## COMMODORE'S BRIEFING

---

Dear Members,

Many thanks to everyone that helped with the Clean-Up day! With the great weather and member spirit we enjoyed a wonderful turnout all benefiting the club. Elizabeth commented that with such great teamwork on the cleaning and sprucing, she found the time to care for all the little things needed to start up the season in style! The entire team was appreciative of all the support, enthusiasm and hard, but rewarding work - thank you all!

Please take the time to reach out to Jim Dettmer ([membership@pibyc.org](mailto:membership@pibyc.org)) our club membership secretary to coordinate on any of your contact updates or membership renewal needs. At this point he is the best way to get current for the 2018 season.

Please make your reservations often and early for both Friday Night Dinners and special occasions events. Chef Anne Spettel can do more to accommodate when she is prepared with the numbers attending. Let us know if you're interested by calling in to one of our managers or sign up on the links sent via email. You can check for information on the billboard of the Club wall -- or just stop in and we can discuss current events over a beverage in the Bayview Room - so many options, so little time!

If you are planning a special family event or would like further details on what dates the club can offer, please get in touch with Barb Chrysler at 419.285.4505

Hope to see you in the Bayview room again soon!

**Gina Trebilcock – Commodore**

## VICE-COMMODORE'S CORNER

---

We are ready to kick off what I know will be a summer filled with great times and adventure. If someone can just let Mother Nature know the calendar shows June and our lake is full and does not need any more water!

First off I would like to thank all of our members that attended our annual clean-up day. We had great turn out of members and the weather for all of our projects could not have been any better. The club is looking great with our new lighthouse to help light our way into the future. A big thank you to the Put-in-Bay Maritime Society for the grant associated with this project!

June has a lot to look forward too. Soon there will be boats on the lawn and members in the club. We are kicking off June as we host the Mills Race competitors June 9 and 10<sup>th</sup>. If you are interested in lending a hand to help work in the tent or serving breakfast Sunday morning, please let one of our club

managers know, I know we are still looking for volunteers. This is a great way to socialize with the sailors and enjoy fellow yachtsman camaraderie.

The club is also looking for some different ways to help raise the necessary capital to allow our dues structure to be so very affordable. In June, we will be kicking off a very special limited ticket Raffle - only 100 tickets will be sold. The prize is a trip for 2, with Airfare and Hotel included, to see the hottest musical on Broadway, "Hamilton"! Yes that is Broadway in the heart of NYC! This special trip is valued at over \$5,000, but for a getaway adventure like this with your spouse or significant other, PRICELESS! We will be posting information soon so be sure to check your weekly emails and also the information board inside the club for details.

We hope to see all of you around the club this summer. There are lots of special events planned for the summer, with additional things added all the time. Stay tuned to the weekly updates and Facebook posts for the latest and greatest event schedule!

## **REAR COMMODORE**

Summer is right around the corner and I am anticipating warm nights on the boat, at the yacht club, in the Front Room Bar and spending time on the island. Speaking of the Front Room Bar and the Club itself, a BIG THANK YOU to all the members who came out to help with our annual clean-up day. The grounds and clubhouse look fantastic! The weather and crew allowed us to clean, plant shrubs, remove debris and trees from the grounds and prepare for the upcoming season.

Once again we will be hosting the Mills Race scheduled for June 9<sup>th</sup> and 10<sup>th</sup>. If you are interested in helping out and volunteering please let us know. We can always use an extra hand and your help is greatly appreciated.

Friday, June 15<sup>th</sup> will be the annual Swim Sail Spaghetti Dinner and Fund Raiser. Please feel free to come in and support the program. As always, I am sure there will be some fantastic raffle items for you to bid on.

We plan to kick off the July 4<sup>th</sup> weekend on June 30<sup>th</sup>, with our annual Martini Night. What better way to close out June and begin the holiday than having a martini on the patio looking out at the best view on the island. Hopefully, we can make the yacht club's Front Room Bar a Friday Night destination.

Make plans to have dinner and then stop up to have a drink and catch up with friends! Come join us and plan to leave feeling better than when you came in. Between you and me, not only do we have the best view on the island, we also have the best bartenders and drink prices on the island! Be sure to read your emails and also check us out on Facebook to see upcoming events all summer long. See you soon!

Good Day All,

Despite the beautiful weather we had for Cleanup Day, the rest of May has been ugly at best. Between high water and high winds it's been tough to get our boats ready for the season let alone even thinking about venturing out on the water to sail. With Memorial Day weekend approaching, we'll all cross our fingers and head out for our first sailing of the season.

