With special appreciation, we’d also like to thank Debby Parker for sharing her time to complement our service with her ethereal voice and making the ceremony glorious for all. Additionally, thank you to the dedicated Officers and Members of the Club who contributed their time & energy to making this service possible.

VICE-COMMODORE’S CORNER

It is hard to believe July is here already as it feels as if the kids just started Swim/Sail. On that note, with the July fireworks also comes our annual fundraiser events.

In keeping with our Vision 20/20 theme and to further our yacht club's mission, the Put-in-Bay Maritime Society in conjunction with the PIBYC, will be hosting a reverse raffle with only 200 tickets sold. The drawing for this main event will be held on Saturday, July 28th. In addition to this drawing event, there is also a spectacular dinner planned, prepared and hosted by our very own Patty LoPresti and her husband PC Carl LoPresti. This is an event not to be missed with lots of fabulous prizes. The cost of the chance ticket will be only $40 and if you are to also include dinner it will be an additional $20 for a total of $60 per person. You need not be present to win, but you cannot attend the dinner without a chance to win. So this is a great way for all of our members to support the boating life we all enjoy so much and
help “Light our way to the Future.” Tickets are available from any board member and a limited quantity will also be available at the club.

As an additional fundraising opportunity we also have the Hamilton raffle drawing. This is a 100 ticket only drawing for a trip of a lifetime. A getaway vacation for TWO, with Broadway Mezzanine seating tickets, Airfare and Hotel included, to see the “Hottest musical on Broadway, Hamilton”. Yes, that is Broadway in the heart of NYC! You may purchase tickets by completing the form and remitting the completed form with payment to either Christy Bykowski or directly to the PIBYC Club Manager. Tickets are on a first come, first served basis and ONLY 100 will be sold. The drawing will be held at a special event in August 2018 once all of the tickets have been sold. Names will be printed and entered into the hopper for this special drawing. Hurry and get those tickets as this exciting raffle is expected to sell out quick!

There are a lot of events and opportunities this month and I look forward to seeing all of you around the club!

Todd Tigges – Vice-Commodore

REAR COMMODORE

Although the weather feels like it is a few months behind schedule, summer has begun. We end June with a night of stargazing with Gene Zajac on June 29th. Bring the family down to the club, bring your lawn chairs or a blanket to sit in the yard and take in the constellations and millions of stars in the night sky. Gene will begin at 10:00 pm. Weather permitting, Gene plans to have a telescope on hand, but encourages everyone to bring binoculars if you have them. Saturday, June 30th is the annual Martini Night. Come down and imbibe in a cocktail and socialize with your PIBYC family.

As we say goodbye to June, we begin July with the Fourth of July Freedom Party. Our “Next Generation” events will begin at 5:00 pm in the side yard. Plan to come to the club early, have dinner, a few drinks and then stay for the fireworks. Dinner will begin at 6:00 pm and the cost is $12.00 for adults, $5.00 for 6-12 year olds and free for anyone 5 and under. To assist in your festive attitude, the bar will have adult “bomb pops” specials – Red, White and Blue is the theme and “Liberty and Justice for all” is why we are celebrating.

On Saturday July 7th, we will celebrate our New Members starting at 4pm. Come down to the clubhouse and introduce yourself to our 2018 New Members and show them why we all continue to renew. Make them feel like part of our family.

Then it’s on to a retro-weekend. July 21st is not only Christmas in July, it is also our Retro-Weekend at the club. Over the next few weeks feel free to bring pictures of yourself from the 1970s and 1980s or email them to Amy Schulte at amycshamrock@yahoo.com to help create a fun picture board in the clubhouse. Saturday evening, our very own PIBYC members Ben and Christy Bykowski will be spinning your favorite tunes from both decades. Come donned in your bell bottom jeans and tie-dyed t-shirts or your “Member’s Only” jackets, peg legged jeans and Chess King shirts. For all you ladies of the 80s put your shoulder pads back in and make sure your hair is as big as you can make it, remember “the higher the hair the closer to God.” Either way you’re sure to re-live your youth or be humored by the way your parents used to dress.
Once again, I can’t thank everyone enough for your participation and coming down to the club to participate in dinner and drinks. Our bartenders are the best and our drink prices can’t be beat. I am looking forward to seeing everyone throughout the month.

Brian Leonard – Rear Commodore

Good Day All,

The Sailing season is in full swing. We’ve had a pretty good season so far, with more sailors showing up each weekend. We have extra boats so come out and enjoy the fun and learn to sail. Racing is every Friday at 1 pm and Saturdays now at 10 am. As we’ve mentioned previously we are taking sailors who don’t want to race out on Saturday mornings to get them out on the water and enjoy sailing. For non-sailors that want to learn I’ll also be offering our free lesson days most Sundays at 10 am through the middle of September. Please call or text me to let us know you’re coming so we have enough instructors available. (216-210-2108)

This year Senior Sail Week is the first weekend in August (3rd, 4th & 5th). We will be hosting the North Americans for the Hobie Waves this season, I’ll be in charge of course management for Bayweek this year and we are still looking for people & boats to assist with on the water race committee course setting. You get a free social package for the weekend (lunch, dinner and drinks for all three days) for helping out.

