and headed to Killarney, Ontario, in the North Channel. We stayed three nights at the Killarney Mountain Lodge and headed home Tuesday, August 1. This will put us back in our home ports by Saturday, August 5, weather permitting.

Remaining trips will be to Sandusky/Cedar Point and Leamington, ON. Sign-ups for these trips will be up shortly. There are a couple members wishing to go to Huron/Vermilion. If you are interested in any of these trips, please contact us and we will try and make arrangements.

It’s hard to believe we are half way through summer. Soon the schools will be back in session. We still have a lot of summer left to enjoy our boating and the Put-in-Bay Yacht Club.

The tent is up and we’re in the midst of the I-LYA Sail Regatta with the Power Regatta to follow. All is smooth sailing for the 124 running of Sail and the 43 running of Power. It’s always a pleasure to work with I-LYA’s group of dedicated volunteers and Commodores. Every year things run better and I look forward to a fantastic 2018!

Many of our members are now cruising the Georgian Bay with Power Fleet Captain Tom Priesman. He has really put together many enjoyable cruise outs for our members. Sign up for the next cruise out to Sandusky/Cedar Point on the 24.

Collect all your knives, scissors and lawn tools and bring them to the club on August 31. Kevin Moon will again be at the club to get you sharpened up!

Things have been operating very smoothly this summer here at the club. I have an excellent staff and Bridge. A big shout out to Rear Commodore Tigges. He has installed new light fixtures, fixed hinges, changed lightbulbs, vacuumed, cooked, done dishes, bartended, etc. It seems that whatever needs done, he is there to help. He should have never shown us how handy he is! Thanks Todd!

I can’t forget (again) to thank Dick and Betty Bliss who have been at the club every Wednesday and Thursday volunteering to cook hot dogs and tacos for you to enjoy.

Come down and enjoy the club. It’s August already!

**AUXILIARY NEWS**

PIBYC has been packed with outstanding events in July. Thank you to all the volunteers that bring their time, energy and creativity to the YC. Each and every event is fun in its unique way!

As the Auxiliary begins to wrap up their projects for this summer...we begin to plan for next year. New volunteers are always needed!
A message from Laureen Mooney:

“Jr. Bay Week is an exciting time around PIBYC! For over 60 years I-LYA has sponsored this Regatta. Sailors ages 13-19 from various clubs compete for 4 days in Lasers and 420’s. During this event our club volunteers cook and serve meals to approximately 200 competitors, coaches, and I-LYA committee members. We are looking for a New Team of interested, energetic people who would head up this worthwhile, rewarding project for the 2018 season. Laureen Mooney, Pam Rudolph and Gina Trebilcock are ready to train you to get started. Lots of volunteers are always on hand to help as well! Stop by the club to see the program in action July 17-20, 2017.”

Summer is going too fast! Hope to see you at the club in August! Come down and enjoy the club. It’s August already!