We will be racing every Friday at 1pm. As reported in last month's Jib Sheet, Saturday racing will be at 10am with members invited to join us to come out and just sail in the Bay while being watched and instructed by one of the members. We'll be there to help you get in and back out of the launch ramp. There will be some special Islands races on holiday weekends to change things up and test our seamanship skills for distance racing. We meet about 30 minutes before race time on the club lawn. If you're interested in joining us let me know ahead of time so we have a boat ready for you or just show up if the weather looks good!

I will also continue offering sailing lessons every Sunday morning at 10am starting on June 17<sup>th</sup>. Please contact me @ 216-210-2108 to reserve a spot and to advise you on what to bring. These lessons are for anyone, adults or kids, interested in learning to sail. If you want to improve or hone your racing skills I can help you with that too.

Lastly, the new kayak and paddleboard rack is finished with spaces ready to be rented for the season. Another great way to keep your toys at the club for easy access to the water. Call CC to get set up.

Sail Fast, Sail for Fun!

**Doug Seib – Sail Fleet Captain**

## CLUB MANAGER

Both C.C. and I have been busy getting ready for the season. I'm most excited about our new Point of Sale system which will allow us to streamline our sales and bookkeeping.

Clean-Up Day was a huge success with 55 people helping to get our club beautiful for the season. The weather for Barn Clean-Up the following weekend was terrible and only 1 person showed up. Can you guess who? Bob Bahney, of course!

The Mill's Trophy Race is June 9<sup>th</sup> and our club is again sponsoring the party. Everything is pretty much the same including needing help to set up, cook and serve hot dogs, food runners/servers etc. There is a sign-up sheet on the board and also on-line.

We have met with the committee for the ILYA 125<sup>th</sup> Regatta and it looks to be well organized.

Lawn storage is again filling up fast. Please fill out the storage agreement in the office BEFORE dropping off your boat/golf cart. We are adding Kayak storage this year. The racks should be completed soon and the cost is \$50.00. Please call the office to reserve your spot.

**Barb Chrysler – Club Manager**

## CLUB MANAGER

I think we can say that summer is finally here! We had a great turn out for club Clean-Up day and the place is looking beautiful! Just in time for all of our fantastic events coming up this month.

Our Bayview room will be open with bar service Thursday evenings through Saturday evenings, 5pm-10pm. On Wednesday, June 13<sup>th</sup>, we will be in full summer swing being open Wednesday-Saturday. Weeknights will have quick food service like hot dogs and tacos. Fridays will be our always popular Friday Night Dinners, and then we have a bar menu available Saturday evenings. Come down and enjoy some perch, burgers, wraps and other popular items!

Save the date for Friday night dinners coming up. Some of our specials coming up: June 8<sup>th</sup> will be Greek Night, June 22<sup>nd</sup> is Roast Pork and June 29<sup>th</sup> will be Beef Stroganoff.

**C.C. Wisniewski – Club Manager**

## AUXILIARY NEWS

Welcome back! Summer is upon us and the Auxiliary is already increasing our use of technology to help member's awareness of events at the club! We are introducing the *Auxiliary All-Access Pass* this year, which members can purchase at the start of the season. The pass provides access to all Auxiliary events (except Silver Sails) throughout the season at a discounted cost and no need to worry about bringing a check or cash that day! Our new Auxiliary FACEBOOK page, "PIBYC Auxiliary", provides up-to-date information on events and we are designing a new Auxiliary webpage on the [pibyc.org](http://pibyc.org) site as well! We are also implementing online Event Registration and payments – so stay tuned to our communication channels! Lastly - our Instagram page is up and running- so check us out at PIBYCAuxiliary.

As we gear up for these fun events this summer we are reminded that our efforts depend upon member participation- so please come join us any way you can! AND – be sure to donate clothes and COME SHOPPING on July 5<sup>th</sup>!

### DONATIONS NEEDED

- Gently used **CLOTHING** for our Auxiliary Sip & Shop Happy Hour Event
- **TOYS & CHILDREN'S BOOKS** for the TOY CLOSET (no small parts please)
- **OUTDOOR PLAY EQUIPMENT** to enhance the play area

### VOLUNTEER

- The Ship Store is member-run. One hour during an event or Friday dinner helps!
- I-LYA Junior Sail Regatta... come help with cooking, serving or t-shirt sales
- I-LYA Sail & Power Regatta... we always need help with T-Shirt folding and sales

And don't forget to take a picture of your little one in our new Future PIBYC Commodore Frame and post on our new Instagram or Facebook page

**Deborah Palmer – Auxiliary President**