This year we have Tito’s Vodka so there will not only be the Mount Gay Rum party one night but also a Vodka party a second night.. Call me at the aforementioned number if you’d like to volunteer.

Sail Fast, Sail for Fun,

Doug Seib – Sail Fleet Captain

The 2018 cruising season started with a bang. Friday evening, June 15th we enjoyed front row seats to the Vermilion Fireworks. It was a beautiful display. We had 8 boats travel to Vermilion with 20 people aboard. Past Commodore John Spencer and his wife Sharon joined us for dinner and drinks Friday evening at the Vermilion Boat Club. The weather couldn’t have been any better.

In July we will be cruising to the North Channel Yacht Club in Algonac, MI for five nights and then Ford Yacht Club in Gross Ile for two nights. We will arrive at North Channel Yacht Club on Sunday, July 22 and arrive at Ford Yacht Club on Friday, July 27. We already have ten boats signed up. You can go the entire trip or either part. The sign up can be found on the front page of our web-site in the sidebar. This is a fun trip with lots of dinghy opportunities. However, if you don’t have a dingy, there is still plenty to do. Some people have rented a dinghy in Algonac.

We are thinking about organizing a kid friendly cruise out. Please let us know if you have any interest.

If September we are planning a cruise out to Port Clinton Yacht Club and possible Cedar Point in October. Sign-ups will be up soon.

Tom Priesman – Power Fleet Captain
EXECUTIVE MANAGER

We are in full swing for the summer! The kids are sailing and swimming, the Hobie guys are teaching members to sail, the Bloody Mary Bar has started, the Auxiliary is having their luncheons, cruise outs have started and the bar is open for its summer hours!

During clean-up day our volunteers planted beautiful new plants around the club. It's hard with our small staff to keep them looking nice by watering them when they need a drink. If anyone has some spare time to water for us we surely would appreciate the help!

July brings the I-lya Jr. Sail Regatta to the club for their 63d regatta. I look forward to working with Matt and Lisa Fisher. It’s always fun to watch the kids making forever memories!

The Mills Trophy party on June 9th was a huge success in spite of the rain. Thanks to the many volunteers who helped make it a fun day. A big shout out to the Worleys and their sidekicks the Lanzingers who came at 8:00am to get the food ready for the day.

As always, there's lots going on at the club. A few of the things are our always delicious Friday night dinners, 4th of July Freedom Party, New Members Welcome Party, Auxiliary luncheons, Swim/Sail awards, the Golden Gardner Gala, I-lya Jr. Regatta, 70s/80s Party, Cruise outs and our annual fundraiser. Check your calendars and come down and join in the fun!

Thanks to Dick Bliss for being our grill master for hamburger and hot dog nights. Wednesday and Thursdays have turned into busy nights for the club with members enjoying his good food and good company. Just ask him how much it costs him to volunteer!

Barb Chrysler – Executive Manager

CLUB MANAGER

June has been flying by. I have to say that things have been going very well around the club. We have been busy! With our bar open Wednesday through Sunday this summer, we have some new faces helping out behind the bar, and some of our favorites from previous years. Please welcome Donna D’Amico and Sean Koltiska to our bar staff this year. Sean will be a regular on Wednesday evenings, and Donna will be tending bar on the weekends usually. I am also very pleased to say that Kathy Schrader and Ann Marie Drake have returned this year and have been serving up some great drinks and great times! You can usually find them Thursday and Friday evenings with occasional weekends thrown in.

Our Put-in-Bay Community Swim and Sail program is in full swing as we wrap up week 2. We have had some great weather, and everyone has gotten a lot of water time! We have 98 kids enrolled in swimming and sailing classes, and are looking forward to watching the kids continue to learn and excel in and on the water!

I am looking forward to a busy and eventful July. Be sure to stop in!

Dear Members –

It has been a pleasure creating and editing the PIBYC Jib Sheet for all of you to enjoy over the past several years. I've enjoyed getting to know many of you, learning about the intricacies of the Yacht Club and now becoming a full-fledged member (finally) this year. I am now handing over the reins of this position to Amy Schulte, who I know will do an excellent job putting the Jib Sheet together. I will continue to help her with this transition over the coming months.

If you are someone that submits articles – which again, are due on the 15th of each month - please email Amy at amycshamrock@yahoo.com.

Also - if anyone ever has any pictures that they would like to share from any of the many wonderful events that take place throughout the year - please also email them to her as well. We would all love to see them and reminisce about the good times we had!

Thank you again for making me a part of this club! I look forward to seeing many of you at the Yacht Club throughout the summer... perhaps I'll even be behind the bar serving you your favorite cocktail!

Cheers and have a great rest of the summer!
